Reaccreditation with A Grade: A Testament to Collective Excellence

KAHM Unity Women's College, Manjeri, Kerala (India), is proud to announce that it has been reaccredited with an A grade by the National Assessment and Accreditation Council (NAAC), achieving a CGPA of 3.204 in its fourth accreditation cycle. The peer team conducted an online assessment on May 27–28, 2025, under NAAC's Revised Accreditation Framework (RAF), in accordance with UGC guidelines.

This significant accomplishment is the result of dedication and support from every stakeholder—our Governing Body, Principal, IQAC Coordinator and team, teaching and non-teaching staff, alumnae, current students, parents, local self-government bodies, and retired and former staff. Under insightful leadership and strategic vision, we have strengthened our institutional commitment to quality and inclusivity.

Our campus is now fully ICT-enabled, featuring seamless Wi-Fi connectivity, smart classrooms, Moodle-based LMS, and digitized infrastructure. The peer team commended the campus's green and sustainable facilities, including solar power systems, rainwater harvesting, and environmentally conscious design.

Among the domain-wise scores, our Curricular Planning & Implementation achieved an impressive 3.70, reflecting our innovative and outcome-based pedagogical approaches aligned with NEP 2020. Similarly, Student Support & Progression earned a top score of 3.71, underscoring our collective effort in fostering academic success, holistic development, and seamless progression to higher studies.

The reaccreditation process helped in improving the research ecosystem: the College now hosts three active research departments (English, Chemistry, Botany), IEDC, incubation centres and an IPR Cell. Faculty and student research is supported by external funding from agencies such as KSCSTE, Kerala Education Department and the European Union.

Our outreach initiatives—such as the Institutional Social Responsibility of Unity (ISRU), Share & Care, and the Women Skill Park—demonstrate an ongoing commitment to community engagement and alignment with the United Nations SDGs, offering experiential learning for students while serving society. Governance is strengthened through decentralised administrative structures and e-governance tools, including EMBASE ERP and digital dashboards, ensuring transparency and efficiency in institutional operations.

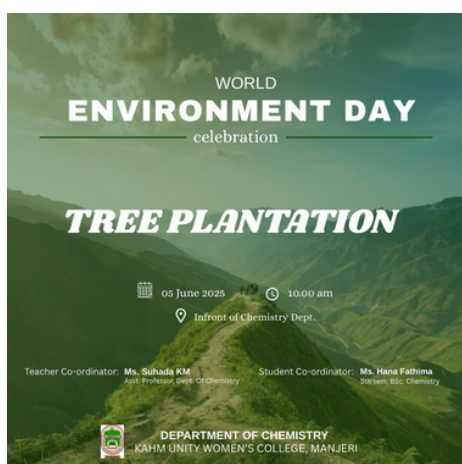

While celebrating this milestone, we remain committed to refining and expanding our infrastructure to further support innovation, incubation, research, and extracurricular programmes. We aim to showcase even more distinctive institutional practices that elevate our mission. This A-grade reaccreditation—with CGPA 3.204—is a powerful affirmation of our collective commitment to excellence in education. We look forward to building on our strengths, addressing opportunities for improvement, and continuing to serve our students and community with distinction.

Department of Chemistry

World Environment Day – Tree Plantation Drive

In celebration of World Environment Day 2025, the Department of Chemistry at KAHM Unity Women's College, Manjeri organized a Tree Plantation Drive on the 5th of June at 10:00 AM. The event took place in front of the Chemistry Department and aimed to foster environmental awareness and promote green campus initiatives. The plantation programme was a hands-on effort to emphasize the importance of afforestation in mitigating climate change and restoring ecological balance. Students and faculty members actively participated in planting a variety of saplings, contributing directly to the college's eco-sustainability goals. The plantation was inaugurated by Dr. Jyothi P., Head of the Department, Department of Chemistry, KAHM Unity Women's College, Manjeri. The programme was coordinated by Ms. Suhada KM, Assistant Professor, Department of Chemistry, and Ms. Hana Fathima, a fifth-semester BSc Chemistry student, who served as the student coordinator. Their combined efforts ensured smooth organization and enthusiastic student involvement. The initiative not only contributed to the beautification of the campus but also acted as a practical step toward instilling eco-conscious values in the student community. It served as a reminder that small, collective actions can have a significant impact on the environment when consistently pursued.

