I. INTERNAL QUALITY ASSURANCE CELL REPORT 2020-21

Internal Quality Assurance Cell of the college carefully evaluated the central concerns pertinent to the academic scenario and drew upon objective solutions when the pandemic situation caused multifaceted challenges to the educational scenario in general and to the teachers and students of Korambayil Ahamed Haji Memorial Unity Women's College, Manjeri in particular. They include addressing the adaptability factor, gaining expertise using digital tools for teaching and learning, providing infrastructure facilities and training sessions for the optimal result in the transformed educational context etc. Maximizing online education of the students is recognized as a fruitful solution to ensure effective learning in the transformed context by IQAC. In the light of this realization, in order to guarantee quality of teaching and evaluation during the period of predicament induced by the pandemic, Internal Quality Assurance Cell of Korambayil Ahamed Haji Memorial Unity Women's College, Manjeri provided rigorous training sessions to the teachers to make them equipped with better skills to handle digital classrooms. The most significant among these measures to develop a robust system integrating technology is a webinar organized on "The Digitally Transformed Educational Scenario: A teacher Friendly View" on 7thAugust 2020 to provide powerful strategies for effective knowledge sharing in the classroom. The teachers are guided by IQAC to reach a consensus regarding the platform to choose which would be suitable for online sessions. As a response to the requests received from different departments, each department was given autonomy to a great extent to decide on the platform for academic interactions selecting from Google Meet, Zoom, Google Classroom, Facebook and Teach Mint. The faculty members were directed by IQAC to collect feedbacks from the students and to identify the best among the practices for the maximum benefit of the students.

Under the direction and guidance of IQAC, along with DQAC and SQAC various departments of the college organized IPR Seminars. This initiative was marked as a milestone in the IQAC activities of the college as it emerged from the thought of ensuring the quality of research and disseminating the significance of authentic research for the welfare of the institution and individuals. As a strong measure to avoid dilutions in the preparation of

academic content, the guidance offered by the IPR seminar has been found as invaluable. As a continuation of this quality ensuring move, the institution has organized the formal inauguration

of the Official Publishing Platform, Unity College Publications, on 18th January 2021. An honouring ceremony to appreciate the teachers who were awarded Ph.D. during the current academic year was also organized on the same day with an objective to encourage research. Dr.A.K. Shahina Mol and Dr. A. Krishna Sunder were honoured by IQAC by presenting mementos for their achievement of Doctoral degree during the academic year 2020-2021. Dr. Faisal K.P., Director, Aligarh Muslim University, Malappuram and Dr. Yahiya, Associate Professor of Chemistry delivered keynote speeches on research during the event. Various capacity building programmes through CGC of the college, Implementation of various scholarship schemes through management and faculty funding, Department and college level alumni activities, training for non- teaching staff etc are some among the achievements of IQAC of the College during 2020-21.

II. PhD AWADEES 2020-21

Shahina Mol A K, Assistant Professor and Head, PG Department of English was awarded PhD in English on 18 June 2020 by the University of Calicut, Kerala for her study titled: Location as Character: Fugitivity Voices in the Selected Middle East Women Writings.

She has done her PhD under the guidance of Dr. Zainul Abid Kotta , Head , Research Department of English , Govt. College, Malappuram at the Centre for Research in English Language and Literature, Farook College, Calicut. She was awarded with 'FDP- Teacher Fellowship' by UGC.

Mrs. N V Fatimathu Zuhara, Assistant Professor in Home Science, KAHM Unity Women's College, Manjeri, has completed her Ph.D entitled "Prevalence of Type 2 diabetes and efficacy of diabetes education among selected diabetics in Malappuram" under the guidance of Dr.A. Thahira Banu, Assistant Professor, Department of Home Science, The Gandhigram Rural Institute, Dindigul, Tamil Nadu. She has completed her viva-voce on 12.08.2020 and was awarded the degree of Doctor of Philosophy by fulfilling the guidelines of University Grants Commission, 2009, from Department of Home Science, The Gandhigram Rural Institute – Deemed to be University, Dindigul, Tamil Nadu. She was also awarded Teacher Fellowship of UGC-FDP for the completion of her Ph.D..

Ms. Krishna Sunder A., Assistant Professor, Department of English at KAHM Unity Women's College, Manjeri, was awarded Ph.D on November 18, 2020. Her research was in the topic "From the Nameless Blonde to Brand: Defrosting the Refrigerated Females in the Movies of Christopher Nolan" under the guidance of Dr. Nila N. at the Research Centre of Mercy College, Palakkad, affiliated to Calicut University.

ASSOCIATION ACTIVITIES

☐ Activities inaugurated by **Dr. Musthafaanand P.H.**; PSMO College, Thirurangadi He delivered a talk on **Plants as Immunity Boosters'** on 6th July 2020 ☐ Department conducted a webinar series in the name of -PHYTOS||, and is inaugurated by Dr.Rajesh Kumar.T, NSS College, Manjeri on 8th August 2020. There was an interactive session on "Plant Taxonomy, Classification and Identification of Angiosperm families" for UG and PG students. ☐ Mr.Sabin P Q, Research scholar, presented a webinar on Career Options In Life **Sciences** for UG and PG students on 15th January 2021 (PHYTOS) ☐ On 27th January 2021, Dr C.R Elsy, professor and Coordinator, IPR cell, Kerala Agricultural University, interacted with the UG and PG students at the topic, "Basic **Principles of intellectual Property Rights" (PHYTOS)** ☐ Conducted online interactive sessions on lower plant groups, resource persons and topics are; o Dr. Ajayan. K. V – Algal Diversity and its Industrial Uses on 23rd February o Dr. Manjula.K.M – Diversity and Importance of bryophytes on 27th February 2021

