## **PLEDGE**

India is my country . All Indians are my brothers and sisters.  
I love my country and I am proud of its rich and varied heritage.  
I shall always strive to be worthy of it. I shall give respect to my  
parents, teachers and elders and treat everyone with courtesy.

To my country and my people, I pledge my devotion.  
In their well-being and prosperity alone, lies my happiness.

## COLLEGE PROFILE

KAHM Unity Women's College was established in 1991 and is run by Muslim Educational and Cultural Association (MECA), a registered society. Started as a First Grade Aided College affiliated to the University of Calicut, it is the first multi-disciplinary (Arts, Science & Commerce) women's college in Malappuram District. It has also the unique distinction of being the first institution of this kind run by the Muslim Community in Kerala. The institution aims mainly at the upliftment of women in general and the educationally backward Muslim women in particular, through quality education.

Situated 1.6 km off Manjeri-Calicut Road, at 'Koodakkara', the college currently runs 10 undergraduate programmes, 7 postgraduate programmes and two research programmes in a panoramic setting with enchanting greenery. The college has creditable academic as well as co-curricular accomplishments till date. Transportation facilities, hostel, physical fitness centre, indoor stadium, library with internet facilities, incubation centre and full-fledged IT labs make the college one of the most sought after in the district. The college is included in UGC 2(f) and 12(B) during 1998. The college is received minority status from National Commission for Minority Education Institution (NCMEI) on 2010. The college has been reaccredited in 2019 (third cycle) by the National Assessment and Accreditation Council (NAAC) with CGPA 2.77 at B++ Grade.

## PRINCIPAL'S MESSAGE

**Prof. (Dr.) Muhammed Basheer Ummathur**

Dear students,

It's that time of the year again when we see fresh faces blend with the unique learning ambience we try to offer at our esteemed institution established by veterans to empower and enlighten young girls. What we look forward to is the evolution and transformation of those who enter our gates to 'sheroes' of the world in their own unique ways.

Let's explore the multiple opportunities available in this green campus, grounded in the reality of every day lives and experiences to mould ourselves into the best version of ourselves.....

Let's redefine leadership and participate in the global attempts for peace and prosperity....

Wishing each one of our teaching and learning community a fruitful year brimming with enthusiasm and joyful experiences....

## FOUNDER PRESIDENT & MANAGER

**Jb. Korambayil Ahamed Haji**  
**(1930–2003)**

Korambayil Ahamed Haji, former Secretary of Kerala State Muslim League and the founder of Unity Women's College was known as a 'gentle man politician'. He was not only a politician, but also a lover of art, games, sports, football in particular, and literature, who represented Mankada and Kuttippuram constituencies in Kerala Assembly. A deputyspeaker once, he was later elected to Rajya Sabha. As a recognition of his services to the Mappila art & literature, he was awarded 'Kalaprathiba Rathnam'. It was during his tenure as chairman that the dream of Mahakavi Moyinkutty Vaidyar Smarakam materialized. Having a long association with Hidayathul Muslimeen Sabha, Manjeri, as general secretary, he was the president of Manjeri Central Mahallu. He was the secretary of Mampad College which was later handed over to MES. In 1991, his dream of founding an Arts & Science college for women in Manjeri was fulfilled when Unity Women's College was inaugurated by Syed Mohammed Ali Shihab Thangal at a function chaired by Dr. T. K. Raveendran, the then Vice-chancellor of Calicut University. He was the president of Muslim Educational and Cultural Association as well as the Manager of Unity Women's College. In recognition of his invaluable contributions to the college, the institution was later renamed in his honor. A memorial speech is held in each year on 18<sup>th</sup> December and celebrated as Foundation Day.

## **FOUNDER GENERAL SECRETARY**

**Jb. Hassan Mahmood Kurikkal**  
**(1950–2012)**

Jb. Hassan Mahmood Kurikkal was the founder General Secretary of Unity Women's College, who was then the President of Malappuram District Council. Born in the Kurikkal family of Manjeri, he had his UG education at Farook College and LLB from Aligarh Muslim University.

Opting legal practice in Manjeri, he later became a full-time politician, and eventually became the Municipal Chairman and also the first and last president of Malappuram District Council. Falling sick during his presidency, bedridden for about 15 years, his strong will and compassion kept him strong enough to be significantly involved in solving people's problems. His was the last word in Manjeri politics, especially in the coalition politics. He served Unity College as its first General Secretary for about two decades.