Science Club Inauguration and World Environment Day Celebration 2025

The Department of Chemistry, in association with the Science Club of KAHM Unity Women's College, Manjeri organized a combined event marking the inauguration of the Science Club and the observance of World Environment Day on 5th June 2025. The programme was held at Aryabhata Hall in the afternoon. The event revolved around the theme "Putting an End to Plastic Pollution: Awareness into Action," aligning with the global focus on combating plastic pollution through community education and proactive engagement. The session was graced by Dr. Divya PN, Assistant Professor and Head of the Department of Chemistry, Government Women's College, Malappuram, who served as the resource person. In her address, Dr. Divya highlighted the alarming impacts of plastic pollution on ecosystems and human health. She urged students to take small, actionable steps to reduce plastic dependency and to act as ambassadors of sustainable living. Her thought-provoking presentation bridged scientific knowledge with practical strategies, effectively turning awareness into actionable outcomes. The programme also included the formal inauguration of the college's Science Club, which aims to cultivate scientific curiosity and critical thinking among students. The event was coordinated by Ms. Suhada KM, Assistant Professor, Department of Chemistry, serving as the Teacher Coordinator. Ms. Hana Fathima, a fifth-semester BSc Chemistry student, acted as the Student Coordinator and ensured active student participation.

Department of Home Science

World Environment Day Celebration

The PG Department of Home Science observed World Environment Day on 5th June 2025 with the theme 'Beat Plastic Pollution'. The program aimed to raise awareness about the hazards of plastic pollution and promote the adoption of eco-friendly alternatives among students. Dr. N.V. Fatimathu Zuhara, Assistant Professor and Head, PG Department of Home Science, shared the importance of World Environment Day, highlighting the issues of plastic pollution, single-use plastic, and the need for an eco-friendly lifestyle. Following the awareness session, Dr. N.V. Fatimathu Zuhara led the pledge, and the students took the 'Say No to Single-Use Plastic' pledge as part of the Ministry of Environment, Forest and Climate Change's initiative. The program was attended by 3rd Sem BSc FCS and 2nd Sem MSc Home Science (Nutrition and Dietetics) students and department faculty members. The program resulted in increased awareness about the hazards of plastic pollution, promotion of eco-friendly alternatives, and a sense of responsibility towards protecting the environment among students, ultimately inspiring them to adopt environmentally conscious behaviors and reduce single-use plastic usage. Lt. Loosiya KP, Assistant Professor (Adhoc), and Ms. Muhsina (2nd Sem MSc Home Science (Nutrition and Dietetics)) served as faculty and student coordinators, respectively.

Department of Computer Science

Invited Talk Series – Season 3, Lecture 1

The first lecture of the Invited Talk Series Season 3 was held on June 26, 2025, at 2:50 pm in the Aryabhata Hall. The event began with a welcome speech by Ms. Fathima Fida. Ms. Shameema PT, Assistant Professor, delivered the presidential address, highlighting the importance of upskilling and continuous learning in the IT industry. The session was inaugurated by Dr. Haris U, Head of the Department of Computer Science. The invited talk on the topic "Importance of Upskilling for a Better Career" was handled by Mr. Beni Ishaque, self-taught software developer and founder of Unix2. Mr. Shihabul Haque, IT Club Coordinator, delivered the felicitation address appreciating the efforts of the department and the valuable insights shared by the speaker. The program ended with a vote of thanks by Ms. Mubashira V. The program was coordinated by Ms. Shameema PT, Assistant Professor, and Ms. Fathima Niha AT, Fifth Semester B.Sc. Computer Science. Students and teachers worked together to make the event a successful and enriching experience.