INSTITUTION/FIELD VISITS

1. Organized a field study trip to *Kerala Forest Research Institute (KFRI)*, Kerala Agricultural University (KAU) and *Zoological Park* Wildlife Conservation & Research Centre, *Thrissur* for students of VI Semester B.Sc. (Botany) *on* 3rd March, 2021. There were 30 students 3 staffmembers in the programme.

o Vijisha.P—Pteridophytes, An introduction on 30th march 2021

- 2. As part of curriculum, Ist Sem. M.Sc. Botany students (27) went for algal collection to **Thikkodi Coastal Habitat** & visited **Malabar Botanical Garden and Institute for Plant Sciences, Calicut** on 9th February 2021. 5 teachers accompanied them.
- 3. IVth Sem. M.Sc. Botany students (11) visited **Regional Agricultural Research** Station(RARS), *Pattambi*, *Palakkad* on 16th March, 2021.

CERTIFICATE COURSE

□ Department conducted a certificate course on Modern Agricultural Technology − MAT (BOT1MAT) for fifth semester UG students of the college. During this year, 9 students successfully completed the course. Course duration was August 2020 − November 2020. Classes were on online mode.

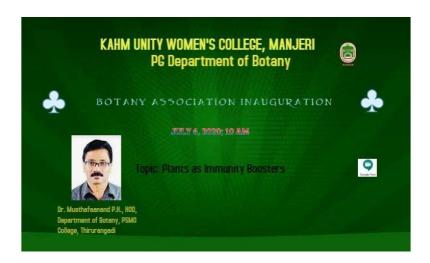

DEPARTMENT EXTENSION ACTIVITIES

1. Department conducted a workshop on mushroom cultivation in collaboration with Manjeri Municipality, for Kudumbashree members of ward 47, on 20th March 2021. The programme was mainly focused on job oriented training in mushroom cultivation. Total 72 participants including kudumbashree members, students and teachers were participated.

BOTANY ASSOCIATION ACTIVITY REPORT 2020-2021

An online meeting of the staff and students of the Botany association in the platform of Google meet was held on June 18th 2020 and Ms. Shibili P.K., III Sem. B Sc Botany was selected as the Association Secretary- in- charge and Dr. Faseela P, as the Association Teacher -in -charge. Dr. Usman A., HOD, Department of Botany put forward the programme schedule of Botany Association in 2020-21 academic year. We decided to conduct the Association inauguration on 6th July 2020 and also a webinar series in the name of PHYTOS' on various aspects of Botany.

Botany Association was inaugurated in online mode on 6th July 2020 by Dr. Musthafaanand P.H., HOD, Department of Botany, PSMO College, Thirurangadi. He delivered a talk on _Plants as Immunity Boosters' to discuss on medicinal properties of plants to overcome the pandemic situation of Covid-19 and around 65 students participated in the programme.

A virtual session on -Plant Taxonomy, Classification and Identification of Angiosperm families for UG and PG students was conducted under the webinar series -PHYTOS on 8th August 2020 at 10 AM. The session was handled by Dr. Rajesh Kumar T., Assistant Professor, NSS College, Manjeri and around 99 students participated in the programme.

The Association organized an online talk on Career Options in Life Science under the webinar series PHYTOS' on 15th January 2021 for PG and UG students. Mr. Sabin P Q, Research scholar, Department of Botany, MES Asmabi College, Thrissur dives into career opportunities of life science and various competitive exams also. He is an effective communicator with a passion in motivating and guiding the students to choose their right career path for a life time success. The webinar was conducted through the Google meet and around 256 students attended the programme.

On 27th January 2021, Dr C.R Elsy, professor and Coordinator, IPR cell, Kerala Agricultural University, interacted with the UG and PG students and delivered a virtual session on –Basic Principles of intellectual Property Rights. Over 140 students attended the talk through the online mode and there was an interactive session at the end of webinar. Participants were asked questions and they remarked that the webinar was very useful to them. She discussed on different aspects of intellectual properties like industrial design, geographical indication, trade secret, protection of farmers' rights and researchers' rights, etc.

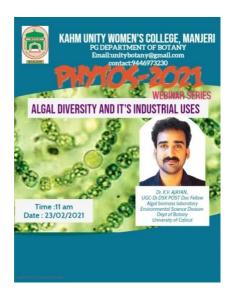

A field trip made to Thikkodi by on 9th February 2021 had the main aim as collecting algae from their natural habitat. The students were thus exposed to the areas where the marine algae could collected. Thikkodi is one among the many unexplode beaches along Kerala's rich sea shore. It is long and wide rocky coast with black clayish sand. The natural rocks & stones provide suitable substratum for algal growth. Different algal species were collected by students from different parts of Thikodi beach such as *Colerpa taxifolia*, *Colerpa racemosa*, *Grassilaria*, *Dyctyota*, etc. The collected algae were preserved for future uses in the laboratory and for other research works.

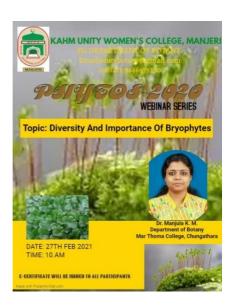

The Botany Association decided to conduct online interactive sessions on lower plant groups; algae, bryophytes and pteridophytes. Dr. Ajayan. K.V., POST Doc Fellow, Algal biomass laboratory, Environmental Science Division, Department of Botany, University of Calicut delivered a talk on Algal Diversity and its Industrial Uses on 23rd February 2021 at 11 AM on Google meet. About 121 students participated in the webinar and participants learned more about algal products and algae research.

An interactive virtual session on Diversity and Importance of bryophytes was delivered by Dr. Manjula K.M., Guest Faculty, Department of Botany, Mar Thoma College, Chugathara on 27th February 2021 at 10 AM. She discussed the bryophyte habitats and their environmental conditions and also to recognize groups of common bryophytes in their natural environments. Over 107 students participated in the session.

