Department of Botany

Mushroom Culture Workshop

The PG Department of Botany, KAHM Unity Women's College, Manjeri, organized a workshop titled "Mushroom Culture: Mycelium Mastery - Turning Spores into Bountiful Harvests" on 10th December 2024. Coordinated by Ms. Shifa M. and student coordinator Ms. Daliya T.P., the event provided practical knowledge on mushroom cultivation techniques and their economic potential. The workshop highlighted the importance of mushrooms as a sustainable food source and a viable business or home venture for students. Participants gained insights into substrate preparation, mycelium growth, and sustainable farming practices. The program was well-received and inspired students to explore mushroom cultivation as an entrepreneurial opportunity.

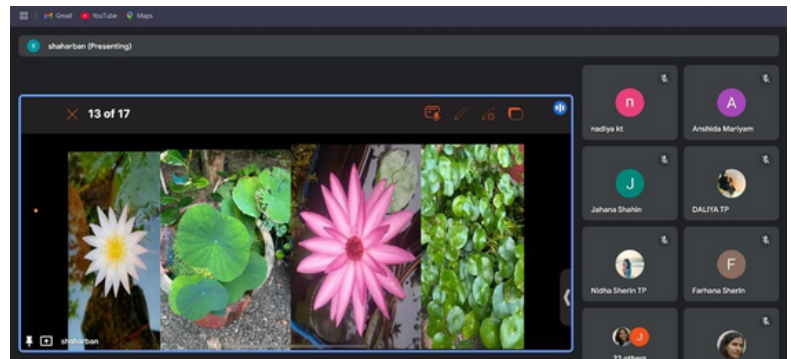

People's Biodiversity Register (PBR) Project

PG Department of Botany and Biodiversity Club of KAHM Unity Women's College, Manjeri, partnered with Koottilangadi Grama Panchayat, Malappuram, to prepare the People's Biodiversity Register (PBR), a project sanctioned by the Kerala State Biodiversity Board (KSBB), Thiruvananthapuram. Fifth-semester B.Sc. Botany students (2022-2025 Batch) initiated the project on 21st December 2024, collaborating with the District Coordinator of Malappuram (KSBB), Mr. Anil Pulliyil, and Panchayat members. The project aims to document the region's ecosystem diversity and compile a comprehensive inventory of its floral and faunal resources. Through active involvement, the students contributed meaningfully to biodiversity conservation while gaining valuable practical experience in ecological research and documentation. This initiative highlights the significance of community collaboration in safeguarding and sustaining natural resources for future generations.

Gardening for Good: Cultivating a Greener Future

On 21st December 2024, the PG Department of Botany hosted the Fifth Session of its Alumni Lecture Series, titled 'Gardening for Good: Cultivating a Greener Future'. The session featured Ms. Shaharban C., an accomplished alumna of the 2021-2024 B.Sc. Botany batch who is currently pursuing her M.Sc. in Applied Plant Science at Calicut University Campus. As a passionate farmer and budding entrepreneur, Shaharban has successfully integrated Botany knowledge into her lifestyle, cultivating a wide range of economic crops at home and raising pets with scientific precision. During the talk, she shared her journey and experiences, focusing on sustainable farming techniques and innovative agricultural practices. The inspiring session offered students practical insights into farming and entrepreneurship, encouraging them to pursue similar endeavours in their academic and personal lives.

Department of Psychology

Visit to the Buds School

On 12th December 2024, the Department of Psychology visited Buds School Padinjattumuri to mark the International Day of Persons with Disabilities, aiming to create awareness and engage with children through art, games, and cultural activities. The session included an orientation about the school, interactive activities to enhance motor skills, and a talk by a third-year student on inclusivity and societal responsibilities. The visit emphasized the importance of creating an inclusive society, with participation from 30 final-year and 16 first-year students.

