## Department of Home Science

### Study Tour to Delhi

The VI Semester BSc Family and Community Science students from the PG Department of Home Science went on a study tour to Delhi from 01 February 2023 to 8 February 2023. 35 students, along with 3 faculties, participated in the tour. They visited places of historical and cultural importance in Delhi and Agra including Taj Mahal, Red Fort, Lotus Temple, etc. Through this study tour the students were exposed to a new environment and acquired some new knowledge about the cultural aspects of Delhi. Apart from these places the students and teachers also visited Public Health Foundation of India (PHFI), Delhi as part of their curriculum.

### Industrial Visit to Public Health Foundation of India

PG Dept. of Home Science conducted an industrial visit to Public Health Foundation of India (PHFI), Delhi as part of their compulsory study tour on 3 February 2023. Public Health Foundation of India is an autonomously governed, educational and research institution which is actively engaged in strengthening health systems and improving public health services across India.. 36 students of sixth semester BSc Family and Community Science and 3 teachers from the department of home science were part of the visit. A faculty from PHFI gave a brief account of the activities and research conducted by PHFI.

### Market Visit to NESTO Hypermarket

As part of related experience in the subject of Food Science, the PG students conducted a Market survey on processed food items available in the market on 03/02/ 2023. They found out the most leading product, different varieties of food supplements available in the market and the quality of the products by checking the labeling and coding of the products. It enabled the students to know the pricing trends and customer expectations about a food.

### Association inauguration

The Home Science dept Association inauguration, HomeFlix, was held on Feb 10th February 2023. The keynote address was given by Dr.Nethra.M, and the programme was inaugurated by Dr.Jensy.C. Both of them are leading Gynecologists in Aster Mother Hospital, Areakode. They gave an awareness class to the students on the topic 'Menstrual problems and Hygiene'. The programme was conducted in the CH Auditorium at 1.30-3.0 pm. The section marked the cultural programmes organized by the students. Welcome speech was done by Association secretary, Shahla .K. and presidential address was done by The principal Dr. Muhammed Basheer Umathur and the vote of thanks was done by Ms. Aslaha Konoth(UUC).

## Alumni Entrepreneurs Mela, 'Teamio 2K23'

The PG Department of Home Science conducted Home Science Alumni Entrepreneurs Mela, 'Teamio 2K23' on 15 February 2023 in the college ground on the day of the Annual Sports Meet. The college Principal, Dr. Muhammed Basheer Ummathur, Manager Jb. O. Abul Ali and Vyshakh S. R, Captain of Indian Amputee Football team jointly inaugurated the Mela. The alumni were given a platform to use their skills to exhibit and sell their goods. The event consisted of six stalls which included dress materials, varieties of food stalls and scented candles. The faculty coordinator for the programme was Mrs. AS Anitha Begum, Associate Professor and Head, Dept. of Home Science.

## Judgement Panel – Rujiyude Kalavara
