Entrepreneurship Development Club (ED)

The ED club of the institution fosters entrepreneurial spirit among the students by providing a platform for collaboration and networking. It helps in the development of knowledge and skills. Various programmes like workshops, meet up with successful entrepreneurs, industry experts etc. encourage students to develop innovative and creative ideas. It provides access to networking opportunities, supports economic growth and job creation. It prepares students for real world challenges by increasing confidence and self-efficacy.

13. CHASE THE DREAM –INTERACTIVE SESSION WITH SUCCESSFUL ENTREPRENEUR

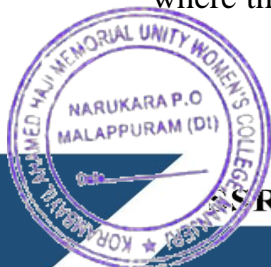

An interactive concourse was organised by the club on February 23 2021 in the college level, with a view of inspiring our young students to chase their dream with a renowned person, Hiba Ali Mubarak, Managing Director of Barak Enterprises, and Principal Dealer of Royal Enfield.

The theme of it was CHASE THE DREAM, where the resource person is a successful women entrepreneur, shared her journey to success, to young aspirants. She is, the road not taken, which is inspiring the most and is relevant to our present scenario.

The club was obliged to conduct the program through online platform due to the pandemic situation of covid-19, which made all our activities technically in our finger tips. And thereby the program is conducted through Google meet on 23 February at 11.30 am, which ended at 12.30 am. Nearly 80 participants were part of the program, which includes all the club members, and some students from different departments of the college and some teachers too.

The program started with the welcome speech by the club coordinator Ms.TK. Fathima Shajitha, Associate Professor of Commerce. She espoused the participants and acquainted them the guest for the session. Thereafter, by the small introduction by the guest, the participants moved with their questions and queries with the speaker, Hiba Ali Mubarak. She very clearly answered every questions very friendly and that made the session very interesting and effective. The session helped all to have a positive and energetic note that a women too can be a star in any field, if there is a will. She proved that if the men can do, then the women too can.

This interactive concourse ignited the inquisitiveness of participants. They have committed themselves completely to bring about a change in the current situation, where the world is open to all. The session culminated with a vote of thanks proposed

INNOVATION AND ENTREPRENEURSHIP DEVELOPMENT CENTRE (IEDC)

The Innovation and Entrepreneurship Development Centre (IEDC) at KAHM Unity Women's College is dedicated to cultivating a robust entrepreneurial ecosystem within the institution. By fostering innovation and entrepreneurial spirit among students and faculty, the IEDC aims to bridge the gap between academia and industry, enabling the development of entrepreneurial ideas into sustainable ventures. The center will act as a catalyst in nurturing a culture of entrepreneurship and innovation through various activities, workshops, and mentorship programs, preparing students for the challenges of the ever-evolving global economy.

IEDC will promote entrepreneurship as a viable career option by organizing skill development programs, hackathons, and entrepreneurship development programs. The IEDC will also facilitate interactions between successful entrepreneurs and students, providing valuable insights and hands-on experience in the entrepreneurial journey. Through these initiatives, the IEDC at KAHM Unity Women's College aims to empower students to transform their innovative ideas into successful start-ups

In alignment with the Kerala Start-up Mission, the IEDC will also extend its services to the wider community, encouraging collaboration with local schools, polytechnics, and neighbouring institutions. By building a vibrant entrepreneurial culture, the IEDC aspires to drive the socio-economic development of the region and contribute to the generation of wealth and employment.