Department of Botany

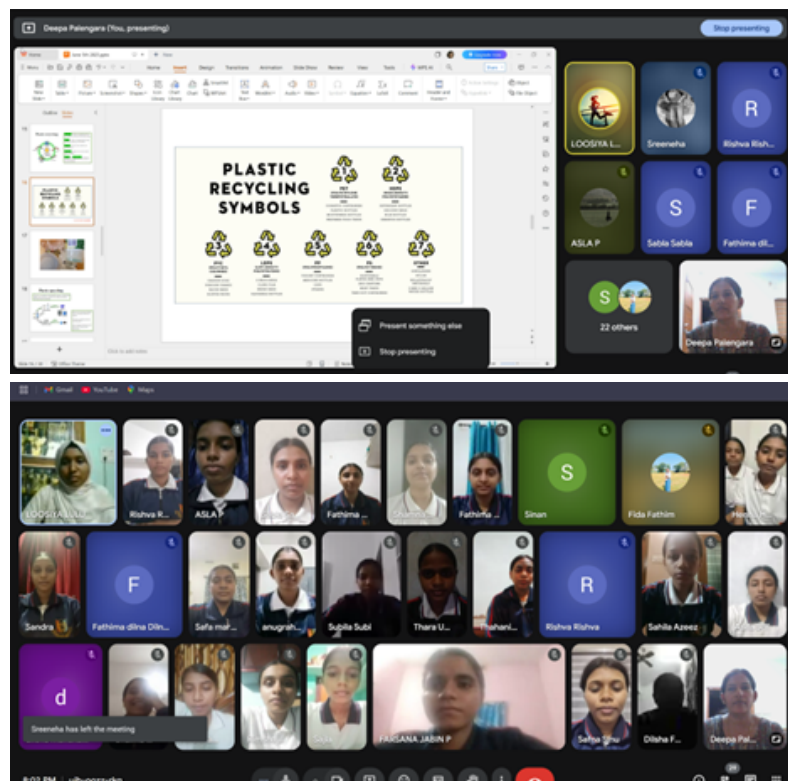

World Environment Day celebration - Students Training Program

As part of the World Environment Day Campaign 2025 (June 4–20), a Students Training Program focusing on the theme "Beat Plastic Pollution" was organized on 5th June 2025 at 10:30 AM in Aryabhata Hall, KAHM Unity Women's College, Manjeri. The program was jointly coordinated by the Bhoomithrasena Club and the PG and Research Department of Botany, in association with Friends of Nature (FON) India. The training session was led by Mr. Rafeeq Babu MS, Secretary of Friends of Nature, who emphasized the urgent need to address plastic pollution and adopt sustainable environmental practices. The event was aimed at sensitizing students to the environmental hazards posed by single-use plastics and equipping them with practical knowledge to contribute to a cleaner, greener planet. With active student participation, the program highlighted the role of youth in environmental conservation. The collaborative effort between the academic and environmental communities reflected the institution's continued commitment to sustainability and ecological awareness. The training session not only commemorated World Environment Day but also empowered students to become agents of change in the fight against plastic pollution.

The Plastic Footprint: How Everyday Products Harm the Planet

A talk was conducted on 'The Plastic Footprint: How Everyday Products Harm the Planet' via Google Meet, where Dr. Deepa P., Assistant Professor (Adhoc), PG and Research Department of Botany, shared insights on the importance of World Environment Day, plastic pollution, recycling, microplastics, and the impact of plastics in daily life on June 5, 2025.

Department of English

Use of Interactive Educational Software

Mentimeter app was used to generate thoughts for an introductory poetry lesson in the PG, English class by Ms. M.K.Vineetha.

