

INNOVATIVE ECOSYSTEM FACILITATED BY IQAC IN THE INSTITUTION FOR TEACHING-LEARNING, EVALUATION AND RESEARCH

Research Centres & Research Forums

PG Department of English and PG Department of Chemistry got recognition from University of Calicut as Research Centres in the academic year 2022-23. The official inauguration of the research centres was held on 21 September 2023 in the College Auditorium. In his inaugural address the Pro-vice Chancellor of Calicut University, Prof. (Dr.) M. Nasser spoke about how Research can be translated to the society to provide a better output. He also added that persistence is a key factor which pays when it comes to research work. He also mentioned how collaborative research can bring in more excellence. The welcome address was delivered by Dr. Jyoti P., Head of the Department of Chemistry. Principal, Prof (Dr.) Muhammed Basheer Ummathur gave the Presidential address. This was followed by the special address by the former Principal Prof. P. N. Abdurahiman. Manager of the college, Jb. O. Abdul Ali and Former heads of the departments Dr. P.K. Babu (Principal, Al Shifa College, Perinthalmanna) and Dr. A. I. Yahya (Associate Professor and Head, Department of Chemistry, University of Calicut) spoke on the occasion. Mr. Rahib B. (Staff Secretary) and Mr. Adham Thaneri (Secretary, Non-teaching Staff) delivered felicitation. Ms. Salha Mariyam (P.G. Representative) too felicitated the gathering. Dr. Shahina Mol A.K. (Head of the Department of English and IQAC Coordinator) delivered the vote of thanks.

Research Centre, Department of English

The PG Department of English, recognized as a Research Centre by the University of Calicut in the academic year 2022-23, has taken a significant step towards enhancing its academic and scholarly pursuits. This recognition marks a milestone in the department's journey, enabling it to contribute to advanced research and academic excellence in English studies. The official inauguration of the research centre took place on 21st September 2023, signaling the formal commencement of its research activities and initiatives.

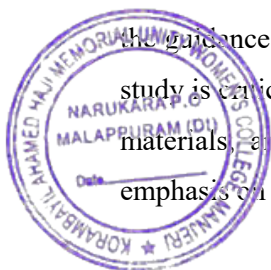

The research centre is currently under the expert guidance of two guides, Dr. Shahina Mol A.K and Dr. Poornima R. Their dedication and expertise in their respective fields provide a robust foundation for the centre's academic endeavors. The centre houses four full-time research scholars under the supervision of Dr. Poornima. These scholars— Ms. Henna P, Ms. Kamila Gulnar Abdul Ravoof, and Ms. Shafna K V—are actively engaged in their research work, contributing to various fields of English literature and interdisciplinary studies. Notably, two of the scholars, Ms. Kamila Gulnar and Ms. Shafna K V, are recipients of the prestigious Junior Research Fellowship (JRF).

Research Centre, Department of Chemistry

The Chemistry Department of KAHM Unity Women's College received official recognition as a Research Centre under the University of Calicut in January 2023. This acknowledgment marks a significant step in the department's evolution, allowing it to formally engage in and contribute to advanced research activities. The establishment of the Research Centre was followed by an inaugural event on 21st September 2023, which was presided over by the Pro-Vice Chancellor of Calicut University, Prof. Dr. M. Nasser.

The research centre is supported by a highly qualified and experienced team of research guides. This distinguished team comprises Prof. Dr. Muhammed Basheer Ummathur, Dr. Jamsheena, Dr. Jasna V.C., Dr. Shamseera K.O., and Dr. Thasnim P, all of whom are from KAHM Unity College, along with Dr. George T.M. from Mar Thoma College, Chungathara. These scholars bring expertise in various branches of chemistry, contributing to the centre's diverse research agenda and ensuring a strong academic foundation for its activities.

Currently two research scholars, Ms. Merin Sara and Mr. Abduraheem VP, are working under the guidance of Prof. Dr. Muhammed Basheer Ummathur, focusing on organic synthesis. This area of study is critical within the field of chemistry due to its applications in developing new compounds and materials, and the research conducted under Prof. Ummathur's supervision reflects the centre's emphasis on contributing to cutting-edge scientific discoveries. Beyond organic synthesis, the research

centre is also actively engaged in projects related to electrochemistry and photochemistry. These areas of study open up a broad range of possibilities for innovation, particularly in understanding chemical reactions and processes at the molecular level. The centre's diverse research portfolio highlights its interdisciplinary approach, providing opportunities for groundbreaking discoveries across various fields of chemistry. In addition to the full-time research scholars, many postgraduate and undergraduate students are conducting their project work at the centre.