Association Activity

The first-year BSc Psychology students of the Department of Psychology conducted an engaging session on 13th December 2024 during the association hour to commemorate World Disability Day. The session began with an inspiring narrative on the life and achievements of Helen Adams Keller, a renowned disability rights advocate, highlighting her indomitable spirit and contributions to society. Students also taught various sign language gestures, making the session interactive. The session concluded with a lively question-and-answer session that encouraged participation and understanding of disability rights and challenges.

Department of Commerce(C.A)

SPSS Workshop

The PG Department of Commerce (CA) organised an SPSS workshop "Data Analysis Mastery" for PG students on 18 December 2024. Mr. Shibin, a Research scholar of PG and Research Department of Commerce, Farook College(Autonomous) Calicut engaged in the session. The main objective of the program was to introduce the SPSS interface and its functionalities. He guided participants through basic data entry and formatting. This workshop achieved its objectives, providing practical skills and knowledge in using SPSS for data analysis. The program was coordinated by Ms Jumana M Assistant Professor (Adhoc), with the support of student coordinator Murshida, 4th sem Mcom student.

Association Programme

Association programme, Commerce Insights; career clarity under the title "COM VISTA" was held on 5th December. The session was handled by Mr. Anfas Devarthodi ACCA, CMA. The event aimed to provide students with a deeper understanding of the commerce industry and guidance on navigating their career paths. The speaker emphasized the importance of developing essential skills such as data analysis, communication, and problem-solving to succeed in the commerce industry. The session explored various career paths available to commerce students, including management, finance, marketing, and human resources. 43 students from Bcom CA participated in the program. The Program was coordinated by Jamsheena. K, Assistant Professor of Commerce (Adhoc) and Nuha Rasheed. K.M., a 6th-semester B.com CA Student. The session concluded with words of gratitude from Ms. Fasila, a 6th-semester B.com CA Student.

Department of Chemistry

Educational Trip

From 16th to 25th December 2024, 35 students from the Chemistry Department of K.A.H.M. Unity Women's College, Manjeri, embarked on an educational trip to Delhi, Kullu, and Manali, accompanied by Dr. Jamsheena and Ms. Suhada K.M. (Assistant Professors of Chemistry). The journey offered students a blend of experiential learning as they explored the cultural, industrial, and scientific highlights of these regions. The students gained valuable insights and cherished the enriching experience throughout the visit.

Report of Digital Poster Making Competition

As part of the Energy Conservation Day Celebration, the Research Department of Chemistry organized a Digital Poster Making competition on the theme "Powering Sustainability: Every Watt Counts". The event took place on 13th December 2024 at 1:00 PM in G 203. The programme was coordinated by Dr. Deepa K, faculty coordinator, and Ms. Shahana K, student coordinator from the sixth semester B.Sc. Chemistry. The objective of the event was to promote awareness about energy conservation and inspire students to creatively express their ideas on sustainable practices. The competition witnessed active participation from various departments. Participants effectively conveyed the importance of energy conservation and sustainable practices through their creative digital posters.

Industrial Visit: Win Pipes Industry

On 18th December 2024, as part of their industrial visit, students from the Chemistry Department of K.A.H.M. Unity Women's College, Manjeri, visited Win Pipes Industry in Pullara, Malappuram. The students received a warm welcome from the company's staff and were guided through the plant, where they gained a comprehensive understanding of the PVC pipe manufacturing process. The guide explained each stage in detail, including raw material mixing, extrusion, cooling, cutting, and finishing, as well as the quality control tests involved. The visit provided valuable insights into the chemistry behind PVC production, enriching the students' practical knowledge.

Industrial Visit: Mother Dairy Patparganj

On 19th December 2024, as part of their industrial visit, students from the department visited Mother Dairy in Patparganj, Delhi. The students received a warm welcome from the staff and were guided through the plant, where they gained a comprehensive understanding of the process of token milk production, including clarification, standardization, fortification, homogenization, and pasteurization. A detailed video presentation further explained the journey of milk from collection to its conversion into token milk. The students also learned about the chemistry involved in testing milk for adulteration and were introduced to various other products under the Mother Dairy brand. The visit provided an enriching and exploratory learning experience, deepening their practical knowledge in the field.