## PROGRAMMES OF STUDY

### (A) CHOICE BASED CREDIT SEMESTER SYSTEM (CBCSS)

The CBCSS system is a University Grants Commission initiative that enhances and promotes educational liberalization of traditional higher education models. As an internationally recognized system, CBCSS provides opportunities and avenues for learning core subjects while also exploring additional avenues of learning beyond core subjects for an individual's holistic development. It provides a learning platform in which the student or knowledge seeker can select a course from a list of elective, core and soft skill courses. CBCSS allows students to study at different times and at different institutions to complete a single course. Under this system, credits earned at one institution can be transferred. At University of Calicut, the system was first implemented in the 2009-10 academic year, and the Board of Studies revised the CBCSS UG Regulation in 2019 to make it applicable to all regular and SDE UG programmes. The system will be monitored in colleges affiliated with the University of Calicut by a College Level Monitoring Committee led by the Principal.

## **(B) FOUR YEAR UNDERGRADUATE PROGRAMME (FYUGP)**

The Calicut University Four Year Undergraduate Programme (CU-FYUGP), starting in 2024-25, is a transformative initiative in Kerala's higher education. Supported by the Academic Council and the Kerala State Higher Education Council, the programme combines lectures, tutorials, lab work and project-based learning to offer a comprehensive education. The curriculum includes single major, major with multiple disciplines, major with minor, major with vocational minor and double major pathways, emphasizing outcome-based education aligned with industry needs. The CUFYUGP committee will ensure quality control for each programme.

The structured credit system of FYUGP requires 133 credits for a three-year UG Degree, 177 credits for a four-year UG Degree (Honours) and 177 credits for a four year UG Degree (Honours with Research), with a focus on core, elective and internship courses, and optional or mandatory research projects. The curriculum encompasses General Foundation Courses, Discipline Specific Pathway Courses and Capstone Components fostering critical thinking, communication and interdisciplinary knowledge. The programme's flexibility and focus on holistic development prepare students for professional success.

## QUALITY ASSURANCE MECHANISMS

### ALL INDIA SURVEY OF HIGHER EDUCATION (AISHE)

To portray the status of higher education in the country, Ministry of Education has endeavoured to conduct an annual web-based AISHE since 2010-11. The survey covers all the institutions in the country engaged in imparting of higher education. Data is being collected on several parameters such as teachers, student enrolment, programmes, examination results, education finance and infrastructure. Indicators of educational development such as Institution Density, Gross Enrolment Ratio, Student-teacher ratio, Gender Parity Index and Per Student Expenditure will also be calculated from the data collected through AISHE. These are useful in making informed policy decisions and research for development of education sector.

### INTERNAL QUALITY ASSURANCE CELL (IQAC)

IQAC has been setup in the college as a post-accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC works towards realizing the goals of quality enhancement and sustenance. Further, it channelizes the efforts and measures of the institution

towards academic excellence.

IQAC acts as a nodal agency of the institution for coordinating quality related activities. It documents various programmes and activities leading to quality improvement and submits the Annual Quality Assurance Report (AQAR) to National Assessment and Accreditation Council (NAAC), Bangalore, every year.

### **NATIONAL INSTITUTIONAL OF RANKING FRAMEWORK (NIRF)**

NIRF provides a meticulously structured methodology for the comprehensive assessment and ranking of educational institutions on a national scale. In alignment with this endeavour, our college has established a committee tasked with implementing essential measures to secure our college's inclusion in the NIRF rankings.

### **KERALA INSTITUTIONAL OF RANKING FRAMEWORK (KIRF)**

KIRF is a set of metrics for the ranking of higher education institutions in the State and is based on the agreed parameters approved by the KSHEC.

### **RASHTRIYA UCHCHATTAR SHIKSHA ABHIYAN (RUSA)**

It is a holistic scheme of development for higher education in India initiated in 2013 by the Ministry of Human Resource Development (MHRD), Government of India. The central funding (in the ratio of 60:40

for general category States, 90:10 for special category states and 100% for union territories) would be norm based and outcome dependent. The funding would flow from the Central Ministry through the State Governments/Union Territories to the State Higher Education Councils before reaching the identified institutions. Our college has been selected under the RUSA 2.0 Scheme. A sum of Rs. 2 crores are being allotted for construction, renovation and purchase. The construction and renovation works are completed under Nirmiti Kendra, Malappuram.

## **ICT ENABLED ECOSYSTEM**

### **COLLEGE MANAGEMENT SYSTEM (CMS)**

CMS is a central data repository for organizing, analysing, storing and processing the data. It generates various reports and formats for supporting the functions of teaching, learning, evaluation, IQAC, office administration, etc. CMS was implemented successfully in the 2018-19 after a successful quality check. It is an online in-house customized software product, developed and maintained by the Postgraduate Department of Computer Science of our college. CMS is designed to monitor the performance of education programs offered by the college, to manage and support the administrative activities and to provide support to IQAC. CMS reduces the workload of teachers by providing quick access to data on any student or a group of students which can be drilled down, filtered, and arranged

accordingly within a few clicks. Additionally, it keeps track of the college transportation facility, examination management etc.