Department of Commerce

International Day against Drug Abuse and Illicit Trafficking

As part of the observance of Anti-Drug Day, the Department of Commerce organized a Digital Poster Making Competition under the Commerce Association. The event was held on 26th June 2025 with the objective of spreading awareness about the dangers of drug abuse and promoting a drug-free society. The program was coordinated by Ms. Muhsina T, Assistant Professor, Department of Commerce and Ms. Fathima Lubna K, 5th Semester B.Com (Co-operation). Students from both second year and third year B.Com enthusiastically participated in the event, showcasing their creativity and concern towards the social issue through digital posters. The entries reflected deep awareness, artistic expression, and a strong message against drug abuse. The first prize was awarded to Shyma Sherin & Team, 5th Semester B.Com (Co-operation), for their outstanding poster which stood out for its powerful message and visual impact.

Department of Malayalam

Reading Day Celebration

On June 19, 2025, Unity Women's College, Manjeri observed Reading Day under the Department of Malayalam. The celebration was marked by a variety of literary events, which commenced with an inaugural address by Ms. Arifa Beegum, faculty of the Malayalam Department. She spoke on the importance of reading in shaping informed and thoughtful individuals. Following this, Daniya, a student from the Computer Science Department, shared her insightful thoughts on how reading plays a vital role in personal and intellectual growth, especially for the younger generation. Reading Week was observed from June 19 to 25, with a range of associated activities scheduled to mark the occasion. The Competitions held as part of the celebration included Essay Writing, Drawing, Quiz Competition, Book Review Presentation. Among these, the quiz competition turned out to be the highlight, featuring a spirited contest among the participants. The winners were: Majida nasrin (3sem Chemistry), Husna A P (3 Sem Maths), who bagged the first and second prizes and Rinsila Rinu (3sem Chemistry) & Fathima Nida (3sem Maths) together shared the third prize. In the Book Review competition, Fathima Noora (3rd Sem BA History) secured the first position, while Krishna Kripa (3rd Sem BA History) got the second. In the Drawing competition, Dilsha KV (3rd Sem BA History) and Krishna Kripa (3rd Sem BA History) got the First and Second places, respectively. Fathima Noora (3rd Sem BA History) and Krishna Kripa (3rd Sem BA History) secured the first and second positions in Essay Writing Competition held as a part of the Reading Week.

Women Cell

World Environment Day Celebration – “Eco Charm: A Women’s Touch to Nature”

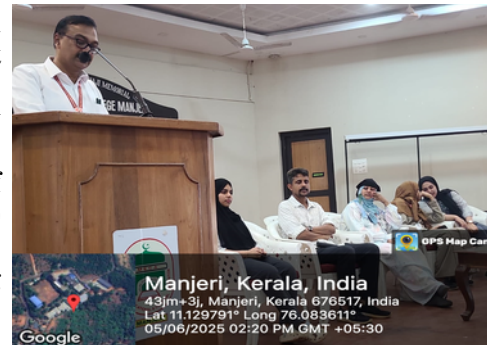

In observance of World Environment Day 2025, the Women Cell of KAHM Unity Women’s College, Manjeri, in collaboration with the Kerala State Women’s Development Corporation (KSWDC), organized an inspiring and environmentally focused campus event titled “Eco Charm: A Women’s Touch to Nature.” The event took place on the 5th of June, 2025, at 10:30 AM within the college campus. The programme was designed to emphasize the nurturing role of women in environmental protection and to encourage eco-friendly initiatives among students. The title “Eco Charm” reflected the central theme of combining environmental concern with the gentle and powerful influence of women, underlining their capacity to lead sustainable and green transformations in society. The event began with a ceremonial sapling planting session, symbolizing growth, care, and the deep-rooted connection between humanity and nature. Participants, including teachers and students, came together to engage in this simple yet significant act, reinforcing their collective responsibility towards the planet. The programme was coordinated by Ms. Suhada KM, Teacher Coordinator of the Women Cell, with the enthusiastic support of Fidhaha, a B.Sc. Chemistry student who served as the Student Coordinator. Their leadership and dedication ensured the smooth conduct of the event and active participation from students and faculty members alike. The celebration served as a celebration of women’s leadership in sustainable development.