| 6. | Dr. Poornima R. (Research Coordinator & Supervisor) Assistant Professor, Department of English, KAHM Unity Women's College, Manjeri. |  |

Proposed Titles Submitted by the Candidates are as follows:

Ms. Shafna K.V. "Attention Economy and Reading Crisis: A study on Literary Attention and Attentive Reading in select Digital era Fiction"

Ms. Kamila Gulnar Abdul Ravoof "Politics of cloaked Resistance: A cross-cultural study of Muslim Modest Fashion in select Cultural Texts"

Subject, Faculty & Guide, Co-Guide (if any)

Subject: English

Faculty: Language & Literature

Guide:

Ms. Shafna K.V. (Supervisor, Dr. Poomima R.)

Ms. Kamila Gulnar Abdul Ravoof (Supervisor, Dr. Poomima R.)

Proceedings:

The research proposals of Ms. Shafna K.V. and Ms. Kamila Gulnar Abdul Ravoof were approved by the RAC in the meeting held on 7th March 2024. However, some changes in the titles were recommended.

The approved titles are:

Shafna K.V. "Attention Economy and Reading Crisis: A study on Literary Attention and Attentive Reading in select Twenty-First Century Fiction"

Kamila Gulnar Abdul Ravoof "The Politics of Sartorial Resistance: Decoding the Semiotics of Contemporary Fashion Trend Among Muslim Women"

PRINCIPAL
Korambayil Ahamed Haji
Memorial Unity Women's
College, Manjeri

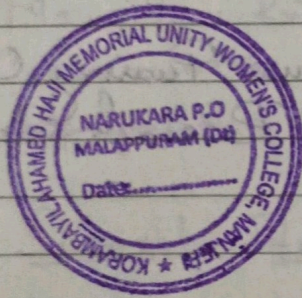

PhD Applications of the Following Candidates were considered by the RAC:

Ms. Shafna K.V.: Resolved to approve the title and recommended for Full-time PhD registration

Ms. Kamila Gulnar Abdul Rasool: Resolved to approve the title and recommended for Full-time Ph.D. registration.

The meeting Concluded at 1.40 Pm.

2. Dr. A. Hameed (Vice chancellor's Nominee), Professor, Department of Education, University of Calicut.

30/04/2024

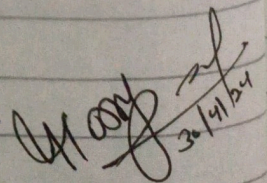

3. Dr. Umer Thasneem (Subject Expert), Assistant Professor, Department of English, University of Calicut.

4. Dr. Shahina Mol A.K., Assistant Professor & Head, Department of English, KAHM Unity Women's College, Manjeri

30/4/2024

5. Dr. Usman A.C. Convenor, Research Promotion Cell, Assistant Professor & Head, Department of Botany, KAHM Unity Women's college, Manjeri.

30/4/24

6. Dr. Poornima R. (Research Coordinator & Supervisor) Assistant Professor, Department of English, KAHM Unity Women's College, Manjeri

(M)

Proposed titles submitted by the candidates are the following:

Ms. Henna P. - The Print Revolution: Cheap Print Formats and their role in shaping Kerala's Feminist landscape (1970s - 1990s)

Ms. Sani Krishnan K. - Beyond Breaking Apart: Tribal Consciousness in a Dynamic Dialogue with Resistance, Appropriation & Empowerment.

Subject, Faculty & Guide, Co-guide (if any)

Subject: English

Faculty: Language and Literature

Guide:

Ms. Henna P. (Supervisor, Dr. Poornima R.)

Ms. Sani Krishnan K. (Supervisor) Dr. Poornima R.)

Proceedings (Including Decisions Taken)

The research proposal of Ms. Henna P. was approved by the RAC in the meeting held on 30th April 2024 with some modifications in the title. The Research proposal submitted by Ms. Sani Krishnan K. was not approved during the RAC meeting held on April 30, 2024 due to identified Conceptual, Structural and grammatical shortcomings. The candidate was asked to present the synopsis in

the next RAC after an extensive reworking of the proposal.

Approved Title

Ms. Henna P. - Cheap Print Culture and - Woman's Resistance: Mapping the Late 20th century Feminist Landscape in Kerala.

The decisions of the RAC regarding the Ph.D applications of the following candidates:

Ms. Henna P. - Resolved to approved the title and recommended for full-time Ph.D registration.

Ms. Sumi Krishnak. - Recommended for a resubmission in the next RAC meeting after an extensive reworking of the Synopsis.