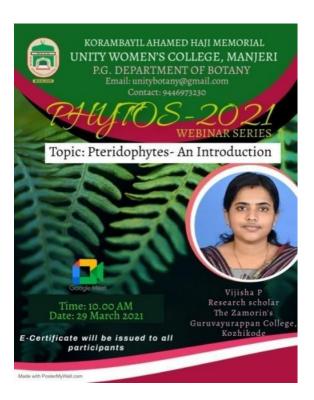

The Botany Association conducted a workshop on Mushroom cultivation in collaboration with Manjeri Municipality at PG Department of Botany on 20th March 2021. The workshop was well-attended by the students, teachers in the field of botany and Kudumbashree unit of Ward 47, Manjeri Municipality. About 72 participants were present. The workshop started at 10 a.m. and the welcome speech was delivered by Dr Usman A (HOD PG Department of Botany). Dr. C. Saidalavi (Principal, KAHM Unity Women's College) gave the presidential address. The presentation and demonstration was done by chief guest Mr. Biju, Mullampara, Manjeri.

A talk on _Pteridophytes - An introduction' was conducted on 29th march 2021 in Google meet to explore the world of Pteridophytes. The session was handled by Vijisha, P, Research scholar, The Zamorin's Guruvayurappan College, Calicut and over 94 students participated in the programme.

FIELD TRIPS 2020-2021

ALGAL COLLECTION TRIP TO THIKKODI

The field study trip made to Thikkodi by MSc students of PG Department of

Botany on 09.02.2021 had the main aim as collecting algae from their natural habitat. The students were thus exposed to the areas where the marine algae could be collected. Thikkodi is one among the many unexplored beaches along Kerala's rich sea shore. It is long & wide rocky coast with black clayish sand. The natural rocks & stones provide suitable substratum for algal growth. Different algal species were collected by students from different parts of Thikodi beach such as *Colerpa taxifolia*, *Colerpa racemosa*, *Grassilaria*, *Dyctyota*, etc.

The objectives of the algal collection trip are mentioned as follows:

- □ Providing knowledge of habitat of particular algae. The algae can either be freshwater habitants or marine. The collection trip gave each and every student who was part of the trip, an idea about the places where sea weeds are found in abundant.
 □ Exposure to collecting techniques- Proper safety is to be ensured while collecting
- Exposure to collecting techniques- Proper safety is to be ensured while collecting algae from the sea. The collection is to be done only during the low tide and with proper cautions taken.
- ☐ Identification of collected algae- The algae were collected in presence of an efficient algologist who could describe the genus and species name of the collected samples. This enhanced the ability of each and every student
- ☐ identify an alga even from its natural habitat.

Knowledge of preservation and herbarium preparation of the collected algae- The collected algae were to be preserved for future uses in the laboratory and for other research works. The preparation of preserving solutions was prepared by the students themselves under guidance of an expert. This gave knowledge about constituents of the solution.

RESEARCH STATION VISIT TO KFRI, THRISSUR

The research station visit made to KFRI, Thrissur Kerala by BSc students of PG Department of Botany on 03.03.2021 had the main aim as familiarize the various research techniques in the field of forestry. The institute carries out research, training and extension on a range of disciplines related to tropical forests and forestry. The main objective of research institute visit is to provide students an insight of the practical applications of what they are learning in theory because; theoretical knowledge is not enough for making a good professional career. With an aim to go beyond academics, research station visit provides student a practical perspective on the world of work. It provides students with an opportunity to learn practically through interaction and working methods.

A CROP RESEARCH STATION VISIT TO REGIONAL AGRICULTURE STATION (RARS) PATTAMBI

As a part of our crop research station visit, we planned to visit Regional Agricultiral Research Station Pattambi.

About RARS...

Regional Agricultural research station (RARS) is known for research and contributions in rice. The station has a long history. Established as paddy breeding station by the British in 1927, it has made a tremendous contribution to the bettermint of rice production sector in the state. The station was named as agricultural research station in 1930 and become a part of Kerala state in 1956. It become the central research station in 1962.

DEPARTMENT OF COMPUTER SCIENCE

2020 - 2021

Due to the COVID 19 pandamic outbreak, there were no regular offline classes, and no association activities in general.

Rahib B participated in a 3 day Training Program on CBCSS UG Regulations 2019 organized by MHRD-Teaching Learning Centre under Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching, Department of Education, University of Calicut from 06.07.2020 to 08.07.2020.

Mrs. Amrutha relieved from the Department on 09.12.2020

Mrs. Maimoona KP joined the Department on 01.01.2021 as a substitute for Amrutha.

The Computer Science Lab Assistant Mrs. Febina relieved from the Department on 31.05.2021.

The Department had conducted a number of webinars for the Computer Science students, a subset of the webinars is listed below:

1. International webinar on AI & Data science on 27/08/2020

Resource Person: Mr. Ashique K, IT Manager, Zubair Coperation, Oman

2. Webinar on Academic Projects and its importance on 13/08/20

Resource Person: Mr. Nikhil T, Project Manager, RISS Technologies Calicut,

3. Webinar on How to approach a Project on 11/09/2020

Resource Person: Mr. Manikandan, Project Manager, Futura Labs, Calicut.

4. Webinar on IOT-Project Coding Future, on 17/09/2020

Resource Person: Mr. Fazil Paloli, Project Manager, Osperb Edison Valley, Technology Business Incubator, Calicut

5. Webinar on web development on 18/09/2020

Resource Person: Abdussalam, chief Trainee, LAMAN solution, Calicut.