Fine Arts Club

Bakrid Fest 2025

The Zelinda Students’ Union of K.A.H.M. Unity Women’s College, Manjeri, organized Bakrid Fest 2025 on 5th June at the C.H. Auditorium. The event began at 2:00 PM and brought together students and faculty in a joyful celebration of unity, tradition, and cultural diversity, in line with the spirit of Eid al-Adha. The programme commenced with a welcome address by Ms. Ayisha Liyana, University Union Councillor, followed by the presidential address by Ms. Shahana Sherin K.T., Vice Chairperson of the Union, who emphasized the importance of student participation in cultural initiatives. The event was formally inaugurated by Prof. (Dr.) Muhammed Basheer Ummathur, Principal of the College. In his inspiring address, he highlighted the integral role of cultural festivals in academic life, particularly in fostering leadership, creativity, and social harmony. A heartfelt Eid message was delivered by Ms. Jaseena C, Assistant Professor, Department of History, who spoke on the values of unity, compassion, and sacrifice. Dr. Hikmathulla V, Fine Arts Director, and Ms. Fathima Shajidha T.K., Staff Advisor, offered felicitations, appreciating the efforts of the organizing team and encouraging students to embrace cultural expression. The post-inaugural session featured a series of vibrant cultural performances, including a melodious group song by Shilna and team, traditional Mappila Pattu, and soulful Eid songs by Nida, Fathima Rasha, Nadeeda O., Dr. Hikmathulla V., Mr. Mohd. Jahangir, Dr. Jyothi P., and Mr. Sidhique. Each performance reflected the participants’ creativity and dedication, adding vibrance to the celebration. The programme concluded with a gracious vote of thanks by Ms. Diya A., Student Editor of the Students’ Union. Bakrid Fest 2025 successfully provided a platform for artistic expression while promoting the core values of cultural harmony and togetherness upheld by the institution.

World Environment Day

On June 5, 2025, World Environment Day, NCC Army Wing (9 (K) Girls Battalion NCC, Calicut) of KAHM Unity Women's College, Manjeri conducted various programs with the theme 'Beat Plastic Pollution'. The programs aimed to raise awareness about environmental conservation and promote sustainable practices among NCC cadets and the college community, and to inspire action and encourage cadets to adopt eco-friendly habits. The program was inaugurated by Principal Prof. (Dr.) Muhammed Basheer Ummathur, who planted a gooseberry tree near the college ground and emphasized the importance of environmental protection, the value of our planet, and the issue of plastic pollution. The activities included tree plantation by all cadets in their home surroundings, pledge-taking by cadets on 'Say No to Single-Use Plastic' as part of the Ministry of Environment, Forest and Climate Change's initiative, and campus cleaning by cadets. A talk was conducted on 'The Plastic Footprint: How Everyday Products Harm the Planet' via Google Meet, where Dr. Deepa P., Assistant Professor (Adhoc), PG and Research Department of Botany, shared insights on the importance of World Environment Day, plastic pollution, recycling, microplastics, and the impact of plastics in daily life. A total of 33 second-year cadets actively participated in the program, which was coordinated by Lt. Loosiya KP, Associate NCC Officer, and L/CPL Rishwa P (3rd Sem BA History), faculty and student coordinators, respectively. The program was a success, with cadets gaining awareness about environmental conservation and developing a sense of responsibility towards protecting the planet. Additionally, the program inspired cadets to adopt eco-friendly habits and make a positive impact on their surroundings.

