Mind Gym:training thoughts,Emotion &Growth

The Department of History, K.A.H.M. Unity Women's College (Autonomous), Manjeri, organized the programme "Mind Gym: Training Thoughts, Emotions & Growth" on 17 June 2026 at Aryabhata Hall. The session was led by Ms. Sreelakshmi Gangadharan, Jeevani Psychologist, who conducted interactive activities and discussions on positive thinking, emotional regulation, and developing a growth mindset.The programme was attended by second-year and final-year B.A. History students, who actively participated in the activities. Shabeermon M., Head of the Department of History, and Ms. Jaseena C., Assistant Professor of History, addressed the gathering and highlighted the importance of mental well-being and personal development. The programme concluded with a vote of thanks delivered by Fathima Dilsha, Class Leader of Final Year B.A. History.

National Reading Day

The Department of History, KAHM Unity Women's College (Autonomous), Manjeri, observed National Reading Day on 19 June 2026 with a book review programme titled "Reading Beyond Words." The programme witnessed enthusiastic participation from students and teachers. Mr. Shabeermon M., Assistant Professor of History, welcomed the gathering and highlighted the importance of cultivating reading habits among students. The main presentation was delivered by Ms. Fathima Noora K., Final Year B.A. History student, who presented a thoughtful review and shared her reflections on the selected books. Felicitations were offered by Ms. Jaseena C., Assistant Professor of History, and Dr. Saidalavi, Assistant Professor of Political Science, who emphasized the role of reading in intellectual and personal development. Ms. Afeefa Sulathana made insightful comments on the presentation and appreciated the efforts of the presenter. The programme concluded with a vote of thanks delivered by Ms. Shahana Sherin, Association Secretary.

Department of commerce (Co-operation)

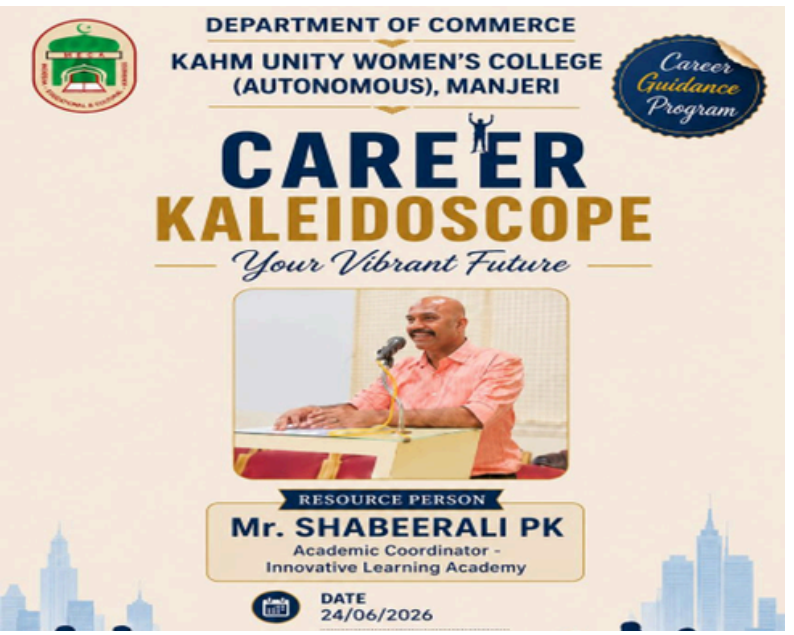

World Environment Day Photography Competition

The Department of Commerce, KAHM Unity Women's College (Autonomous), Manjeri, organized a Photography Competition on the occasion of World Environment Day 2026 with the theme "The Beauty of Campus." The competition encouraged students to capture the natural beauty of the college campus through photography.Ms. Fatima Henna (5th Semester B.Com Co-operation) won the First Prize, while Ms. Fathima Sana P. (5th Semester B.Sc Computer Science) secured the Second Prize. The event successfully promoted environmental awareness and creativity among students.The programme was coordinated by Mrs. Haseena Jasmine C. K., Assistant Professor of Commerce, andMs. SaniyaPuthusseri, 5th Semester B.Com Co-operation (Student Coordinator).