Paravakkal Ramees Jebin, an alumnus of the BSc Chemistry program, published a research paper in the prestigious Journal of Materials Chemistry A titled "Enhanced Indoor Photovoltaic Efficiency of 40% in Dye-Sensitized Solar Cells Using Cocktail Starburst Triphenylamine Dyes and Dual Species Copper Electrolyte," co-authored with Andrew Simon George, Rakesh K. Mishra, Jubi John, and Suraj Soman. Remarkably, this paper was featured as the cover article of the journal.

FYUGP Second Semester Orientation Programme 2024

The FYUGP Second Semester Orientation Programme was held on 6th December 2024, providing students with a comprehensive introduction to their academic journey. The day commenced with a General Orientation by the FYUGP Coordinator at the College Auditorium, followed by a Department-wise Orientation led by Dr. Jamsheena, the FYUGP Department Coordinator, in Classroom A306. Students then attended the MDC Orientation in their respective classrooms, where they gained insights into interdisciplinary learning. The afternoon sessions focused on minor courses, with the Minor Course A Orientation at 2:00 PM and the Minor Course B Orientation at 2:50 PM. Each session provided clarity on course objectives, ensuring students were well-prepared and motivated for the semester ahead.

Department of Computer Science

From Ancient Forts to Majestic Peaks: A Journey of Discovery, Adventure, and Cultural Exploration Across Agra, Delhi, and Manali. The third-year B.Sc. Computer Science students, accompanied by faculty members, embarked on a memorable journey to Manali, Agra, and Delhi from December 31, 2024, to January 9, 2025. Students explored Agra and Delhi's vibrant culture and architectural beauty, including Agra Fort, Taj Mahal, Red Fort, Qutab Minar, Jama Masjid, India Gate and RajGhat. The trip unfolded with thrilling adventures in Kullu and Manali, where students engaged in exciting activities like paragliding, river rafting, zip-lining, and ropeway rides, immersing themselves in the region's natural beauty. The meticulously coordinated trip will remain etched in their memories as a perfect blend of adventure, learning, and exploration.

Department of Zoology

Fish Seed Release for Fish Culture

On 19th December 2024, the Zoology Club under the Department of Zoology released fish seeds as a part of hands-on learning of pisciculture and a source of income generation. 120 Tilapia hatchlings (*Oreochromis niloticus*) were released into the fish pond on the campus. The program was inaugurated by Manager, Er. O. Abdul Ali and Principal, Prof. (Dr.) Muhammed Basheer Ummathur by releasing fish hatchlings. Dr. K. Fousi (Associate Professor and Head, Zoology), Dr. Said Hamid Thangal P (Assistant Professor, Zoology), Student coordinators Devi Krishna M (B.Sc. Botany) and Ramyasree KK (B.Sc. Family and Community Science) and students of Zoology and Zoology club members also released fish seeds.

Department of English

Study Tour

The Department of English, KAHM Unity Women's College, Manjeri, organised a five-day study tour from 31st December 2024 to 5th January 2025. A group of 37 final-year BA English students, accompanied by staff members Ms. Sangeeta K and Mr. Siddhique P., embarked on an enriching journey exploring the cultural and literary heritage of Chikmagalur, Dandeli, Goa, and Malvan. The trip strengthened bonds between students and faculty, promoting collaborative learning and peer interaction outside the classroom.

Participatory Learning

Continuous assessment and participatory learning and reinforcement of unknown concepts in 'Writing for the Media' was conducted using Quizziz app for final BA English Language and Literature students.

Interaction with Alumni

6th sem BA English students had an Interaction with Alumni Ms Ayisha Anaina on 9/1/2025.

