Online Education

1. Does all programs/courses were completed on time.	Yes		
2. Measures taken to complete the syllabus of courses and programs.	<p>The institution follows the curriculum and academic calendar prescribed by the affiliating University. Academic calendar of the institution for the year is then prepared accordingly. Before the commencement of the academic year, a general timetable for the institution is prepared by the timetable committee by considering the weekly hour allotment per semester for each curriculum as specified by the affiliating university.</p> <p>The heads of different departments ensures the allotment of hours to be strictly according to the university stipulations and discrepancies if any are brought to the notice of the timetable committee. He then prepares a department timetable by convening a department council allotting classes, hours and modules in the curriculum to different faculty members giving due weightage to their interest. A copy of the same is forwarded to the office through the convener of the timetable and accommodation committee. Each department then conducts classes as per the department timetable and curriculum sharing. Practical difficulty experienced during implementation is rectified through intra departmental and inter department adjustments.</p> <p>Each faculty member prepares a semester plan taking into account the percentage of syllabi to be covered in the time stipulated by the IQAC and forwards a copy through head of the department to the IQAC. The IQAC monitors the progress of implementation through the Teachers' Diary issued to every teacher. Alternate measures are also taken when regular classes are lost due to bus strikes, hartals, bundhs and valuation camps. Periodic department council reviews the implementation and lacunae found are filled by adopting new approaches and engaging extra classes.</p> <p>For effective implementation of the curriculum, modern teaching – learning technologies are employed. Multimedia teaching aids are brought into use in regular class rooms like L C D Projector to make learning easier. The following measures are taken for effective curriculum delivery and transaction</p> <ul style="list-style-type: none"> •50% of the classes are engaged using Power Point presentations and visuals. •More than 80% of students, especially the first semester UG students find difficulty in understanding transactions made in English. Considering this fact, classes for first semester UG students are supplemented by translating to mother tongue. Use of visuals also minimized the gravity of the problem. •Seminars and workshops on relevant themes are organized to gain better understanding. •Modern and emerging areas in the curriculum are supplemented by arranging expert lectures. •Visits to industries, universities and fields are also adopted to provide better understanding of the curriculum <p>Apart from this, a well- equipped library with OPAC and INFLIBNET facility, computer lab and other laboratory facilities are provided for observation of specimens and conduct of experiments for effective curriculum transaction. With the support of the Government of Kerala the institution conducts programmes like 'Walk With The Scholar' for advanced learners and 'Scholar Support Programme' for slow learners. Besides these Remedial classes for individual students' weaker subject areas are also taken care of.</p>