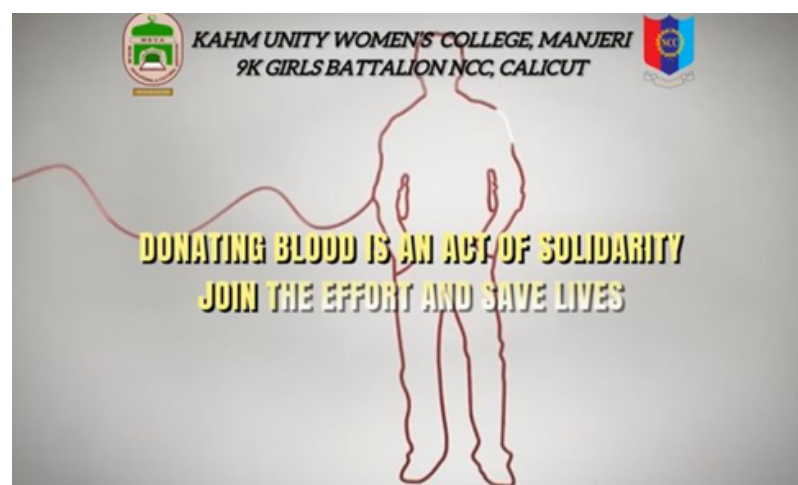

5th June 2025

WORLD ENVIRONMENT DAY

World Blood Donor Day

As part of World Blood Donor Day, observed on June 14, 2025, NCC Cadets created an awareness video highlighting the importance of voluntary blood donation. The message of the video centers on the selfless act of donating blood, which gives someone their heartbeat back—a true act of saving lives. Blood connects strangers, and we never know when we or our loved ones might need it. The video encourages viewers to donate blood at least four times a year, underlining that every drop can make a difference. It reinforces that blood donation is an act of solidarity, and every donor is a real-life hero. The slogan "Be a hero, give blood" reflects this core message. The aim of this video is to motivate more people to join the life-saving effort and spread awareness about the need for regular, safe, and voluntary blood donations. Associate NCC Officer Lt. Loosiya K.P. served as the faculty coordinator, while L/CPL Rishwa K (3rd Sem BA History) and L/CPL Sreeneha M (3rd Sem BSc Mathematics) served as student coordinators.

Dialysis Kit Packing

As a part of Hastham Palliative Care Project by Manjeri Municipality, five NCC cadets participated in the dialysis kit packing conducted at Hastham office, Manjeri Municipality, on 17th June 2025. Mr Shafeeq, the Govt Medical College Counsellor, gave a brief explanation about the project. Lt. Loosiya KP, Associate NCC Officer, CDT Thara Uday AC coordinated the program and four cadets also participated in the kit packing.

Mission Life – “Lifestyle For Environment”

As part of the Mission LiFE (Lifestyle for Environment) initiative, the cadets of KAHM Unity Women's College, Manjeri produced an insightful awareness video underscoring the vital role of sustainable living in protecting our planet. This initiative aligns with the broader vision introduced by the Hon'ble Prime Minister, Sri Narendra Modi, on 1st November 2021, aiming to foster a mass movement encouraging individuals and communities to embrace eco-conscious habits. The video conveys the message that small, mindful changes in our daily routines—such as conserving water, reducing plastic use, minimizing waste, and choosing sustainable alternatives—can collectively make a significant impact on the health of our environment. It emphasizes that sustainable living is not just a choice but a responsibility toward future generations. The video proved to be very effective for the cadets, as it helped them understand the importance of adopting environmentally responsible habits in their daily lives. Associate NCC Officer Lt. Loosiya KP, along with L/CPL Rishva K (3rd Seme BA History) and L/CPL Sreeneha M (3rd Sem BSc Mathematics), coordinated the initiative, guiding the cadets in planning, scripting, and producing the video as a meaningful contribution to the Mission LiFE campaign.