6. Webinar on web development on 22/09/20.

Resource Person: Mr. Nithin MV and Ms. Ajanya CK, Ms. Anushri Purushothaman, Technosis, IT solutions, Calicut.

7. Webinar on web development on 24/09/2020

Resource Person: Mr. Sujith R, IT Manager, LCC, Cochin

And the Department of Computer Science organized one webinar on MOODLE for the College teachers on 17/09/2020, in collaboration with Resolute Enterprises, Changanasseri, Kerala.

Freshers day called ALOHA NOVATO celebrated on 30.03.2021 at NRSC Hall, and the same day witnessed for Farewell Party for the Computer Science 2018 -21 batch.

COLLABORATIONS

The Department has three international collaborations as detailed below.

- Dr. Rabindran Jermy Balasamy, Assistant Professor, Institute for Research and Medical Consultations, Imam Abdul Rahman Bin Faisal University, Saudi Arabia.
- Dr. Silviya Elanthikkal Abdulrahman, Assistant Professor, Deanship of Scientific Research, Imam Abdul Rahman Bin Faisal University, Saudi Arabia.

Dr. Haseena Navas AP, Head-Research and Development Enterplastics LLC, Dubai

 Consultant Leading Scientist, Borouge Innovation Centre, Joint Venture of ADNOC and Borealis.

The Department has one State Level collaboration as detailed below.

• Mr. Syam, Assistant Director, Common Facility Centre, Rubber Board, Payyanad, Malappuram (DT), Kerala

COURSES FOR ACADEMIC ADVANCEMENT

Mrs. Suhada KM attended the Online Refresher Course in Chemical Science conducted by UGC-HRDC Kannur University from 14th to 27th August 2020. Mrs. Suhada KM also attended Short run course on e-content development and course design conducted by MHRD-TLC, University of Calicut from 23rd to 29th September 2020.

COLLEGE LEVEL ACADEMIC AND CO-CARRICULAR ACTIVITIES

Dr. Muhammed Basher Ummathur

- HoD Chemistry
- Assistant Chief of Calicut University Examinations
- Member of the UGC Project Cell
- Member of the College Staff Council
- Member of RUSSA
- Member of IQAC

Dr. P. Jyothi

- Member of Staff Club executive Committee
- Staff Editor of College Magazine

Dr. Deepa K

- Science Club Coordinator

EXTENSION ACTIVITIES

1. Ozone Day Celebrations

The Department conducted Ozone Day Celebrations on 18th September 2020. Dr. P. Jyothi was the Coordinator of the Programme. Dr. Raveendran P, Associate Professor, Department of Chemistry, University of Calicut was the Resource person and delivered a talk on "How to Conserve Our Environment". PPT presentation competition was carried on the topic "Montreal Protocol-keeping us, our food and vaccines cool". 1st prize: Kadeeja Farsana Thumba (3rd Sem. M. Sc. Chemistry), 2nd prize: Fathima Hafna (5th Sem B.Sc. Botany).

2. National Science Day Celebrations

The Department conducted National Science Day Celebrations on 4th March 2021. Mrs. Suhada KM was the Coordinator of the Programme. Dr. C.P. Muhammed Kutty, Retired Professor, PSMO College Tirurangadi & Principal, Markaz Arts & Science College, Valanchery, was the Resource person and delivered a talk on "Chemistry of Kitchen". PPT presentation competition was carried on the topic "Women Scientists". 1st prize: Dilsha K, 2nd prize: Najiya and Safna, 3rd prize: Aysha Shahma.

3. Community Outreach Programme

The Department conducted two Community Outreach Programmes in Google meet for the staff, students and parents of our college.

- 1. **Webinar on Rain, Water and Public Health on 20th September 2020:** Mr. Sajeesh AK, *Chemist, Quality Control District Laboratory, Kerala Water Authority, Malappuram* was the Resource person. The coordinator of the Webinar was Dr. Deepa K.
- 2. **Webinar on Homestead Farming on 15th November 2020:** Mrs. Meharunneesa PM, Agriculture *Officer, Oorakam, Malappuram (DT)* was the Resource person. The coordinator of the Webinar was Dr. Deepa K.

4. Financial Assistance

The staff members of the department visited the house of Sreelakshmi, B. Sc. Chemistry (2018-2021 batch) and University 2nd Rank holder. The staff members congratulated for the achievement and handed over an amount of Rs. 10000 as financial assistance.

As a part of Share & Care Programme financial Assistance of Rs 10,000 each was given to the following students during the pandemic period of Corona virus.

- 1. Sreelakshmi A; 6th Sem B. Sc. Chemistry
- 2. Saheera Thoran; 4th Sem M. Sc. Chemistry

Free ships were given to the following students during this academic year.

- 1. Silpa Narayanan Kutty A; 6th Sem B. Sc. Chemistry 2. Saheera Thoran; 4th Sem M. Sc. Chemistry

Dr. P. Jyothi

- Published the article "History of Soap" in Sasthrakeralam (February 2021).
- Valued the answer scripts of various autonomous colleges.

Dr. Deepa K

Valued the answer scripts of various autonomous colleges.

Mrs. Suhada KM

• Valued the answer scripts of various autonomous colleges.

INTER-DEPARTMENTAL ACTIVITIES

OPEN COURSE

The Department offers Environmental Chemistry as the Open Course to the UG students of other departments.

ASSOCIATION ACTIVITIES

Due to Covid Pandemic, College Union Election was not held during 2020-21. Students and Staff unanimously selected Ms. Basila Shirin and Ms. Soorya of 3rd Sem B. Sc. Chemistry as the Association secretaries. Dr. Muhammed Basheer Ummathur was the Teacher in Charge. As a part of the association the following programmes were conducted.