The meeting concluded at 3:30 Pm

Research Club/ Research Forum of English

The Research Forum of the PG Department of English, established in 2023 following the recognition of the department as a Research Centre by the University of Calicut, serves as a pivotal platform for fostering academic research and collaboration. Previously known as the Research Club, it had been actively contributing to the department's academic environment for several years. The transition from a Research Club to a Research Forum marks an important step in aligning with the department's elevated status as a Research Centre, allowing for a broader scope of scholarly activities and initiatives.

In its earlier form as the Research Club, the department organized several key programs aimed at enhancing the academic and research skills of both undergraduate and postgraduate students. These included **Invited Talks** by academic experts, which provided students with the opportunity to engage with established scholars and stay updated on recent developments in English studies. The club also conducted **Dissertation Management Workshops** for MA English students and **Project Management Workshops** for UG students, offering practical guidance in conducting academic research, structuring projects, and managing time effectively.

One of the major initiatives of the Research Club was its collaboration with the Department of History, KAHM Unity Women's College, to organize an **Online Inter/National Interdisciplinary Lecture Series**. This series offered a platform for intellectual exchange across disciplines, emphasizing the interconnectedness of humanities research. Additionally, the club collaborated with the PG Department of English at EMEA College Kondotty to launch the **Dialogia Online Lecture Series**, further extending the academic discourse within and beyond the department.

Looking forward, the newly established Research Forum has ambitious plans to deepen the research culture within the department. Future activities will include Research Methodology Workshops, aimed at equipping young researchers with essential tools and techniques for conducting scholarly work. The forum also plans to host a Young Scholars' Conference, providing a space for emerging researchers to present their work, exchange ideas, and receive feedback. Another significant initiative will be the organization of a Research Scholars National Seminar, fostering scholarly exchange at a national level and enhancing the department's role in the broader academic community. With these initiatives, the Research Forum is poised to become a vibrant hub for research activities, supporting both students and scholars in their academic journeys and contributing to the advancement of knowledge in the field of English studies.

Research Forum, Department of Chemistry

The Research Forum of the Chemistry Department at KAHM Unity Women's College was introduced in 2023, with Dr. Shamseera K.O. serving as the coordinator. The forum is dedicated to fostering a vibrant research culture within the department, providing a platform for students and faculty to engage in meaningful research discussions, collaborations, and advancements in various scientific fields. The vision of the Research Forum is to promote interdisciplinary research, nurture young researchers, and contribute to the scientific community by addressing contemporary challenges in chemistry and related areas. The forum seeks to encourage faculty and students to pursue innovative research and present their findings at both national and international levels. As part of its launch, the Research Forum, in collaboration with the Postgraduate and Research Departments of English and Chemistry, organized an invited lecture on "Exploring the Research Experience" on 21st September 2023. The event featured Dr. P. K. Babu, Principal of Al Shifa College and Former HoD of the Department of English at KAHM Unity Women's College, Manjeri, as the resource person. Dr. Babu shared his experiences and insights into the research process, offering valuable advice to both budding and experienced researchers.

The Research Forum aims to:

- Establish research collaborations with leading institutions and industries.
- Organize workshops, seminars, and conferences to provide researchers with advanced skills and knowledge.
- Facilitate the publication of research papers in high-impact journals.
- Provide mentorship programs for students interested in pursuing research careers.
- Support innovative student research projects by offering funding and guidance.

The forum is committed to promoting a strong research ecosystem and helping the department make significant contributions to the academic and scientific communities.

Research Club, PG Department of Botany

Research Club Inauguration at P. G. Department of Botany, KAHM Unity Women's College, Manjeri was a momentous event, graced by the presence of Dr. Kishore Kumar K., Assistant Professor and Head, Department of Botany, Farook college, Kozhikode who delivered an insightful talk on the topic of 'Forest Research: Prospects and Limitations.' The event began with a warm welcome speech by Dr. Usman A., Head, Department of Botany followed by a presidential address by Principal Dr. Muhammad Basheer Ummathur. Dr.

Memorial Unity Women's
College, Manjeri

Kishore Kumar began his talk by underlining the critical importance of forest research in the contemporary world. He emphasized that forests play a pivotal role in addressing environmental challenges, maintaining biodiversity, and ensuring sustainable resource management. He discussed various avenues, such as conservation biology, forest ecology, and climate change mitigation, where research could make a significant impact. He also highlighted the potential for technological advancements to revolutionize data collection and analysis in forest research. First year, second year MSc Botany and final year BSc Botany students were attended the program. The program concluded with a vote of thanks delivered by Dr. Faseela P, Assistant Professor, and Department of Botany.