CAREER KALEIDOSCOPE - Your Vibrant Future

The Department of Commerce at KAHM Unity Women's College (Autonomous), Manjeri, successfully conducted a comprehensive Career Guidance Program on June 24, 2026, at 2:30 PM. The engaging session was led by the esteemed resource person, Mr. Shabeerali PK, Academic Coordinator at Innovative Learning Academy. The seamless execution of the event was driven by the dedicated organizational efforts of the Faculty Coordinator, Mr. Yaser Yaseen P, and the Student Coordinator, Ms. Saniya Puthusseri, who worked together to ensure an enriching and structured experience for the participating students.During the program, Mr. Shabeerali PK provided valuable direction by discussing a multitude of academic and professional pathways. He detailed various higher education courses offered at premier institutions, specifically highlighting competitive opportunities at IIM Kozhikode and Aligarh Muslim University. Additionally, the session shed light on securing government sector employment, offering targeted guidance on preparing for examinations such as the SSC CHSL. The comprehensive discussion successfully equipped the students with the practical knowledge and clarity needed to make informed decisions regarding their future careers.

Department of Botany

World Environment Day Celebration and MoU Signing Ceremony

The P.G. and Research Department of Botany, in association with the Bhoomithrasena Club, Biodiversity Club, and Nature Club of Korambayil Ahamed Haji Memorial Unity Women's College (Autonomous), organized the World Environment Day Celebration and MoU Signing Ceremony on 5 June 2026 at the Botany Lab. The programme was conducted to commemorate World Environment Day and to promote environmental awareness among students and the academic community. The event was inspired by the World Environment Day theme, “Inspired by Nature: For Climate, For Our Future.”The programme began with a warm welcome to the gathering. Dr. Faseela P presented a brief outline of the programme and highlighted the significance of the day's activities. Dr. Usman A, Head of the Department of Botany, addressed the audience and spoke about the importance of World Environment Day, emphasizing the need for environmental conservation, sustainable living, and collective action to protect biodiversity and natural resources for future generations.A special highlight of the celebration was the presence of Mr. Narayanan, OISCA International Club Member, who brought a Nagalingam (Couroupita guianensis) sapling and gifted it to the Department on this meaningful occasion. He shared his personal experiences and lifelong association with trees and plants, inspiring students to develop a deeper appreciation for nature and environmental stewardship. His heartfelt message reinforced the importance of nurturing and protecting the green wealth around us.The keynote session titled “Double Trouble for Nature: Climate Change and Biological Invasions” was delivered by Mr. Aleem Yoosuf N, Senior Research Fellow, KSCSTE-MBGIPS, Kozhikode, WWF India ECHO Fellow Champion ’26, and Founder of ELATHAND and the NeophyteID App. Through an informative and engaging presentation, he explained how climate change and biological invasions interact to create severe challenges for ecosystems and biodiversity. The session was highly appreciated by the participants for its relevance, scientific insights, and interactive discussions. Students gained valuable knowledge about contemporary environmental issues and the importance of research-based conservation efforts.An important milestone of the programme was the Memorandum of Understanding (MoU) Signing Ceremony between the Department of Botany and the Tropical Biodiversity Action and Research Center (TBARC). The collaboration aims to strengthen academic, research, and extension activities related to biodiversity conservation, ecological studies, and environmental education. The MoU is expected to create new opportunities for student engagement, research collaborations, and capacity-building initiatives in the field of biodiversity and conservation.The programme witnessed enthusiastic participation from students of both Undergraduate and Postgraduate programmes, faculty members, and invited guests. Their active involvement contributed greatly to the success of the event and reflected the institution's commitment to environmental awareness and sustainable development.The programme concluded with a vote of thanks by Mr. Ajmal Rasak, Programme Coordinator, who expressed sincere gratitude to the resource person, guests, faculty members, students, and all those who contributed to the successful conduct of the programme.

Experiential visit to Indian Institute of Spices Research (ICAR-IISR), Calicut and Kadalundi Bird Sanctuary,