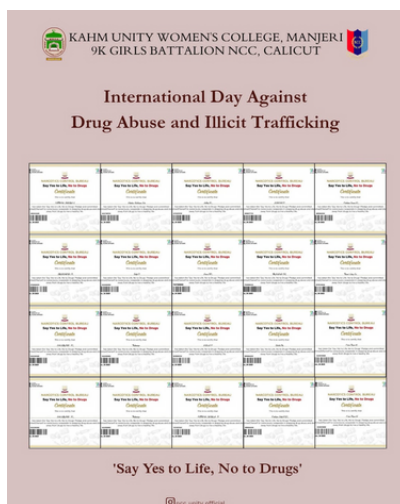

International Yoga Day

The NCC Army Wing of KAHM Unity Women's College, Manjeri, under the 9 (K) Girls Battalion NCC, Calicut, celebrated International Day of Yoga on Saturday, June 21, 2025, from 8:00 am to 9:00 am in the College CH Auditorium. The event was held under the theme “Yoga for One Earth, One Health,” emphasizing the connection between individual well-being and planetary health. The session was led by Associate NCC Officer Lt. Loosiya KP, who instructed and demonstrated various yoga asanas with the aim of promoting physical, mental, and spiritual harmony among cadets. Lt. Loosiya KP guided the participants through a range of asanas, including Pranayama, Kapalabhati, Tadasana, Trikonasana, Vriksasana, Vakrasana, Bhujangasana, Chakrasana, Halasana, Savasana, and Surya Namaskar. She also explained the benefits of each posture, highlighting how yoga contributes to mindfulness, stress reduction, overall health, and vitality. A total of 61 cadets actively participated in the session. Hav. Sonu. EK, PI Staff, 9 (K) Girls BN NCC, Calicut also participated. Lt. Loosiya KP and UO Rushda P (4th Semester B.Sc. Mathematics) served as the faculty and student coordinators of the programme, respectively.

International Day Against Drug Abuse and Illicit Trafficking – Pledge And Awareness

On June 26, 2025, the International Day Against Drug Abuse and Illicit Trafficking was observed with great enthusiasm by the NCC Cadets. As part of this initiative, all cadets took a pledge, administered by the Narcotics Control Bureau, Ministry of Home Affairs, on "Say Yes to Life, No to Drugs." The NCC Cadets then took the initiative to spread awareness among their fellow students by conducting classes on the dangers of drug abuse and illicit trafficking. These awareness classes were attended by students from different classes, who benefited from the informative sessions. The objective of these classes was to educate students about the ill effects of drug abuse and illicit trafficking, and to motivate them to make informed choices about their health and well-being. The cadets effectively conveyed the message that drug abuse and illicit trafficking can have severe consequences on individuals and society as a whole. Overall, the International Day Against Drug Abuse and Illicit Trafficking was observed with great success, and the NCC Cadets demonstrated their commitment to promoting awareness and preventing drug abuse among their peers. ANO Lt. Loosiya, KP and UO Rushda. P (5th Sem BSc Mathematics) were the faculty and student coordinators respectively.

Teachers' Credentials

- **Dr. Shamsheera K. O.**, Assistant Professor in the Department of Chemistry, served as a peer reviewer for the Journal Advances in Research.

- **Dr. Jyothi P** attended the promotion committee meeting as subject expert for the promotion of Dr. Jamsheer, Assistant Professor, MES College, Mampad on 13/6/2025.
- **Dr. Jyothi P**, Associate Professor, Department of Chemistry has participated in the one-day orientation programme for Chemistry teachers on "Mastering Major Courses CHE3CJ201: Theoretical Chemistry 1- basic Quantum Chemistry jointly organised by Department of Chemistry, PSMO College, Tirurangadi held on 12th June 2025.
- **Dr Deepa K**, Assistant Professor, Department of Chemistry has attended FYUG Chemistry Practicals-Hands on Training organised by P G and Research Department of Chemistry, Malabar Christian College, Calicut on 13th June 2025.

- **Dr. Haris U**, Assistant Professor, Dept. of Computer Science, KAHM Unity Women's College, Manjeri, successfully completed a Short Term Programme on Mental Health, Well Being, and Life Skills organized by the Malaviya Mission Teacher Training Centre, Indira Gandhi National Tribal University, Madhya Pradesh, under the UGC's Malaviya Mission Teacher Training Programme, held from 9th to 14th June 2025, and secured Grade A.