### **EMBASE: ENTERPRISE RESOURCE PLANNING (ERP)**

EMBASE is a cloud-based ERP is implemented as an efficient solution to maintain a sound balance of academic progress, student success and administrative affairs. Our modules work in sync to create a perfect balance. Improved teaching and learning with access to real time data and analytics tools such as configurable dashboards. Furthermore, we promise that it provides an excellent digital experience to the students.

### **LEARNING MANAGEMENT SYSTEM (LMS)**

LMS is a software application and web-based technology used to plan, implement and assess a specific learning process. LMS in our college provide instructors, a way to create and deliver content, monitor student participation and assess student performance. MOODLE LMS for online evaluation and tests is implemented in the college.

### **SMART CLASS ROOMS**

College has set up modern smart classrooms to make learning more interesting and effective. All the classrooms have smart TVs/ projectors, creating a technology-friendly space for students and teachers. The smart TVs and projectors help teachers explain lessons better by showing PPTs, videos and pictures, making classes more fun and easy to understand. These smart classrooms show the dedication of the institution to providing high-quality education using the latest technology to support learning in the best way possible.

## **INSTITUTIONAL DISTINCTIVENESS**

### **CENTRE FOR LIFE SKILL DEPARTMENT**

The centre provide students with vital life skills, empowering them to adeptly manage the intricacies of contemporary life with assurance and proficiency. The emphasis on pragmatic, real-world competencies is fundamental to the centre's philosophy. The main objectives are,

- Enhancing practical life skills.

- To foster self-sufficiency in students by imparting basic life skills.
- To provide driving sessions for two wheelers and four wheelers.
- To address the practical needs of students offering specialized training that is both applicable and pertinent.

The centre emphasizes the whole development of students by providing them with abilities that transcend the classroom. The centre equips students for all aspects of life, ensuring they are well-rounded and competent individuals prepared to confront future difficulties.

### **SEETHI SAHIB CHAIR FOR CULTURAL AND POLITICAL STUDIES**

Seethi Sahib Chair for Cultural and Political Studies, the first Chair in the institution, has been inaugurated by Jb. E.T. Muhammed Basheer M.P on 15<sup>th</sup> September 2022. The Chair aims to nurture politically aware and socially committed student community for brighter tomorrows. *Vision, Mission and Objectives:*

- To empower the stakeholders in order to respond proactively towards the socio-cultural and political issues of the society and the nation.
- To inculcate the skills and values of critical thinking among the students so as to contribute to the holistic development of the society.
- To conduct various events that contribute to the intercultural co- existence of societies and communities adding to the core values of the institution.
- To instil the democratic and secular values among the student community of parent institution as well as neighbouring institutions.
- To ensure platform for study and documentation of oral history, regional history and marginal cultures.
- To facilitate interactions with the renowned scholars, political activists and civil society groups with a view to strengthen the ideas and institutions of democracy.

### **SHARE AND CARE**

Share and Care was introduced as an innovative campus philanthropic project by the IQAC to make students and staff, empathizing and caring for the under privileged lives around. ***“Save ten rupee per month, save the lives around”*** is the motto of the programme. Faculty members have also been contributing their shares. The project is identified as one of the best practices of the college and has been continuing successfully. Different kinds of

welfare projects have been undertaken under the aegis of Share and Care with the leadership of IQAC.

### **SOLAR POWERED CAMPUS**

The college has installed a 45 kW on-grid solar power plant in the campus with the financial assistance of PTA. The panels are strategically positioned to maximize sunlight exposure and convert the generated electricity into a form compatible with the college's electrical system. The on-grid system allows the college to sell excess electricity back to KSEB and draw electricity from the grid when needed. The 45 kW capacity indicates the peak power output of the solar power plant. This initiative promotes renewable energy and contributes to a greener and more sustainable environment for the college.

### **UNITY ACADEMY FOR CIVIL SERVICES & OTHER COMPETITIVE EXAMINATIONS**

#### *Aim:*

The primary aim of Unity Academy is to provide comprehensive guidance and support to students in preparing for civil services and other competitive examinations. The academy strives to nurture talented individuals and empower them to succeed in their chosen careers.