On 12th June 2026, Postgraduate students from the PG Department of Botany organized an experiential visit to Indian Institute of Spices Research (ICAR-IISR), Calicut, Kerala. The objective of the visit was to gain insights into research activities, innovations in spice cultivation and processing, and their contribution to the spice industry. The institute plays a crucial role in advancing research and development (R&D) initiatives aimed at improving the productivity, quality and sustainability of spice crops. The Director of the institute provide an overview on the importance of cultivation, breeding and disease management practices of spices, and highlighted the role of spices in the Indian economy and global market. students visited the laboratories of Molecular Biology, Plant Pathology, and Biotechnology. The visit provided an excellent opportunity to understand modern laboratory techniques, sophisticated instruments, and ongoing research activities in different areas of plant sciences. The programme was coordinated by Ms. Sudheesha K. (Assistant Professor Adhoc), Dr. Faseela P.,(Assistant Professor) and Mr. Ajmal Razak. (Assistant Professor Adhoc). As part of the study tour, the M.Sc. Botany students also visited the Kadalundi Bird Sanctuary, an ecologically significant wetland ecosystem renowned for its rich biodiversity. The sanctuary provided students with an opportunity to observe the natural habitat of migratory and resident birds while understanding the ecological importance of coastal ecosystems.During the visit, the students observed various mangrove species growing along the estuarine region. The faculty explained the role of mangroves in protecting coastlines from erosion, stabilizing sediments, supporting biodiversity, and serving as breeding grounds for fish, crustaceans, and numerous bird species. Students also learned about the unique adaptations of mangroves, such as pneumatophores (breathing roots), salt tolerance, and vivipary, which enable them to survive in saline and waterlogged environments.

Department of English

The Resilient Graduate - Thriving in an Ever-changing World

An orientation programme on “The Resilient Graduate - Thriving in an Ever-changing World” was organised by the IQAC for the fifth-semester undergraduate and fourth semester postgraduate students. The programme was held in the college auditorium on 2nd June 2026 at 1:40 p.m. The session was led by Ms. M. K. Vineetha, Assistant Professor, PG and Research Department of English & Dean of Students' Welfare, K.A.H.M Unity Women’s College (Autonomous), Manjeri, as part of a graduation readiness initiative. The program was inaugurated by the Principal, Prof. (Dr.) Muhammed Basheer Ummathur, and the welcome address was delivered by Dr. N. V. Fatimathu Zuhara, IQAC Coordinator. Ms. M.K. Vineetha conducted an engaging and interactive session, encouraging students to develop resilience and prepare for life beyond academics, and her insights helped students gain a clearer perspective on future challenges and opportunities. Ms. Reena C. M., Assistant Professor, Department of English, further enriched the session by sharing her real-life experiences, which added depth and inspiration.

Creative Team of Movie - I, Nobody and the Story telling Programme - Event of Film Club in collaboration with the PG and Research Department of English

On July 8, 2026, the creative team behind the movie "I Nobody” visited the college campus to host an engaging storytelling programme under the aegis of Film Club, just a day ahead of the film's official release on July 9. The event saw enthusiastic participation from the campus community, including faculty members Dr. Sidhique and Ms. Reena, alongside students from various academic departments. The interactive session provided a vibrant platform for creative expression, building immense excitement among students and staff right before the movie hit theatres.

