

CAREER GUIDANCE CELL

2022-23

ABOUT THE CELL

- ❑ The Career Guidance Cell at KAHM Unity Women's College aims to equip students with the necessary skills and knowledge to navigate their career paths.
- ❑ It offers a range of services including career counseling, workshops, placement drives, and guidance on higher education.
- ❑ The cell collaborates with industry experts and academic institutions to provide valuable insights and opportunities to students.
- ❑ It plays a crucial role in bridging the gap between academic learning and professional success.

OBJECTIVE AND SCOPE

- **Provide Career Counseling:** Offer career counseling to help students identify and pursue their career goals.
- **Enhance Employability:** Organize workshops, seminars, and training sessions to improve students' employability skills.
- **Facilitate Placement Opportunities:** Conduct placement drives and connect students with potential employers.
- **Support Higher Education Aspirations:** Guide students on higher education opportunities and entrance exam preparation.
- **Foster Industry-Academia Collaboration:** Establish partnerships with industry experts and institutions for internships, projects, and research opportunities.
- **Promote Skill Development:** Encourage participation in skill development programs to ensure students are well-prepared for the job market.

The programme is planned as a series of online classes based on the syllabus for competitive exams. Classes were provided for a select set of students, by experts in the field. This team will create e-content for peer coaching.

PUBLIC SERVICE CLUB MEMBERSHIP AND ONLINE CLASSES FOR KAS EXAM

KAHM Unity College is collaborating with KAS Mentor, Thiruvananthapuram to offer online coaching for PSC/SSC exams by being part of the Public Service Club Venture of the academy. Classes are provided through the Public Service Clubs App for final year UG and PG students of various programmes in the college. Fifty-two students from the college have become part of the club.

3. Providing the soft skills needed for future prospects.

- PASSWORD 2022-23
- RISE AND SHINE: A SESSION ON NEUROLINGUISTIC PROGRAMMING
- SHAPING YOUNG MINDS – SEMINAR OFFERED BY THE WORKABILITY & INDUSTRIAL TRAINING PROGRAM (WITP)

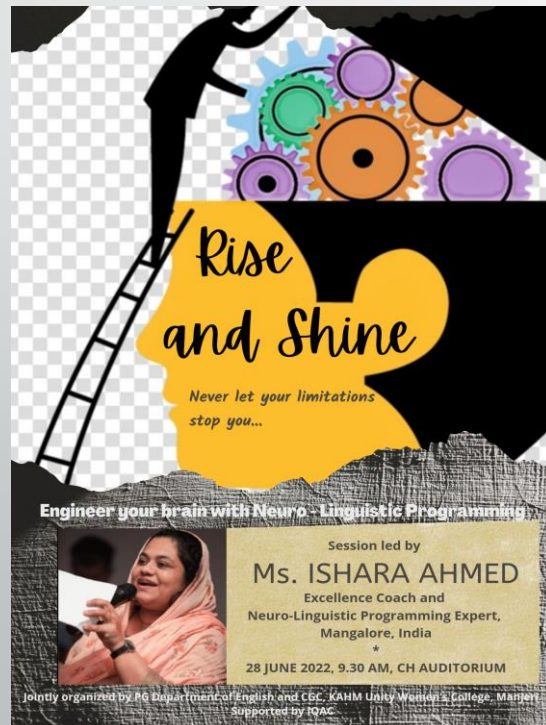

PASSWORD 2022-23 – 09 DECEMBER 2022

one-day Career Guidance camp sponsored by the Minority Welfare Department of Kerala State Government was conducted at KAHM Unity Women's College on 09 December 2022. The sessions on Career Guidance, motivation and goal setting were handled by Mr. Jamaludheen, Career Counselor, and sessions on time management and leadership by Adv. Anees P. K, Assistant Professor, Govt. Law College, Calicut. Selected hundred degree students belonging to the religious minority from the college participated in the camp.