16-10-2020	Discussion on various programmes to be conducted in the academic year.
21.10.2020	Experience sharing by faculty members and students about the proper utilization of time during the Covid Pandemic period.
29.10.2020	Celebrated Kerala Piravi Day. Dr. P. Jyothi delivered a talk on Importance of Malayalam.
11.11.2020	Chemistry riddles and current affairs of 2020.
18.11.2020	Staff and students watched the short film on women empowerment named "WAR" directed by Arun. K. Vaniyamkulam, which gives awareness against Women Abusement in Public as a part of UN's International day for the Elimination of violence against Women.
26.11.2020	Quiz competition.
02.12.2020	Making out words from periodic table.
05.02.2021	An Open Debate on the topic "Does God Favour a Gender".

The delayed University Examination Schedule was a great challenge in conducting the association programmes when classes turned on in the offline mode.

CERTIFICATE COURSE

The Department conducted three certificate courses during this academic year.

- 1. **Household Products from Rubber Latex:** The course was conducted for the final B. Sc. Chemistry students in collaboration with Common Facility Centre, Rubber Board, Payyanad. 47 students successfully completed the Certificate course. Dr. Deepa K was the coordinator of the course.
- 2. Laboratory Precautions and Analytical Skill Development: The course was conducted for the First Year B. Sc. Chemistry students. 47 students successfully completed the Certificate course. Dr. Deepa K was the coordinator of the course.
- 3. **Pollution Control Measures:** The course was conducted for the Open Course UG students of our college. 48 students successfully completed the Certificate course. Dr. Deepa K was the coordinator of the course.

INFRASTRUCTURE

Construction of a new Block for the Chemistry Department was started and it is expected to shift the Department, Final UG classroom and PG classrooms in the next academic year.

SPECIAL ACHIEVEMENTS

Sreelakshmi A of 2017-20 batch got Second Rank in B.Sc. Chemistry of University of Calicut.

Nasla Shareen PP of 2nd year B. Sc. Chemistry 2018-21 batch participated in the Makeup Workshop conducted by Renju Renjimar (celebrity makeup artist) from 5th to 7th October 2020 at Dora Beauty World, Angamaly, Ernakulam.

Aysha Bint Syed of 2013-16 batch got admission to M. Sc. Forensic Science at Anglia Ruskin University, Cambridge.

Fathima Haffa of 2017-20 batch got admission to M. Sc. Nanotechnology at University College, London.

ALUMNI

- 1. Alumni meeting conducted on 6th March 2021.
- 2. Text Books are given to Class Toppers of 2019-'20 on 6th March 2021. I year B. Sc.: Krishnapriya; II year B. Sc.: Shaima T P, III year B. Sc.: Sree Lakshmi A, I year M. Sc.: Saheera Thoran; II year B. Sc.: Fidha.
- 3. Congratulated Jamsheena V, Mrs. Nihmath, Nabeela Kallayi and Mrs. Nusrath for the award of Ph.D in chemistry.

PG. DEPARTMENT OF ENGLISH 2020-21

1. Book Buddy- An event in connection with reading day to promote reading among faculty and students- 22 July 2020

As part of the State Reading Week Celebrations, the Department of English, KAHM Unity Women's College conducted a book review event, titled Book Buddy on July 22, 2020. The faculty members of various teaching departments of KAHM Unity Women's College, the Non-Teaching Staff members and students from the English and other departments participated and presented the reviews of book they have read. One pre requisite of the books to be reviewed is that it should be a recent publication published on or after 2018. The event was really an informative one when the books of various genres like fiction, poetry, drama, biography, other nonfiction categories like courtesy books and books about predictions of how our future life will be were reviewed. Apart from books in printed form, audio books, books in PDF format etc. were reviewed by teachers giving the students an idea about what books would be like in a paperless society. Mrs. Awasthi MP, the teacher-in-charge of the English Association delivered, the welcome note. Dr. Rajani R., the event co Ordinator introduced the books and the speakers. Miss KhadeejaDilna, the English Association Secretary proposed the vote of thanks.

2—9. English Association - Activities 2020-21:(Inauguration 14 Jan 2021)

English Association at KAHM Unity Women's College, Manjeri is a creative endeavour of the enthusiastic student community of English Department. The major focus of the platform is to function as a catalyst to shape the talents of the students towards perfection. Ms. KhadeejaNidha of Third Semester BA English and Ms. Aswathi M.P., the faculty member of the department, are the coordinators of the year 2020-21. The Pandemic scenario troubled the Association activities initially as the team has to envisage new patterns and medium which fulfill the requirements of the programme in the changed context. Selecting Google Meet as the platform for the exchanges, forming a what's app group of all the class leaders and teachers for this specific purpose and fixing it as a fortnightly event on alternate Wednesdays at 12.30 pm, the crisis was resolved. Starting with third semester BA English batch each class performed various programmes such as Book reviews, talks of contemporary relevance such as "Either side of Online Classes", "New Education Policy", Discrimination". "Gadgets and Depression" etc., film reviews, and literary quizzes. Dr. Arya Gopi, the award-winning poet was invited for the formal inauguration of online Associations on 14 January 2021.

Ms. M.K.Vineetha, the faculty member of the department delivered a session on 07 October 2020 which the students felt as really beneficial to them. The most significant initiative of the Association is the programme organized on 31 March 2021 to honour the Alumni members who qualified NET/SET/Ph.D. Ms. Ashika, Ms. Nasila Jasmin, Ms. Abida Abdullah, Ms.Nilofer and Ms. Shabna K.P. received mementoes from Dr.M.Nasar, Pro-vice chancellor of Calicut University. Along with that the Association honoured Dr. Shahina Mol A.K. who is both a teaching faculty and Alumni and Dr. Krishna Sunder, a faculty member of the department for being awarded Ph.D. in the academic year. The programme motivated the student community of the department to aim high and achieve their goals. The student involvement in the programme enabled them to develop leadership skills along with showcasing their talents in the show.