#### *Objectives*

1. Provide equal opportunities for students from diverse backgrounds to prepare for competitive examinations.
2. Equip students with the necessary skills, knowledge, and attitude to excel in their chosen careers.
3. Develop critical thinking, problem-solving, and analytical skills in students.
4. Encourage and support women students to pursue careers in civil services and other competitive fields.
5. Help students build confidence, self-esteem, and a positive mindset to tackle competitive examinations.

#### *Outputs*

1. Improved success rate of students in civil services and other competitive examinations.
2. Students become more employable and competitive in the job market.

3. Women students become more confident and empowered to pursue careers in civil services and other competitive fields.
4. Contributes to the development of a more informed, educated, and skilled society.

### **WOMEN SKILL PARK**

Women Skill Park is an IQAC venture for employability enhancement aimed at increasing women's job potential and employability through linkages and collaboration apart from institutional initiatives by offering job-oriented certificate courses, skill training, skill empowerment sessions, leadership trainings, etc., to exclusively equip students, and women in the neighbourhood area. This is unique and distinctive practice of the institution rooted in the institutional vision and goal of women empowerment through 5 Es, such as education, employment, empowerment, entrepreneurship and emancipation. This has a further major objective of building of an egalitarian society through women empowerment and thereby adding to the gender parity through emancipated societies. It is conceptualised as a platform for upskilling women- students, alumnae, parents of students and other rural women of the locality/district.

### **STUDENT SUPPORT SCHEMES**

#### **ADDITIONAL SKILL ACQUISITION PROGRAMME (ASAP)**

ASAP K-Skill is a government initiative for Higher education institutions to promote employability skills among youth. Under identified skill areas multiple courses are offered, both online and offline, with specific number of hours and affordable fees. Students benefit by procuring a certificate accredited by renowned institutions/ bodies.

#### **ADVISORY SYSTEM**

Every class has a faculty advisor also designated as class tutor who will keep regular monitoring of the attendance, progress and conduct of students under him/her and will give necessary guidance. Students shall forward all applications to the Principal through the HoD and class tutor concerned. University Hall Tickets shall be attested by the class tutor. The progress report of the students will also be intimated to parents by the class tutor.

## UNITY IN DIVERSITY

### BIRD WATCHING

Students of our college are interestingly organized Bird watching in the surroundings of our college and nearby forests. It is a peaceful way to connect the students with nature and observe the bird biodiversity around us. This activity encourages students to spend time outdoors, develop patience, and practice mindfulness as they learn to observe birds' unique behaviours, habitats and songs. Also, bird watching is a relaxing activity and a fantastic way to connect with nature, learn about local wildlife, and sharpen their observation skills.

### ETHNOMEDICINAL GARDEN

The Ethnomedicinal Garden is dedicated to plant species that have been traditionally used by indigenous cultures and local communities for their medicinal properties. It plays a vital role in safeguarding and promoting the knowledge of medicinal plants with cultural, historical and therapeutic importance. The focused garden in our campus hosts approximately 50 plant species from various families, renowned for their medicinal benefits, such as *Vitex nigundo*, *Ocimum sanctum*, *Rauwolfia serpentina*, *Andrographis paniculata*, *Tinospora crispa*, *Piper longum*, *Cissus quadrangularis*, *Asparagus racemosus*, *Aristolochia indica*, *Solanum anguivi* and *Alpinia calcarata*. As a hands-on learning platform, it offers students in Botany, Pharmacology, and Ethnobotany and related fields the chance to observe, identify and study these plants, enhancing their understanding of plant characteristics, growth habits and traditional applications. In addition to supporting research in Botany and Pharmacology, the garden promotes the sustainable use of medicinal plants, contributing to conservation efforts and the preservation of indigenous knowledge in the campus.

### FERN HORTICULTURE

Fern Horticulture, managed by the Botany Department, focuses on the cultivation, study and conservation of various fern species. The garden features ferns (*Pteris*, *Asplenium*, *Nephrolepis*, *Adiantum*, *Dryopteris*, *Selaginella*, *Lygodium*, *Angiopteris*, *Blechnum*, *Equisetum*, *Azolla* etc.) from diverse habitats, including temperate, tropical and subtropical regions, showcasing their adaptability and ecological significance. The Department

incorporates fern horticulture as part of the curriculum, allowing students to gain hands-on experience in care, propagation and environmental requirements of ferns. This includes understanding the growing conditions of ferns as well as learning propagation techniques. In addition to being an educational resource, fern horticulture on campus also contributes to biodiversity conservation by preserving endangered fern species and enhancing the green cover of the campus. It provides students and visitors with the opportunity to appreciate the beauty and ecological role of ferns in ecosystems, supporting the broader goals of environmental awareness and sustainability.

