Ozone day celebration 2024
Poster making competition

On **October 3, 2024**, the Department of Chemistry at KAHM Unity Women's College, Manjeri, organized a **Poster Making Competition** as part of the Ozone Day celebration. All students from the Chemistry department enthusiastically participated in the event, which aimed to raise awareness about the significance of protecting the ozone layer.

The event was coordinated by **Mrs. Suhada K. M.**, a faculty member of the Chemistry department, who ensured smooth execution. The competition started at **2:45 PM** and concluded at **3:40 PM**.

The posters created by the students were evaluated by the Head of the Department, **Dr. Jyothi P.**, who praised the creativity and thoughtfulness of the participants in conveying important environmental messages through their artwork.

The event highlighted the students' commitment to environmental conservation and the importance of understanding the role of the ozone layer in protecting life on Earth. The celebration was a resounding success, showcasing the department's dedication to promoting environmental awareness among its students.