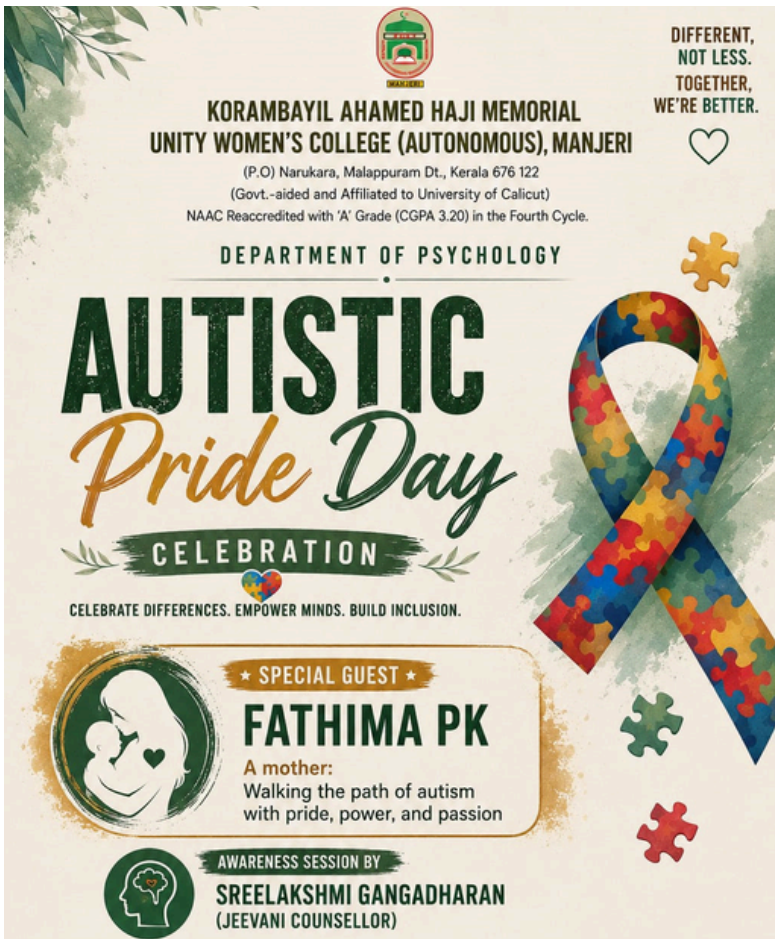

Department of Psycology

Autistic Pride Day

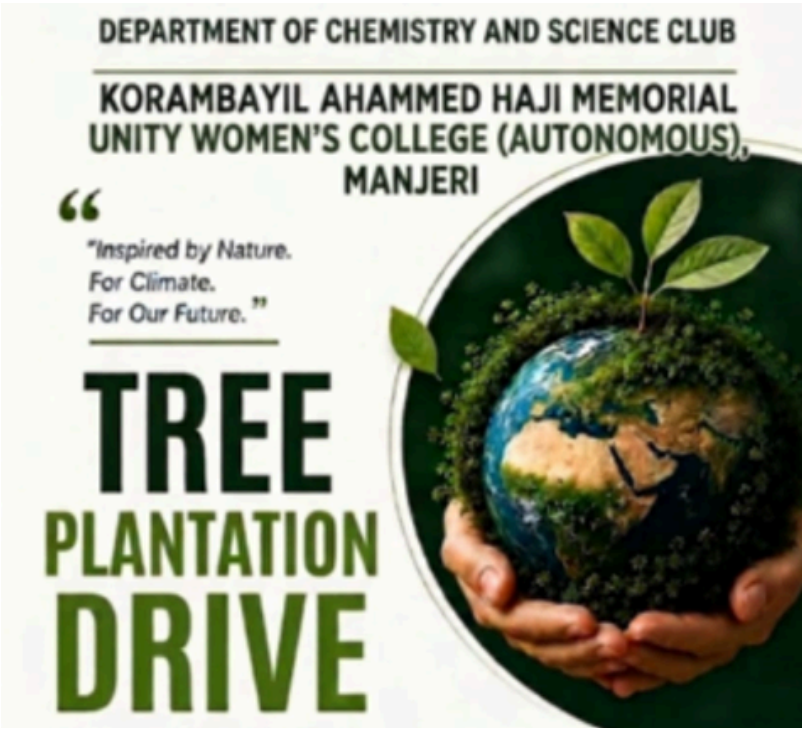

Department of Chemistry

World Environment Day – Tree Plantation Drive

In celebration of World Environment Day 2026, the Department of Chemistry at KAHM Unity Women's College, Manjeri, organized a Tree Plantation Drive on June 5th at 10:00 AM. Inaugurated by Dr. Jyothi P., Head of the Department, the event aimed to promote environmental awareness and green campus initiatives. Students and faculty actively participated by planting saplings, reinforcing the college's eco-sustainability goals. The initiative fostered eco-conscious values and emphasized that collective efforts can significantly contribute to environmental preservation.

Digital Poster Making Competition

The Department of Chemistry observed World Environment Day 2026 on 5 June 2026 with the theme "Design for a Greener Tomorrow." As part of the observance, a Digital Poster Making Competition was conducted to promote environmental awareness and sustainability. Hiba Cheriyil secured the first prize, followed by Fathima Hasna P and Rinsila Rinu M N. Special mentions were awarded to Fida Sharafin V and Fasna P K. The programme successfully encouraged students to express their commitment to environmental conservation through creative ideas.

Department of Commerce (CA)

Voice Against Child Labour

Venue A301 came alive with powerful student voices on June 12, 2026, at 9:40 AM as the PG Department of Commerce organized an elocution competition centered on the theme "Let Children Be Children" in observance of the World Day Against Child Labour. The event aimed to sharpen students' public speaking skills while shining a spotlight on the global fight to eliminate child exploitation and safeguard fundamental youth rights. Participants took to the podium to deliver passionate, well-structured arguments, diving deep into the socio-economic impact of child labour and making a strong case for universal access to education. The entire program was seamlessly executed under the dedicated leadership of Faculty Coordinator Ms. Shiyana EK (Assistant Professor, Adhoc) and Student Coordinator Fathima Rinsha K (Fifth Semester B.Com CA.