Department of Home Science

Pothichoru

The UG and PG Students of the Home Science Department donated 'Pothichoru' (packed lunches) to the inmates of Shalom Matha Bhavan, Cherani, Manjeri, on 10th December 2024. A total of 30 packed lunches were donated. Ms. Loosiy KP, (Assistant Professor Adhoc, PG Dept. of Home Science) and Ms. Nada Musthafa (III Sem MSc Home Science - Nutrition & Dietetics) were the faculty and student coordinators, respectively.

Betel Leaf Product Development Initiative

In association with the Tirur Betel Vine Farmer Producer Company, the PG Department of Home Science took an initiative to develop products from betel leaves in order to support the betel vine farmers. At the Home Science Innovation and Incubation Centre, a few products such as bath soap, agarbatti and wine were developed from betel leaves on an experimental basis. The developed betel vine products were then displayed in the stall organized as a part of the Keragram programme inaugurated by the Hon'ble Minister, Shri. Abdurahman MLA, at Tanur on 16th December 2024. The products received wide appreciation and provided inspiration and hope to the betel vine farmers.

Community Nutrition Camp For The Tribes At Karulai

The PG Department of Home Science successfully organized a Community Nutrition Camp as part of the curriculum, from 11th to 15th December 2024. The camp was conducted by II Semester M.Sc. Home Science (Nutrition and Dietetics) students on the topic, "Assessment of Socioeconomic Factors, Food Availability, Nutritional and Health Practices among the Tribal Population (25-65 years) of Pulliyil, Karulai". The objectives of the camp were to assess the dietary intake, food availability, and health status of the tribal population. The camp was formally inaugurated by Mr. Suresh Kumar, Vice President of Pulliyil panchayat. The results of the diet survey conducted among the selected tribal population indicated poor dietary practices. Also, it was observed through clinical examination that a significant part of the population exhibited signs of Vitamin A deficiency and anaemia. To address these identified nutritional problems, awareness classes and exhibition were conducted at Pulliyil Anganwadi. The sessions aimed to educate the tribal community on the importance of Vitamin A-rich foods, iron-containing foods, their sources and inclusion in daily diet for the prevention and management of these deficiencies. Additionally, personalized nutrition education sessions were conducted in each selected household to ensure better understanding and to encourage healthier nutritional practices within the community.

Faculty Participation In CUFYUGP Question Bank Workshop

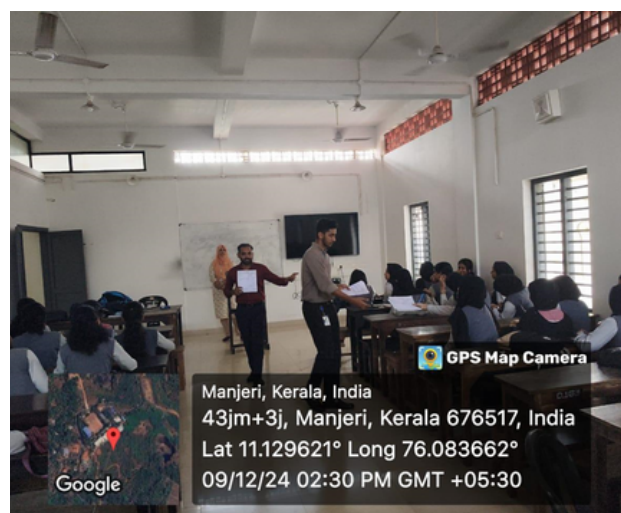

On the 2nd and 3rd of December 2024, Dr. Annie Ninan, Dr. N V Fatimathu Zuhara and Ms. Bushaira V from the PG Department of Home Science participated in the two-day workshop for the Question Bank preparation in connection with the Calicut University FYUGP at Vimala College (Autonomous), Thrissur. The orientation aimed to equip participants with the knowledge and skills required to develop a comprehensive question bank.