12. Three-day International webinar on

"Perspective Matters: Unlearning Unicentrism in collaboration with KSHEC (14, 15, 16 Sep 2020)

The three-day international webinar on **Perspective Matters: Unlearning Unicentrism** organized by the Department of English, KAHM Unity Women's College, Manjeri was inaugurated by Sayyid Munavvar Ali Shihab Thangal. Dr. Sabrina Lei, Italian author and director of Tawasul Centre for publishing, Research and Dialogue at Rome delivered the inaugural keynote on "Cultural Criticism, Social Structure and Identity." Her lecture focused on the construction of power, cultural assimilation and the methods of resistance offered to the new social order imposed upon the Malayali community by the Colonial masters with reference to the first Malayalam novel Indulekha. The inaugural session was presided over by the Principal of the College, Dr. C. Saidalavi. Manager of the College Management Committee Er. O. Abdul Ali, Head of the Department Dr. Shahinamol A. K, Coordinator of the webinar Ms. Krishna Sunder, and the IQAC coordinator Dr. Annie Ninan spoke during the session.

Dr. Ravi A. Palat, Sociologist and Professor at Binghamton University, keynote speaker for the second session mentioned that Universities which are the centers of knowledge production has a big role in building and sustaining the cultural capital. Analyzing the history of university education across the world, he pointed out that modern Universities though promote multiculturalism are inclined to monetary benefits, which can be hazardous. He also pointed out that multidisciplinarity of modern education system proposed by NEP is blind to the marginal sectors like Dalit studies, Women Studies etc.

Dr Abdel Latif, writer and executive board member, Maqasid Institute of philosophy of law, Italy the keynote speaker for the first session of the second day spoke on identity politics, power politics, media politics and the role of public intellectuals in demystifying power by challenging xenophobia, radical nationalism and radical racism.

Ms. Ann Susan Aleyas, the plenary speaker from St Stephen's College, Delhi focusing her lecture on twentieth century women's writing in English commented that the essence of women's writing in India is its polyphony. She added that women's writing is caught in the politics of translation, and emphasized the need for looking at translation not only as a social, cultural, creative activity, but also as an ethical project.

READERS' FORUM

Readers' Forum, K.A.H.M Unity Women's' College is formed under the auspices of the college library. It is a spirited circle focusing at the academic excellence infusing learning community's reading habit and critical thinking. The forum comprises teachers and selected students of various departments of the institution. It ensures the students an ideal platform to discuss and share their experience and findings based on any book of their choice. The forum **conducts** various programs based on reading experience in every Tuesday (3.10 pm to 4.30 pm). a student or teacher selects any book of her/his choice from any discipline and discuss its content in the circle. Both learning and teaching community air their views and perspectives in a healthy manner. the books selected for discussion will be made available in the college library for further reference. The forum helps learners to improve their skills like debate, interpersonal communication, public speaking etc. Apart from book discussion and presentation in the circle, the forum invites resource persons for talk and debate.

OBJECTIVES

Get Students to Read and Talk
To encourage students to read books, magazines and weekly newspapers, which are rich
and diverse sources of information.
To reinforce what students learned in the forum through discussions, debates, and other
literary activities.

K. Aboobakar

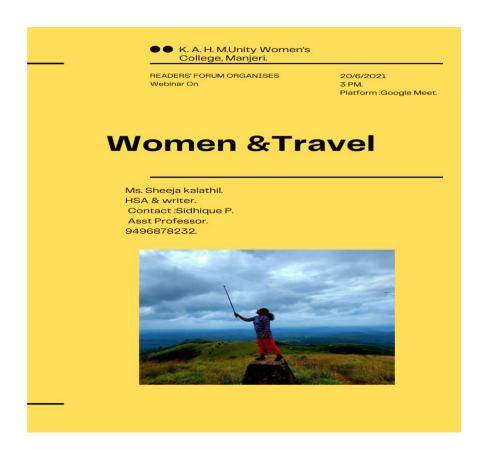

Teacher, Critic and
Public Speaker

On Google Meet

Readers' Forum conducted webinar on Philosophy of Reading On 26/September/2020

Readers' Forum hosted a webinar on the topic *The Philosophy Of Reading* On 26/September /2020. The resource person was Aboobaker, a critic, writer, and teacher. Mr. Aboobaker enlightened participants during the webinar by highlighting the different benefits of reading. He went on to explain how reading increases memory, analytical skills, writing skills, and broadens perspectives while also developing critical thinking skills. He talked on how reading is important for a person's holistic development. He stated throughout the seminar that while there are many modern tools for getting information, reading is crucial to gain knowledge. It has been proved that when one reads, one pays more attention to the subject than when watching media. According to the resource person, learning community should establish a reading habit because only extensive reading allows them to compete in a highly competitive world. He concluded stating how constitutional values and duties of citizens empower through reding and help learning community to contribute to the nation building. The session came to a close with the student coordinator proposing a vote of thanks.

2.Organised talk on "Women & travel on 20/1/21

On January 20, 2021, Readers' Forum conducted a Google Meet discussion on the topic "Women and Travel." Ms. Sheeja, HAS&writer, was the resource person. In her address, she argued that in a world where women are frequently told what they can and cannot accomplish, travel has become an ever-changing outlet for overcoming stereotypes in all aspects of life. She shared her trip experiences with the audience. She stated that women's roles in society have changed as a result of their engagement in the travel industry in recent decades, empowering women in their lives. Women are globe-trotting, experiencing picturesque villages, and refining the road of self-discovery and empowerment, from businesswomen to homemakers. The session was organised by Mr. Sidhique P. Mr. Basheer Hussain Thangal, Librarian, gave a welcome talk, which was followed by a felicitation by Dr. Shahina Mol, Shifa student coordinator, who presented a vote of thanks. During the Q&A session, participants asked questions. The event took place between 2 and 4 p.m.

