4. Basics of LinkedIn

KSWDC in association with Women Cell, KAHM Unity Women's College organized a hands-on training session on the basics of LinkedIn on 6th March, 2024, with Mr. Grisbin. K as the resource person. Catering to 120 PG students of all disciplines, the session helped students create their account, understanding the far-reaching possibilities of this platform. Students were made aware of the learning possibilities offered by LinkedIn along with tips to create effective posts towards building an impressive digital profile. Ms. Murshida of final MA English was awarded a free premium LinkedIn account as a token of appreciation for the first attempt made for connecting officially during the session.

The feedback reflected high degree of enthusiasm and hope from the audience. The session was presided over by the Principal and coordinated by Ms. M.K. Vineetha, Women Cell Coordinator.

5. Skills Savvy

Session

The Skill Savvy Session held at College auditorium on 09/02/2024 (Friday) aimed to equip college students with essential life skills to enhance their personal and academic development. The session was organized by Mrs. Muheena Thasneem KT, counselor of jeevani centre for students well-being, focused on providing practical tools and strategies for students to navigate various aspects of both college and personal life successfully. The session highlights were students interactions, sharing their experience and interesting activities, which included different skills under 3 areas, social skills, Thinking skills and emotional skills.

Nearly 180 students participated in the session. Feedback from participants indicated a positive response to the Skill Savvy Session, with many expressing appreciation for the practical nature of the workshop and its relevance to their college experience. Participants reported feeling more equipped to manage their emotions, communicate confidently, and approach challenges proactively. In conclusion, the Skill Savvy Session served as a valuable platform for college students to acquire essential life skills and foster personal development.

6. Mastering the Art of Connection: Elevating Communication Skills

On January 16 a session on elevating communication skill was done for BSc. Mathematics students in the college. The “Mastering the Art of Connection” session aimed to equip participants with the essential tools and techniques to enhance their communication skills. Through interactive exercises, role-playing scenarios, and insightful discussions, attendees learned how to effectively convey their thoughts, listen actively, and build strong rapport with others. The session emphasized the importance of non-verbal cues, active listening, and adapting communication styles to various contexts. Participants left with practical strategies to apply in both personal and professional settings, fostering better connections and more meaningful interactions. The session was handled by Jeevani counselor Mrs. Muheena Thasneem KT, almost 40 students participated in the session. Many attendees found the practical exercises to be highly beneficial, as they provided opportunities to apply newly acquired communication techniques in a safe environment.

Jeevani counsellor Mrs. Muheena Thasneem KT arranged a session for college students on February 2nd, 2024. The session was designed to offer college students practical insights into the application of psychology in their daily lives. The session aimed to empower students with actionable knowledge, fostering a deeper understanding of themselves and others while promoting personal growth and well-being. Through engaging discussions, real-life examples, and interactive activities, participants explored various psychological principles and how they can be utilized to enhance well-being, improve relationships, and navigate challenges effectively. From understanding cognitive biases to practicing mindfulness techniques, attendees gained valuable tools to promote personal growth and resilience in their everyday experiences. The session fostered a deeper appreciation for the relevance of psychology in shaping behaviors, thoughts, and emotions, empowering students to lead more fulfilling lives. Fifty students participated in the session.