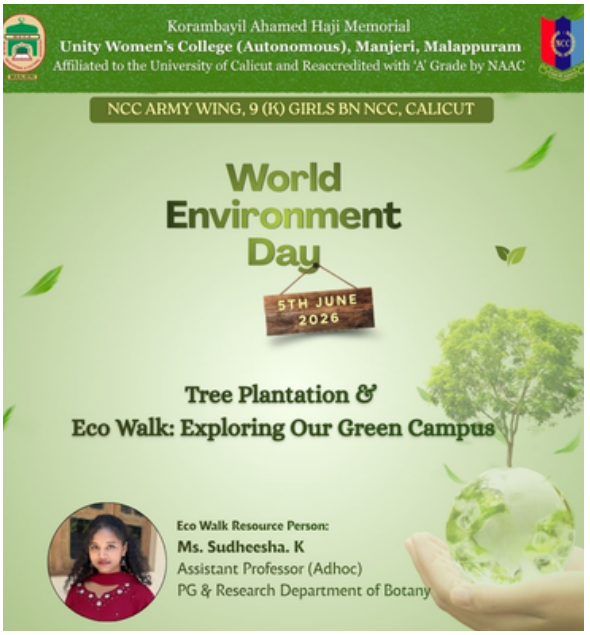

TaxWise: GST Quiz Contest

As part of the GST Day Celebrations, the PG Department of Commerce, KAHM Unity Women's College (Autonomous), Manjeri, organized "TaxWise: GST Quiz Contest" on 1 July 2026. The programme aimed to create awareness among students about the Goods and Services Tax (GST) and its importance in the Indian taxation system.The competition witnessed enthusiastic participation from students, with six teams, each consisting of three members.The team comprising Pranava PG, Hanna, and Thasi of 5th Semester B.Com Computer Applications (CA) secured the first position. The event successfully promoted learning, teamwork, and healthy competition among students, making the GST Day celebration meaningful and memorable.

NCC

World Environmental Day – Tree Plantation & Eco Walk

The NCC Army Wing observed World Environment Day on 5th June 2026 with the aim of creating environmental awareness among cadets and encouraging them to actively participate in nature conservation. Lt. Loosiya. KP, Associate NCC Officer, welcomed the gathering. As part of the observance, Principal Prof. (Dr.) Muhammed Basheer Ummathur planted a mango sapling near the college hostel and addressed the cadets, emphasizing the importance of environmental protection, conservation of natural resources, and sustainable living for a greener future. An Eco Walk, "Exploring Our Green Campus," was organized within the campus to familiarize cadets with the rich plant diversity and the importance of preserving a green and healthy environment.The Eco Walk was guided by Ms. Sudheesha. K, Assistant Professor (Adhoc), PG and Research Department of Botany, who introduced the participants to various plant species present on the campus and explained their scientific classification, medicinal uses, ecological significance, and unique characteristics. She also highlighted the role of plants in maintaining biodiversity and ecological balance. A total of 21 NCC cadets participated in the Eco Walk. In addition, 67 second- and third-year NCC cadets planted trees in their home surroundings, demonstrating their commitment to environmental conservation and sustainable living. The activities enhanced the cadets' understanding of biodiversity, environmental sustainability, and the importance of protecting nature for future generations. The programme concluded with a vote of thanks delivered by LCPL Sreeneha, V Semester BSc Mathematics.

Dialysis Kit Packing

As part of the Hastham Palliative Care Project by Manjeri Municipality, six NCC cadets of KAHM Unity Women's College, Manjeri actively participated in the dialysis kit-packing activity held at the Hastham Office, Manjeri Municipality, on 16th June 2026. The aim of the programme was to support patients undergoing dialysis by preparing essential dialysis kits under the Hastham Palliative Care Project. The objectives were to familiarise NCC cadets with palliative care services, to develop empathy and social responsibility among students, and to encourage active participation in community-based healthcare support. Mr. Shafeeq, Counsellor from Government Medical College, delivered a brief explanation about the project and its significance in patient care. The participating cadets were), CDT Ayshathul Ish P (3rd Sem BSc Computer Science), CDT Fathima MK (3rd Sem BSc Computer Science) CDT Fathima Riya P (3rd Sem BSc Mathematics), CDT Fiza Rafiq T (3rd Sem BSc Chemistry), CDT Shebila Sherin MK (3rd Sem BSc Chemistry) and CDT Fathima Sana OK (3rd Sem BSc Mathematics). The outcome of the programme was the successful preparation of dialysis kits for distribution to patients, along with increased awareness among cadets about the importance of palliative care services and community health support.