NSS ACTIVITY CALENDER: 2020-21

Due to Covid Pandemic situation and lockdown, majority of programmes were Comprehensive Report

The college's NSS unit focuses mainly on the specific goals of Durable Asset Creation and Sustainable Development.

As part of the social service, the unit has been able to perform a number of activities thathave generated personality development. These activities have resulted in students becoming more educated and socially committed. Due to Covid pandemic situation, most of the Regular activity programmes were conducted online this year

OLD AGE HOME & CARE CENTRE VISITS

As part of NSS Special Camp, our volunteers visited HIMA Care home at Kalikavu.

PARTICIPATION IN NSS DISTRICT ABHAYAM PROJECT

Our NSS Volunteers conducted fund raising for home construction project of District level NSS.

EXCELLENCIA - PHASE II

The second Phase of Excellencia – the Volunteer Quality Exchange programme - was conducted via online (Google Meet) due to Covid pandemic situation. The Event was inaugurated by Dr. GP Sajith Babu, Regional Director of NSS, Kerala. The Sessions were handled by Dr. Sony TL, NSS District Co-ordinator, Thrissur, Ms. Sameera MP, NSS District Co-ordinator, Malappuram, and Ms. Sheeba, NSS District Co-ordinator, Calicut.

ORGANIC FARMING

The NSS Organic farming generally targets on recovering the cultivation culture, going back to organic farming on for chemical fertilizers, stopping the dependence of other states on agricultural products to some extent, encouraging the creative projects like 'kitchen garden', utilizing kitchen waste as manure etc.

ANTI-DRUG CAMPAIGN

Awarness Class - "Adayalappeduthathe Nadannu Pokunnavar"

In association with District Legal Services Authority and Eranad Legal Services Society, our NSS unit conducted an awareness programme on the topic "Adayalappeduthathe Nadannu Pokunnavar". Oddly the programme is titled by "those who walk unmarked". The session was inaugurated by Mrs. Priya Sub-judge & Secretary of DLSA Manjeri. It is a well interactive session by Mr B. Harikumar sir. Vimukthi programme officer. He is a well speaker who gave us a brief description about drugs. Drugs will affect our entire life. Drugs are the enemies of ambition and hope when we fight against drugs we are fighting for future. Addiction destroys everything in its path. Getting out of the way is the most loving form of detatchment that we can practice.

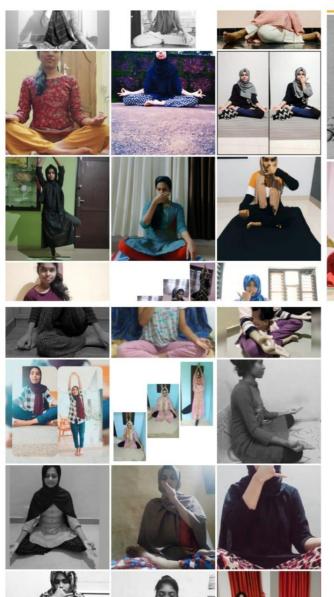

INTERNATIONAL YOGA DAY

Our NSS unit observing and celebrating International Yoga Day every year. Also conducting yoga sessions in Special camps to make the volunteers aware about the importance of Yoga in their day-to-day life. In this year, due to Covid pandemic situation and lockdown, volunteers observed Yoga Day from their homes.

REPUBLIC DAY CELEBRATION

Our NSS Unit celebrated Republic day in online with various programmes. We conducted Quiz competition and digital poster making competition for all students of our college. Many students participated in the programmes.

CLEAN VILLAGE PROGRAMME

In this Covid pandemic situation, volunteers conducted cleanliness programme in their home surroundings.

ENVIRONMENT ENRICHMENT PROGRAMME

As part of Environment day observation, our NSS unit conducted Plantation Programme on Environment Day. In this year, due to Covid-19, volunteers planted saplings in their own homes and their neighborhood.

WATER SHELTER FOR BIRDS

In the hot summer, our volunteers identified the difficulty of birds to get drinking water. To overcome this, our volunteers established small water shelters for birds at their own homes.

C4CCCI AWARENESS & CANCER DAY OBSERVATION

As part of Cancer Day, the NSS unit of our institution took initiative for fund collection to put its helping hands to needy people. The volunteers collected Rs. 14480 with a short period of time through social media. The funds collected Cancer day collectively handed over to C4CCCI.

OUSHADHAPPETTI –MEDICINE BANK

We all are using medicines when we get sick. But most of us taking medicines when the illness affects us, but, stopping the medicine just after recovering from it, without completing the course of medicine prescribed by the doctor. We just threw away the remaining medicine. But, there are so many patients who have financial issues to get that medicine. So our NSS unit took a initiative to collect leftover, but, unexpired medicines from

staff and students, and handed over that medicines to Palliative Care Centre Manjeri to make it available for most needy.

MASK MAKING

The lockdown due to Covid 19 affected our NSS activities a lot. Volunteers were trapped in their homes for many days. To overcome that boring situation, they conducted NSS activities from their own homes. Mask making was such a meaningful activity taken by the NSS volunteers in that situation. They Stitched and distributed masks for needy ones. And also given an awareness about Covid 19 and the importance of using masks.