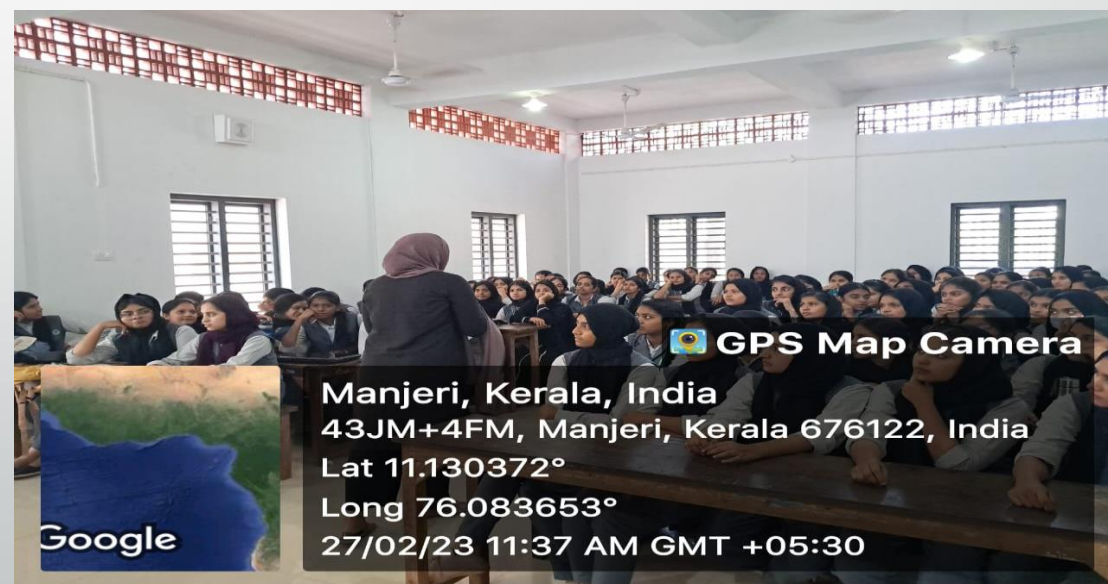

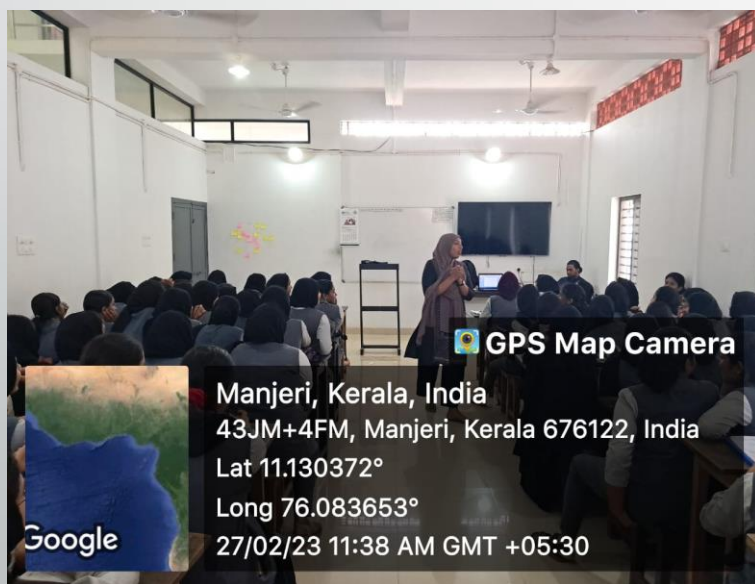

RISE AND SHINE: A SESSION ON NEUROLINGUISTIC PROGRAMMING -28 JUNE 2022

A personality development session titled "Rise and Shine" was offered by Ms. Ishara Ahmed, an Excellence Coach and Neuro Linguistic Programming expert from Manglore. By engaging the students in various self-reflective activities, she demonstrated a few relaxation techniques to overcome negative attributes like anger, fear, inhibitions and other hurdles that hinder and block one's path to progress.

SHAPING YOUNG MINDS – SEMINAR OFFERED BY THE WORKABILITY & INDUSTRIAL TRAINING PROGRAM (WITP) – 27 FEBRUARY 2023

The seminar titled “Shaping Young Minds” offered by WITP was attended by graduate students of the Commerce stream. Ms. Faheema T. P, trainer at WITP was the resource person. The seminar covered various areas like Developing a professional online presence and using LinkedIn for networking, navigating job search platforms and identifying relevant opportunities, Preparing for job interviews and improving interview skills and stressed on the Importance of internships, volunteering, and part-time jobs for skill development.

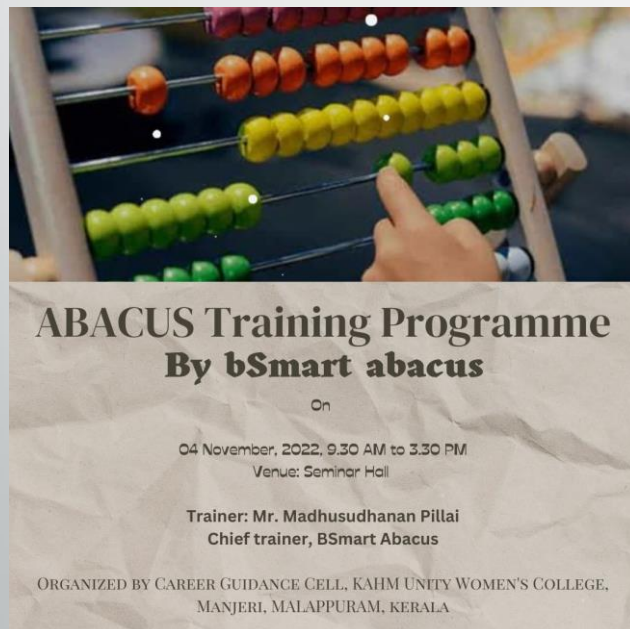

4. Providing Skill trainings to enable them earn while learning.

- **HANDS-ON ABACUS TRAINING - 04 NOVEMBER 2022**

HANDS-ON ABACUS TRAINING - 04 NOVEMBER 2022

A hands-on-training session on ABACUS was organized by CGC in collaboration with BSmart Abacus. The training was meant for improving the numerical skills and mental ability of the students and keep them focussed in any task they are involved in. The training can also help the students to perform well in competitive exams. The training programme is planned as a six level certificate course, and after the completion of the very first level the student will be able to work in collaboration with BSmart Abacus as a trainer, enabling them to earn while they learn.

THANK YOU...