International Yoga Day

As part of the observance of the International Day of Yoga, the NCC Army Wing of KAHM Unity Women's College (Autonomous), Manjeri, under 9 (K) Girls Battalion NCC, Calicut, organized a yoga session on 21 June 2026 at 7:30 am in the CH Auditorium. The programme aimed to promote physical fitness, mental well-being, and healthy lifestyle practices among NCC cadets while emphasizing the importance of yoga in supporting healthy ageing.The session was led by Mr. Hamraz Ahamed. M, Assistant Professor and Head of the Department of Physical Education, who demonstrated various yoga postures and breathing exercises. He explained the significance and health benefits of each practice, highlighting how regular yoga improves flexibility, strength, balance, concentration, and stress management, thereby contributing to overall well-being and healthy ageing. A total of 65 NCC cadets actively participated in the programme. The session was coordinated by Lt. Loosiya KP (Associate NCC Officer) and L/CPL Rishva K (5th Semester BA History).The programme successfully enhanced awareness among cadets about the importance of yoga in maintaining physical and mental health and encouraged them to adopt yoga as a regular practice for leading a healthy and balanced life.

International Day Against Drug Abuse And Illicit Trafficking – Awareness Video & Skit

As part of the observance of the International Day Against Drug Abuse and Illicit Trafficking, the NCC Army Wing of KAHM Unity Women's College (Autonomous), Manjeri, organized an Awareness Video and Skit on 29 June 2026 with the aim of promoting a drug-free lifestyle and creating awareness about the harmful effects of drug abuse. The NCC cadets prepared an awareness video on the theme "Break the Chain, Not Your Life – Say No to Drugs," highlighting the physical, mental, and social consequences of substance abuse while encouraging young people to make healthy and responsible life choices.An awareness skit on the theme "Say No to Drugs, Say Yes to Life" was performed in front of the Administrative Block by the Second Year NCC Cadets. The performance effectively conveyed the importance of resisting drug abuse and choosing a healthy future. A total of 28 NCC cadets participated in the programme. A total of 28 NCC cadets participated in the programme, which was coordinated by Lt. Loosiya. KP, Associate NCC Officer, and L/CPL Sreeneha. M (V Semester BSc Mathematics). The programme successfully inspired students to become advocates of a drug-free society and reinforced the message of leading a healthy and responsible life.

NSS

World Environment Day Celebration 2026

The National Service Scheme (NSS) Units and Bhoomithra Sena Club of KAHM Unity Women's College, Manjeri, in association with ESAF Bank, Manjeri, celebrated World Environment Day on 5th June 2026 by organizing a Fruit Tree Plantation Drive in the college premises. The programme aimed to promote environmental conservation and encourage sustainable practices among students and the community. Various fruit plant saplings, .The programme was inaugurated by the College Principal, Prof. Muhammed Basheer Ummathur, who planted a Rambutan sapling as a symbol of the institution's commitment to environmental protection. Ms. Aparna R. Nair, Bank Manager and staff members of ESAF Bank, Manjeri, also participated in the plantation drive by planting fruit tree saplings. Their active involvement highlighted the importance of collective efforts in preserving nature and creating a greener future.

As part of the celebration, Prof. Muhammed Basheer Ummathur delivered an environmental awareness session, emphasizing the significance of protecting natural resources, conserving biodiversity, and adopting eco-friendly lifestyles. He encouraged students to become responsible environmental stewards and contribute towards building a sustainable society through small but meaningful actions. The programme was coordinated by NSS Programme Officers Dr. Haris U. and Dr. Faseela P., with the enthusiastic participation of NSS volunteers, Bhoomithra Sena Club members, faculty members, and students.