## **HISTORY MUSEUM**

The Ernad History Museum is a treasure trove of cultural and historical significance. Inaugurated in 2014, the museum aims to preserve and showcase the region's rich heritage, promoting unity and cultural understanding.

The objectives of museum are:

- To showcase traditional knowledge and skills.
- To exhibit students' handmade replicas of historical monuments and artifacts.
- To showcase old tools and equipment's.
- To provide an interactive platform for learning and research.

Since its inception, the museum has welcomed numerous school students, researchers, and history enthusiasts. The museum boasts rare collections, including ancient coins, manuscripts, and agricultural tools. The exhibits also feature traditional clothing, jewellery, and utensils, offering a glimpse into the daily lives of our ancestors. Students' handmade items, such as replicas of historical monuments and artifacts, demonstrate their creativity and understanding of historical events. By preserving and showcasing the past, the History Museum inspires future generations to appreciate their cultural heritage and promote unity.

## **PISCICULTURE FACILITY**

This setup is introduced by the zoology club to practice fish farming and feeding, focusing on sustainable methods, environmental impacts and economic viability. This setup includes water quality assessment, disease control and encouraging business in the field of fish farming. Hands-on

trainings in local aquaculture systems are integrated to provide practical experience in managing fish farms.

### **POLLINATOR GARDEN/ BUTTERFLY RESERVE**

Pollinator Garden is a specially designed area in the campus that focuses on attracting and supporting pollinators, viz. butterflies, bees and other insects, by planting herbs, shrubs and trees with nectar-rich flowers. The major plants including *Zinnia peruviana*, *Tithonia diversifolia*, *Cosmos caudatus*, *Commelina bengalensis*, *Clerodendrum infortunatum* etc. flourish in the garden to attract the pollinators. The garden plays a crucial role in preserving biodiversity by providing a habitat and food source for pollinators, which are essential for the fertilization of many plants and the production of fruits and seeds. It raises awareness about the importance of pollinators in ecosystems and contribute to the conservation of declining species. Beyond, they serve as educational spaces for students and the community to learn about the vital role of pollinators in maintaining ecological balance and ensuring food security.

This initiative enhances biodiversity by promoting environmental education, and provide hands-on learning experiences to the students. The garden focuses on planting native nectar plants and host species that attract and boost local butterfly populations. Students can learn the life cycle of butterflies, their role in pollination, and the importance of conserving pollinator habitats.

### **RAIN WATER HARVESTING FACILITY**

College has implemented advanced rainwater harvesting facilities to promote water conservation and sustainability. The college has three rainwater harvesting tanks, constructed in 2011, 2017, and 2024, with capacities of 8,16,000 litres, 1,15,000 litres and 10,000,00 litres, respectively. Rainwater collected from rooftops is directed into recharge systems to replenish the groundwater table ensuring a steady water supply throughout the year. These systems reduce dependence on external water sources and support campus landscaping and eco-friendly initiatives. The initiative reflects the college's commitment to environmental conservation and responsible water management, ensuring sustainability and resource efficiency for future generations.

## **SKY WATCH**

Our college has a Sky Watch Facility located on the terrace of the library block, offering an elevated platform for stargazing and celestial observations. Equipped with a refracting telescope, the facility provides students and astronomy enthusiasts with an opportunity to explore the wonders of the night sky. This scientifically enriching space is ideal for observing planets, stars and other celestial phenomena. The platform is designed to provide a clear, unobstructed view of the sky, ensuring an immersive experience for users. Sky-watching sessions and workshops are also conducted to cultivate interest in astronomy among students and staff. The facility serves as a hub for scientific curiosity, making it a unique asset to our institution.

## **ZOOLOGY MUSEUM**

The Rosellin Franklin Zoology Museum is a specialized facility setup to the preservation and display of specimens from the animal kingdom, focusing on both Chordata and non-Chordata. The museum has an extensive collection of vertebrates like mammals and fish, and invertebrates such as arthropods, mollusks and cnidarians. The skeleton systems of some animals are also displayed to study the structure and function. Moreover, the museum inspires curiosity and education for students in terms of practical views. Also, the museum has a lot of specimens and their taxonomic descriptions to promote a deeper understanding of animal diversity, evolution and ecological roles, serving as an educational hub for students.

“ A Father gives his child nothing  
better than a good education”

-Prophet Mohammed-

---

“ Intelligence is the capacity to perceive  
the essential, the what is; and to awaken  
this capacity,in oneself and in others,  
is education ”

-Bhagavad Gita-

---

“ Don’t call it education unless  
It has taught you life’s true value”

-Bible-