Department of Commerce

Workshop on "AI Integrated Accounting System"

The Department of Commerce, organized a workshop on "AI Integrated Accounting System" in collaboration with Account Solutions, on December 9, 2024, at 1:30 pm in Room No. F105, Suhaib OT, Manager-Business Development of Account Solutions, delivered an insightful workshop on AI integrated Accounting Systems. He led a session highlighting its benefits, applications, and future prospects. The event aimed to provide students with hands-on experience and knowledge of AI-integrated accounting systems, enabling them to stay updated with the latest trends and technologies in the field. The workshop was successfully coordinated by Ms. Farseena Jabeen. K, Assistant Professor, Department of Commerce, with the support of student coordinator Krishna from 6th Sem B.Com Co-operation

»»» Career Guidance Cell

Career Jwala – A Career Guidance Session

The Career Guidance Cell and Internal Quality Assurance Cell (IQAC) of KAHM Unity Women's College, Manjeri, in collaboration with the University Employment Information and Guidance Bureau and the National Employment Service (Kerala), organized a career guidance session titled Career Jwala on 6th December 2024. The event was held at the College Seminar Hall and aimed to provide final-year students with insights into career opportunities and competitive examinations relevant to their fields of study. The session was inaugurated by the Principal, Prof. Dr. Muhammad Basheer Ummathur. The Career Guidance Cell Coordinator, Ms. Sangeeta K., welcomed the gathering, and the IQAC Coordinator, Dr. Shahina Mol A.K., presided over the event. Mr. Ammar T, Deputy Chief of the University Career Information and Guidance Bureau delivered the concept note. Felicitations were offered by the Manager, Mr. O. Abdul Ali, the University Career Information and Guidance Bureau Representative, Mr. Muhammed Ashiq V. P, and the College Union Chairperson, Ms. Fidha K. The program concluded with a vote of thanks delivered by Ms. Nihala Jibi, a volunteer of the Career Guidance Cell. Mr. Zakaria M. V, former PRO and Assistant Registrar of University of Calicut and a Career Expert, Broadcaster and Columnist was the Resource Person for the sessions. The program was conducted in two sessions to cater to the needs of specific disciplines. The morning session was designed for students of BA English, BA History, and BSc Psychology, while the afternoon session targeted BCom Cooperation and BCom Computer Applications students. The sessions provided students with valuable insights into career paths aligned with their academic disciplines, highlighting opportunities in their respective fields. Additionally, the sessions covered important details about various competitive examinations and recruitment processes.

CUET Orientation Session

The Career Guidance Cell of the college organized an orientation session on the Common University Entrance Test (CUET) on December 10, 2024, in the college auditorium. The session was targeted at final-year degree students and aimed to provide insights into pursuing higher education in central universities and strategies to excel in the CUET. The resource person for the session was Mr. Jomy Jose, CEO of Edexe Academy, Calicut. He delivered an informative presentation on the opportunities available in central universities and shared practical methods for preparing for and clearing the entrance test. His session was highly engaging and well-received by the students, sparking enthusiasm and interest in exploring academic opportunities beyond their undergraduate studies. The program began with a warm welcome address by Ms. Sangeeta K, Coordinator of the Career Guidance Cell. Following the session, Ms. Fathima Thasni, a final-year History student, expressed gratitude.

»»» UCAA

UCAA General Body Meeting

The online general body meeting of the UCAA (Alumni Association of K.A.H.M. Unity Women's College, Manjeri) was held on 5th December 2024 with active participation from office bearers and alumni members. The meeting focused on preparations for the upcoming NAAC visit in 2024, where it was decided that each department would identify 15-25 alumni members to interact with the NAAC team. Key UCAA activities for 2024-25 were also discussed, including the proposed construction of a "Wisdom Wall" on the college campus as an alumni contribution, organizing alumni-run stalls during college events, and utilizing alumni as resource persons for various programs. Additionally, the alumni initiative "Wisdom Circle," in association with the College Governing Body, was highlighted. The meeting concluded with a collective commitment to enhancing alumni involvement and supporting the institution's growth.