Disaster Management - Awareness Session

The National Service Scheme (NSS) Units 8 & 171, KAHM Unity Women's College (Autonomous), Manjeri, in association with the National Disaster Response Force (NDRF), 04 Battalion, Arakkonam, successfully organized a Disaster Management Awareness Programme on 24 June 2026 at 10:00 AM in the College Auditorium. The programme was conducted to create awareness among students about disaster preparedness, emergency response, first aid, and life-saving rescue techniques.The programme was inaugurated by Dr. Jyothy P, Associate Professor and Head, Department of Chemistry and Principle in charge.who highlighted the importance of disaster preparedness and encouraged students to actively participate in awareness and rescue initiatives. The gathering was welcomed by Dr. Haris.U sir , NSS Programme Officer and Assistant Professor, Department of Computer Science, who emphasized the vital role of NSS volunteers in serving society during times of crisis.The technical session was led by Inspector Sijith of the National Disaster Response Force (NDRF), along with a dedicated team of expert NDRF trainers. Inspector Sijith Sir delivered an informative session on various natural and man-made disasters, emphasizing disaster preparedness, risk reduction, teamwork, and the responsibilities of citizens during emergencies. His practical insights and real-life experiences made the session highly engaging and inspiring.The NDRF trainers conducted several practical demonstrations that enabled students to understand essential rescue and emergency response techniques. A major highlight of the programme was the demonstration of Infant CPR (Cardiopulmonary Resuscitation) and Adult CPR, where participants learned the correct procedures to provide immediate life-saving assistance during cardiac or breathing emergencies.The trainers also demonstrated the effective use of rescue ropes and rescue tubes during floods and other water-related disasters. Students learned rope handling techniques, rescue methods, and the proper use of emergency equipment for safely evacuating victims from dangerous situations. The hands-on training sessions allowed participants to actively practice the techniques under the guidance of the NDRF team. The programme further covered disaster preparedness, emergency response, first aid awareness, and community safety measures, equipping students with the confidence and knowledge to respond effectively during emergencies.The programme concluded with heartfelt appreciation for Inspector Sijith Sir and the entire NDRF training team for their valuable guidance and practical demonstrations. Gratitude was also extended to Dr. Jyothis, Dr. Haris Ummath, the college management, faculty members, and all the participants for making the programme a grand success. The awareness programme truly reflected its inspiring motto: "Prepared Today, Protected Tomorrow."

Quiz Competition in observance of World Vitiligo Day

The National Service Scheme (NSS) Units 008 & 171 of KAHM Unity Women's College (Autonomous), Manjeri, organized a Quiz Competition in observance of World Vitiligo Day on 25 June 2026 at 1:40 PM in the Wisdom Circle. The programme was conducted with the objective of creating awareness about vitiligo, promoting acceptance, and encouraging students to understand the importance of inclusion, equality, and respect for individuals living with the condition. Students from various departments enthusiastically participated in the competition, displaying commendable knowledge and active involvement throughout the event.The competition concluded with the announcement of the winners, where Najiya from the Department of History secured the First Prize. The Second Prize was jointly awarded to Nafila (Department of FCS), Jumana (Department of Chemistry), Hiba (Department of History), Fasna (Department of History), and Minha (Department of History). The programme concluded with the distribution of prizes and a vote of thanks. The event successfully reinforced the message of awareness, acceptance, and empowerment, inspiring students to foster a more inclusive and compassionate society.

Dental Health Care Camp and Dental Exhibition

A Dental Health Care Camp and Dental Exhibition was successfully organized on 29 June 2026 at the College Auditorium by the National Service Scheme (NSS) Units 008 & 171 of K.A.H.M. Unity Women's College, Manjeri, in collaboration with MES Dental College, Perinthalmanna. The programme aimed to promote awareness about oral health, encourage preventive dental care, and provide students with valuable knowledge on maintaining good dental hygiene.The programme commenced with a welcome address by Dr. Haris U., NSS Programme Officer, who also delivered the presidential address, emphasizing the importance of maintaining good oral hygiene for overall health and well-being. The programme was formally inaugurated by Prof. (Dr.) Basheer Ummathur, Principal, who highlighted the significance of organizing health awareness initiatives to foster healthy lifestyles among students.An informative Medical Issues Awareness Class was conducted by Mr. Fasil V. Hassan, who explained common health issues and their preventive measures. This was followed by a Dental Care Awareness Class handled by Dr. Amnath V. and Dr. Fathima Nidha C., who discussed proper oral hygiene practices, common dental diseases, methods of prevention, and the importance of regular dental check-ups. An engaging Dental Exhibition was coordinated by Dr. Shafna Sebin P. N., featuring dental models, instruments, and informative charts that provided participants with practical insights into oral health and dental care.As part of the programme, a free dental health check-up camp was conducted for students, teaching faculty, and non-teaching staff, enabling them to receive professional dental examinations and personalized oral health advice. More than 200 participants, including students, teaching faculty, and non-teaching staff, actively took part in the awareness sessions, exhibition, and dental screening, making the programme highly informative and beneficial. The programme concluded with a vote of thanks by Dr. Faseela P., NSS Programme Officer, who expressed sincere gratitude to the resource persons, the management and staff of MES Dental College, the college administration, volunteers, and all participants for their wholehearted support. The Dental Health Care Camp and Dental Exhibition successfully achieved its objective of creating awareness about oral health and motivating the college community to adopt healthy dental care practices.

