On August 23, 2024, as a part of National Space Day celebration, a quiz competition was conducted by Physics club to ignite curiosity and awareness about space exploration among students. The event, aimed at honoring India's achievements in space research, featured questions on various topics, including the history of ISRO, space missions, and general astronomy. Students from different departments participated enthusiastically, showcasing their knowledge and passion for space science. The competition not only provided a platform for young minds to learn and excel but also inspired them to contribute to the future of space exploration in India. Omniyah Ummer, Student Coordinator of Physics club was the quiz master. 16 teams participated in the competition. Ms.Fathima Sulthana P & Ms.Fathima Sana CK of IIIrd Sem B.Sc Mathematics won the first prize; Ms.Nada V & Ms.Nisreen T.K of Vth Sem B.Sc Chemistry won the second prize and Ms.Fathima Midha K & Ms.Nourin C.K of Vth Sem B.Sc Chemistry won the third prize.