ONLINE-EDU SUPPORT

Our volunteers heard about an SSLC student in the participating village, who have no access to the online classes due to the lack of devices to attend the class from Kite Victors Channel. Moreover her father was passed away due to Covid 19 two months before. Our volunteers rapidly taken her issue and raised fund through social networks. Our volunteers bought a new mobile phone worth Rs. 9500 for her. The device

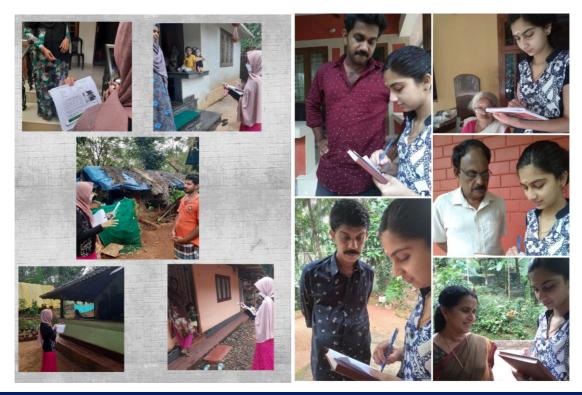

handed over by the Panchayath President. One of the family members of that student received the same.

POLLUTION CONTROL PROGRAMME

All humanbeings are responsible for polluting this world. One of the main causes of pollution is Vehicles. The number of vehicles increased nowadays. Some people are not bothered about checking the pollution made by their vehicle frequently. Our NSS volunteers visited their neighbor homes and checked the Pollution Control Certificate and given necessary awareness too.

WEBINAR ON INFANT PROTECTION

Infant Protection Day is celebrated on 7 November. The day aims to spread awareness about the safety of infants and protect their lives by taking proper care of infants. It should be made aware that due to the lack of proper protection and proper care, newborns face a lot of problems.

Our volunteers conducted a webinar on "Importance of Infant Protection" for young mothers and pregnant women. The session was handled by Dr. Sajida Abdulla, Consultant Pediatrician & Assistant professor, Government Medical College, Kalamassery. The Webinar conducted on Google Meet. Many women participated in the programme.

DISTRICT LEVEL LEADERSHIP CAMP - PARTICIPATION

Our Unit Secretaries were participated in the District Leadership Camp for NSS Secretaries. Fida Mariayam M and Basila Sherin were participated in the camp "Opparam" at Kathir Pookottumpadam.

HOME GARDEN – Day Care in Palliative Clinic

Our volunteers were participated in Day care Programme (Home Garden) for patients with prolonged treatment at Palliative Care Centre Manjeri every Sundays for more than six months. They turned into 5 groups, and each group took their role in this programme on each Sundays. When the Covid pandemic met our life, the Programme changed to online platform. Our volunteers created a Whatsapp group and conducted cultural events through that group every Sundays.

Description

The Mappila Verses is a collection of poems that take you to a different experience, may be for the first time in English poetry written in India. Weaving history with the contemporary, the poems in this collection are of despire, grief, varied facets of violence, identity assertion and crisis of the cross generational experiences of the Muslims in India. In a time when their very existence is questioned, The Mappila Verses is a memory against forgetting and marks an identity of resistance and poetic assertion. This collection also includes the first Mala poem, a genre in the Mappila songs ever written in English.

Jushna Shahin's love for football and her admiration for Lionel Messi have dictated the course of her life

Jushna Shahin

Express News Service

10-10-2020 (Saturday)

KOCHI: Many are passionate about football, but hardly a few let the game script their destiny and change the course of their life. Jushna Shahin, a 25-year-old from Mangad in Kannur, is one of those few. The seeds of football love sprouted inside Jushna back in 2002 when she happened to see a glimpse of the World Cup as a kid. By 2006, it was a thriving passion.

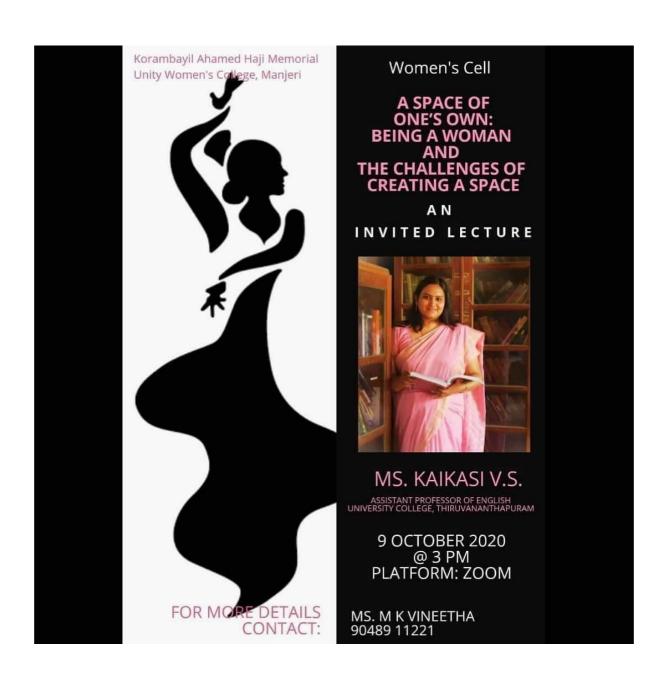

But nobody thought she would set out on a relentless pursuit to learn the culture and language of her favourite sportsperson Lionel Messi, cross borders to watch his match and handover a letter to the star in Spanish. "I was brought up in a family that keenly followed football. Since my grandfather was a staunch supporter of Brazil, I started rooting for Argentine team just to vex him in the beginning. Eventually, I got so obsessed with the game, that I learned its rules by the time I was in Class VI. Even my friends nicknamed me Messi," said Jushna over phone from Spain, where she is working as a language assistant at a school.

Just as how the actions of Columbian goalkeeper Higuita determined the decisions of N S Madhavan's fictional character Fr Geevarghese, Jushna decided to study Spanish in JNU after Class XII with a resolve to interview Messi one day. "I wanted to study Spanish since it is the native tongue of my favourite sportsman. When I cleared the entrance examination to nursue Spanish