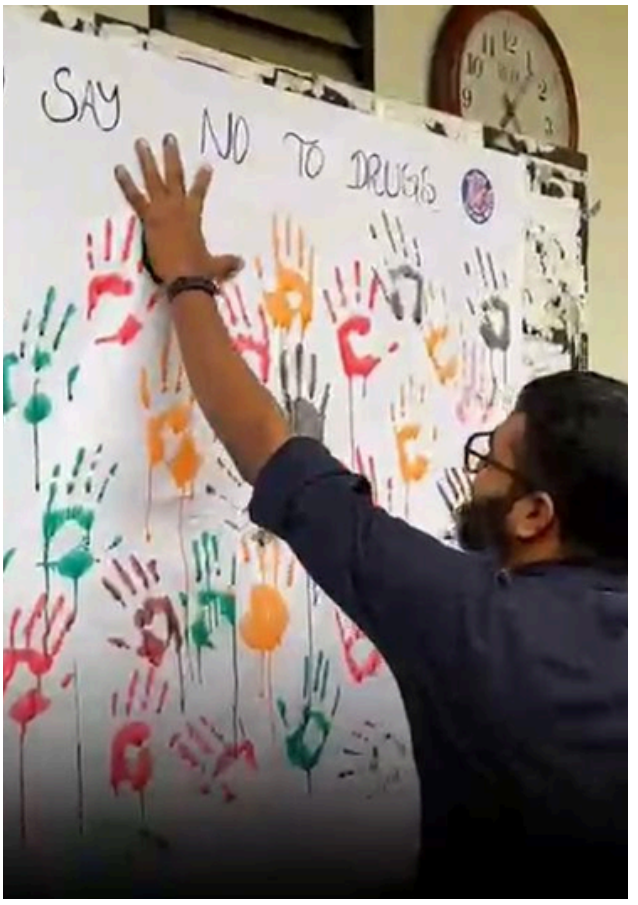

Nasha Mukt Bharat Abhiyan Campaign - Anti-Drug and Anti-Alcohol Awareness

Nasha Mukt Bharat Abhiyan Campaign was conducted on 30th June 2026 as Anti-Drug and Anti-Alcohol Awareness Day by the National Service Scheme (NSS) Units 008 & 171 of K.A.H.M. Unity Women's College (Autonomous), Manjeri. The programme was organized in association with in association with the District Social Justice Office and District Administration, Malappuram and District Legal Services Authority (DLSA), Manjeri, with the objective of creating awareness among students about the harmful effects of substance abuse and motivating them to lead healthy, responsible, and drug-free lives. The awareness programme commenced at 10.30 a.m. in the College Auditorium.The highlight of the programme was an awareness session led by Mr. Shijesh P., District Coordinator, Vimukthi Mission, who sensitized students to the growing threat of drug abuse among youth. He discussed the major causes of addiction, including peer pressure, curiosity, emotional distress, stress, and social influences, and explained the dangers associated with narcotic drugs, alcohol, tobacco, psychotropic substances, synthetic drugs, and the misuse of prescription medicines. The session provided valuable insights into the devastating physical, psychological, and social consequences of addiction, emphasizing its impact on health, academic performance, family relationships, and society as a whole. A legal awareness session also familiarized students with the provisions of the Narcotic Drugs and Psychotropic Substances (NDPS) Act, highlighting the legal consequences of drug possession, consumption, and trafficking, followed by an interactive discussion on addiction prevention, counselling, rehabilitation, and government support services.As part of the campaign, all participants—including students, faculty members, non-teaching staff, and NSS volunteers—collectively took the Anti-Drug and Anti-Alcohol Pledge, reaffirming their commitment to promoting a drug-free society. To reinforce the awareness messages, an Anti-Drug and Anti-Alcohol Quiz Competition and a Digital Poster Making Competition were organized, encouraging students to creatively express anti-drug messages and deepen their understanding of substance abuse prevention.The campaign concluded with an Anti-Drug and Anti-Alcohol Rally through the college campus and nearby localities, where NSS volunteers carried banners, placards, and awareness slogans promoting healthy living and rejecting substance abuse. This was followed by the Unity Hands Programme, symbolizing collective responsibility and solidarity in building an addiction-free society through colourful handprints created by the participants.