Women Cell

Meet & Greet

The "Meet & Greet" program held on 16th December 2024 at KAHM Unity Women's College, Manjeri, was an inspiring event organized by the KSWDC Women Cell in association with the Zelinda Students Union. The event commenced with a welcome speech by Ms. Sangeetha, Assistant Professor of the Department of English, followed by a Presidential Address from Dr. Deepa K, Assistant Professor of Chemistry. The formal inauguration was conducted by Prof. Muhammed Basheer Ummathur, the Principal of the college, setting the tone for a day of insightful interactions and exchanges. The event featured a distinguished Chief Guest, Ms. Mariyam Jumana, a Student Pilot License (SPL) holder and Trainee Pilot, who shared her inspiring journey with the audience. Felicitations were given by Er. O. Abdul Ali, the Manager of the college, Dr. AK Shahina Mol, IQAC Coordinator, Dr. Faseela P, Assistant Professor of Botany, Fathima Thasni (Ex-General Secretary, Meridia Students Union), and Fidha K (Chairperson, Zelinda Students Union). The program also featured a heartfelt talk by the parents of Ms. Mariyam Jumana, who shared their invaluable support in her achievements, providing a deeper connection to her story. The event served as a platform for fostering community engagement, inspiration, and knowledge sharing among students, faculty, and distinguished guests. The program concluded with a vote of thanks delivered by Ms. Dilna, a 4th Semester B.Sc Psychology student and the Women Cell President, acknowledging the contributions of everyone involved. The event was coordinated by Dr. Faseela P, Assistant Professor of Botany.

Snehabhavanam

The Set Out and Foundation Stone Laying Ceremony of "Snehabhavanam 4"

The Set Out and Foundation Stone Laying Ceremony of "Snehabhavanam 4". The Set Out and Foundation Stone Laying Ceremony for "Snehabhavanam 4," an initiative under the Sukrutham Committee of KAHM Unity Women's College, was a momentous occasion attended by esteemed guests, college authorities, family members and committee members. The ceremony commenced with the arrival of the distinguished guests and committee members. The event was presided over by the Principal of the college, Prof. Dr. Muhammed Basheer Ummathur, who expressed his gratitude to all attendees and emphasized the importance of the Snehabhavanam initiative in nurturing the academic and personal growth of students. The set out was done by Mr. Basheer Hussain Thangal, Retired Librarian of KAHM Unity Women's College. His contribution to the college over the years has been invaluable, and his involvement in this project symbolizes the continuation of service to the institution. The foundation stone was laid by Eng. O Abdul Ali, the Manager of the college. He highlighted the vision behind "Snehabhavanam 4" and how it aligns with the college's mission to foster a supportive educational environment. Prof. Dr. Muhammed Basheer Ummathur spoke about the college's commitment to providing a holistic education and the role of facilities like Snehabhavanam in achieving this goal. Mr. Hamraz Ahamed M, Convener of Snehabhavanam 4, discussed the objectives of the project and expressed gratitude to all members of the Sukrutham Committee for their dedication and effort. Mr. Kannian Mohammed Ali, Treasurer, emphasized the importance of community involvement and collaboration in making this project a success. Committee members, including Adham Thanari, Dr. Faseela P, Dr. Bajeel P N also shared their thoughts on the necessity of creating welcoming and supportive spaces for students, reinforcing the college's ethos. Mr. Muhammed Rafi Kodakkadan, OA assisted the engineer Mr. Sainudheen for the set out Process.