- **Dr. Sirajunnisa P**, Assistant Professor (Adhoc), Department of Chemistry has attended FYUG Chemistry Practicals- Hands on Training jointly organised by Department of Chemistry, Govt Arts and Science College and University of Calicut held on 16th June 2025.

- **Dr. Shahina Mol A K**, Head, Research Department of English was invited as the chief guest and she handled a session on career paths, in the honouring ceremony titled Learn N Lead, for winners at various levels, organised by MSF, Irumbuzhi on 14 June 2025.

- **Ms. M.K. Vincetha**, Assistant Professor, PG and Research Department of English attended the six day Faculty Development Programme at Farook College, from 16–21 June, 2025. Jointly organised by UGC MMTTC, (Malaviya Mission Teacher Training Centre), SGTB Khalsa College, University of Delhi and Farook College, the session was entitled 'e-content Development and Outcome Based Education'.

ONE-WEEK FACULTY DEVELOPMENT PROGRAMME (FDP)
e-Content Development & Outcome Based Education, During 16-21 June 2025, organized by
UGC-MMTTC, MALAVIYA MISSION TEACHER TRAINING CENTRE, S.G.T.B. KHALSA COLLEGE, UNIVERSITY OF DELHI In collaboration with Farook College (Autonomous) Kozhikode, Kerala

- **Dr. Aswathi M. P.**, Assistant Professor, Department of English, KAHM Unity Women's College, Manjeri presented a paper titled, "Cross-cultural Reception of the Series, Adolescence : A Digital Humanities Approach" in the international Conference on 'Humanity and Technology: Multidisciplinary Perspectives' organised by Dept. of English & Dept of Research, Arka Jain University (Jharkhand) in collaboration with Nucleus Learning & Development (Gujarat) & Kalinga Institute of Industrial Technology (KIIT - Odisha) on 20 and 21 June 2025.

- **Ms. Fathima Shajitha T K**, Associate Professor & Head, Dept of Commerce, attended the six day Faculty Development Programme (FDP) entitled "E-content Development and Outcome Based Education" at Farook College, from 16th June to 21st June, 2025. The program was jointly organised by UGC-MMTTC, (Malaviya Mission Teacher Training Centre), SGTB Khalsa College, University of Delhi and Farook College, Kozhikode.

- **Ms. Haseena Jasmine C K**, Assistant Professor of Commerce, participated in the two day workshop on "Unlocking Research Trends: Systematic Literature Review & Bibliometric Analysis" organized by PG & Research Department of Commerce, Government College, Maappuram on 11th and 12th June 2025.

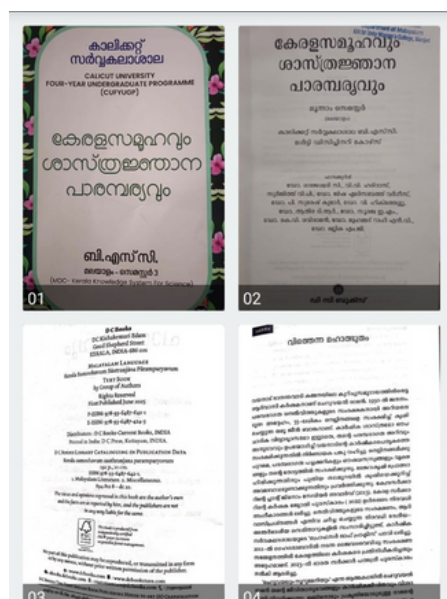

- **Ms. Bushaira V**, Assistant Professor (Adhoc), PG Dept. of Home Science delivered a session on the topic “Building a Research-Oriented Future” on 16 June 2025 for the students of Dept. of Nutrition and Dietetics, Al Shifa College of Arts and Science, Perinthalmanna, Malappuram.

- **Dr. Usman A.**, Assistant Professor and Head of the P.G. and Research Department of Botany, has been appointed as a Board of Studies Member in M.Sc Biology/Integrated M.Sc. Biology/Biology Science Programmes of the University of Calicut.
