Education to Emancipation: Women's Journey to Self - Actualisation

Centre for Life Skill Development

K.A.H.M Unity Women's College officially launched the Centre for Life Skills Development on November 11, 2021. This effort seeks to provide students with vital life skills, empowering them to adeptly manage the intricacies of contemporary life with assurance and proficiency. The center was formally inaugurated by Mrs. Rasiya Bangalath, Circle Inspector of Manjeri, during a ceremony that highlighted the significance of this new initiative. The Centre is coordinated by Shihabul Haq, Assistant Professor in the Department of Computer Science. His leadership guarantees that the programs provided are pertinent and efficient in addressing the needs of our learning community. The emphasis on pragmatic, real-world competencies is fundamental to the Centre's philosophy.

Objectives:

- Enhancing Practical Life Skills:
 - The Centre seeks to foster self-sufficiency in students by imparting basic life skills.
 - Driving sessions for two wheelers and four wheelers.
 - The programs are tailored to address the practical needs of students, offering specialized training that is both applicable and pertinent.
1. **Skill training: driving training for students:** primary service of the Centre was its *Driving Classes*, conducted in association with the Indian Driving School, Manjeri. These sessions are meticulously crafted for our students, with the objective of fostering confidence and imparting practical driving abilities. This project not only grants our students increased independence and mobility but also augments their self-sufficiency.