>>> Union Activities

Santasio 2K24: Christmas celebration

The Christmas celebration Santasio 2K24 at K.A.H.M. Unity Women’s College, Manjeri, held on December 20, 2024, was a heartwarming and inclusive event featuring special school students from Velluvambram. Organized by the Zelinda Students’ Union, the event included a welcome by General Secretary Ms. Fathima Yusra P, a presidential address by Chairperson Ms. Fidha K, and an inauguration by Principal Dr. Muhammad Basheer Ummathur. Felicitations were offered by Jnb. O. Abdul Ali, the Manager, and Dr. V. Hikmathulla, the Fine Arts Director, while Dr. Annie Ninan, Head of the Department of Home Science, delivered a special Christmas message emphasizing love, joy, forgiveness, and peace. The highlight was a surprise visit by Santa Claus, who danced with the special school students, spreading joy and inclusivity. The event concluded with a vote of thanks by the Fine Arts Secretary Ms. Nuha Rasheed, leaving attendees with a deep sense of community and the true spirit of Christmas.

>>> NSS

7-Day Special Camp ‘Punarjani’ - A Transformative Experience

The National Service Scheme (NSS) Units 008 and 171 of KAHM Unity Women’s College, Manjeri, organized a seven-day residential camp, ‘Punarjani,’ at GUP School, Veembur, from December 20 to December 26, 2024. This initiative aimed to foster community engagement, skill development, and social responsibility among student volunteers. The camp commenced with a grand inauguration attended by dignitaries, including MLA Adv. U.A. Latheef, Principal Dr. Muhammed Basheer Ummathur, and Social Welfare Committee Chairperson Mrs. Elsy. The volunteers engaged in a range of impactful activities, including school beautification, road cleaning, and community development projects. A major highlight was the ‘Sukruthakeralam’ project, which involved campus cleaning, trench maintenance, and an old-age home rejuvenation program. The volunteers also participated in awareness campaigns on financial literacy, tuberculosis prevention, and the Indian Constitution’s fundamental rights. Educational sessions on leadership, personality development, and interview skills were conducted by eminent trainers, equipping students with valuable life skills. The camp also emphasized cultural and recreational activities, including yoga, aerobics, and a vibrant Christmas celebration. The ‘Balamela’ event brought joy to local children through engaging games and performances. The ‘Snehabhavanam’ fundraising initiative successfully raised significant funds to support housing for underprivileged students. The ‘Punarjani’ special camp was a memorable experience that instilled teamwork, leadership, and social commitment in volunteers while significantly benefiting the local community. The event concluded with a heartfelt closing ceremony, recognizing the dedication and contributions of all participants. Through this initiative, NSS volunteers demonstrated the true spirit of “Not Me, But You,” leaving a lasting impact on the community and their personal growth.

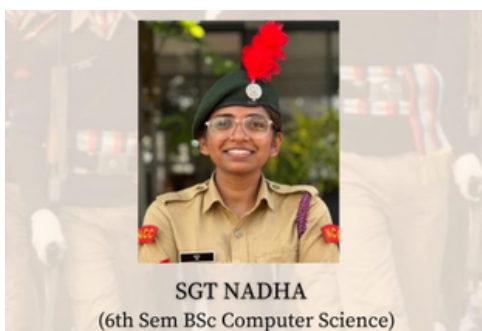

Student's Achievements

- Fourth-semester MSc Botany students attended a seminar at the University of Calicut on 16th December 2024. The seminar focused on the advanced techniques and applications of chlorophyll fluorescence and offered an in-depth understanding of its significance in studying various plant stress responses.

- **Ms. Shafna K.V. and Ms. Henna P.**, Research scholars from Department of English participated in a Six Day online FDP on : " Envisioning the Future Multidisciplinary Approaches in Research on Languages and Literatures" conducted from 02 December 2024 to 07 December 2024, conducted by the Department of English and Foreign Languages, SRM Institute of Science and Technology, Tamilnadu.
- **Ms. Shafna K.V.** Research Scholar from Department of English participated in the National Conference on "Indian Literatures in Regional Languages and their English Translations" organised by the Department of English & Psychology, Christ College, Rajkot on December 12 and 22, 2024.
- **SGT Nadha** (6th Sem BSc Computer Science) successfully completed Army Attachment Camp conducted by 2nd Battalion the Madras Regiment at Pangode Military Station, Trivandrum from 17 December to 28 December 2024.

- **CPL Sfitha V** (6th Sem BCom Cooperation) successfully completed Army Adventure Activity (Sports Climbing) held at MRC, Wellington, Tamil Nadu from 9th December to 14th December 2024.

Teachers' Credentials

- **Dr. Bajeel P. N.** delivered an invited talk at the program "Math Beyond Classroom: An NEP-Aligned Program for Future-Ready Educators", held from 23–24 December, 2024, at the National Institute of Technology Calicut, organized by MathLab Research, in association with the Department of Mathematics NIT, Calicut and the Centre for Continuing Education & Skill Development, NIT Calicut.

- **Sangeeta K, Assistant Professor**, Department of English, K.A.H.M. Unity Women's College, Manjeri, participated in the workshop organised by the Board of Studies in Functional English (UG), University of Calicut, scheduled from 11/12/2024 to 13/12/2024, for the preparation of the second semester question bank.

Dr Shahina Mol A K, HoD of English

- Chaired a session in the national online conference on Voices Un(Heard): Gender, Oppression and Empowerment in Literature and Society, organised by the PG Department of English at EMEA College of Arts and Science, Kondotty on 1 December 2024.
- Chaired a session and presented a research paper titled " Educational Genocide: Analysing the Voices from Gaza", in the second international conference on "Forced migrants, displacement , welfare policies and the state", organised by the Department of Sociology , University of Kerala , Kariavattom campus on 2,3, and 4 of December 2024.

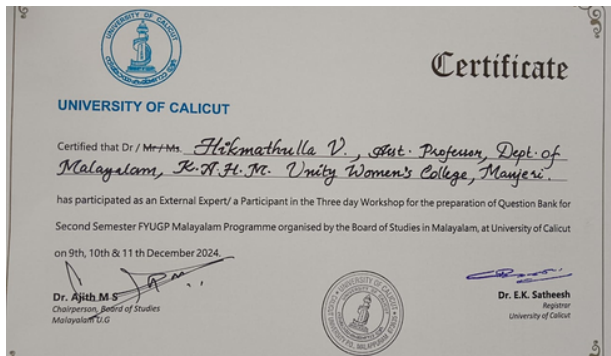

- Attended the session on "Implications of International Law in the Recent Global Crisis", delivered by Prof. Faisal Kutty, South-western Law School, United States, on 5 December 2024, organised by CH Chair of University of Calicut as part of their Meet the Scholar Programme.
- Attended one day online workshop on Academic Writing Essentials, organised by the Indian Institute of Roorkee on 6 December 2024.

Dr. Hikmathulla V, HoD of Malayalam

- Published an article titled Drama, Cinema Activities, and Muslims in the book, ndian Muslims Post-Independence, a special edition released by Prabodhanam Weekly, Calicut. ISBN No. 939189978-1

- Participated as a member in the workshop under the Board of Studies in Malayalam (UG), University of Calicut, scheduled from 09/12/2024 to 11/12/2024, for the preparation of the second semester question bank.

- Successfully conducted a workshop on Creative Dramatics as part of the Gifted Children Programme of the Malappuram Education District, a project under the Government of Kerala. The workshop was held at Government Boys Higher Secondary School, Malappuram, on 29th December 2024.

- Lt. Loosiya. KP**, Associate NCC Officer (9K Girls BN NCC, Calicut) and Assistant Professor Ad hoc, PG Dept. of Home Science, completed the prestigious PRCN Course for ANOs (Army SW-111 & DC SW-82) at NCC Officers Training Academy (OTA - NCC College for Women), Gwalior, Madhya Pradesh, from October 9th to December 22nd, 2024. Lt. Loosiya. KP achieved excellence certificates in Drill and firing and also won first place in inter-company badminton competition (singles). She was also selected for the Commandant's Lecture IP and successfully presented it.
