Brainstorming Session For DQAC Convenors: -

The Internal Quality Assurance Cell organized a session for DQAC convenors to brainstorm on the department-level measures to be undertaken for quality sustenance. The principal and IQAC Coordinator addressed the gathering. The session was centered on the effective implementation of action plan 2023-24, effective documentation and filing of activities on time, and the integration of SQAC members in Department level activities.

Flash Talk by Hone Your Leadership Skills Club Of IQAC.

A flash talk on “Manipur and the Question of Democracy” was organized under the aegis of Hone Your Leadership Club of IQAC on 31 July 2023. Ms. Mubeena and Ms Irfana, students from V semester B.Sc. Chemistry were the speakers of the day. Dr. A. K. Shahina Mol, the IQAC Coordinator and Club convenor, Fathima Jesni, Savithri from the 5th Semester B.Sc. Chemistry, and Omniya from the 3rd Semester B.Sc. Chemistry, also took the opportunity to address the assembly and express their perspectives. The session was organized to instil the values of empathy, solidarity and democracy among the students of the campus.

Book Review Competition

The P.G. Department of English, KAHM Unity Women's College, conducted a book review competition of an audio book for students on 27th of July, 2023. The Department organises book review competitions for teachers and students every year. It was for the first time that an audiobook was selected. The book selected was 'Ikigai: The Japanese Secret of Happy Life'.

Department of Psychology

The Department of Psychology signed a Memorandum of Understanding (MOU) with the Psyfos Centre for Mental Health and Wellbeing, Manjeri on 7th July 2023, aiming to enhance opportunities for the students and to establish a collaborative framework to promote research, internships, and educational programs related to mental health. The MOU is expected to provide valuable resources and experiences for students pursuing careers in psychology and mental health fields.

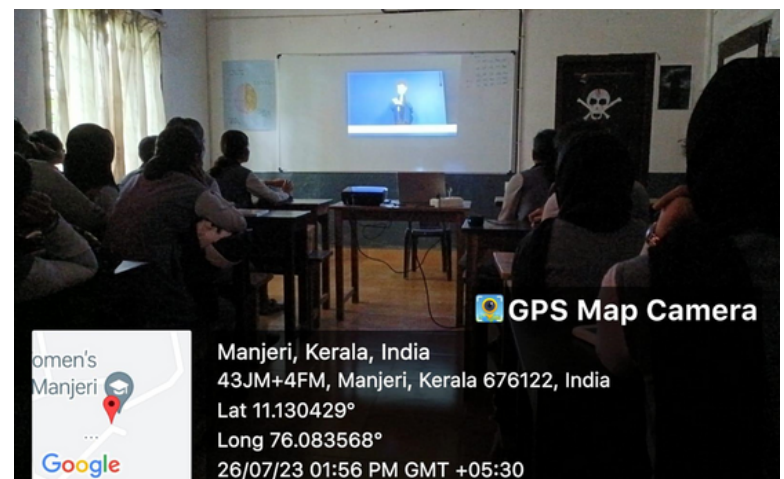

Third BSc Psychology students attended a learning disability orientation session on 17th July 2023 organized by Psyfo's Centre for Mental Health and Wellbeing, Manjeri. The session aimed to equip the students with the necessary knowledge and skills to conduct learning disability screening tests among school students. This initiative was taken in connection with the MOU signed between the two institutions, promoting collaboration in the field of mental health assessment and support. The students gained valuable practical knowledge and enhanced their understanding of working with individuals facing learning challenges.

On the occasion of World Self Care Day, the Department of Psychology came together to raise awareness and promote the significance of self-care in maintaining a balanced and fulfilling life. The day was observed on 27th July 2023 by engaging in various activities that included guided meditation sessions, mindful exercises, and discussions about the importance of setting boundaries and managing stress effectively. The students also shared informative tips on self-care strategies that can be integrated into daily routines.

In a pioneering effort to enhance their understanding of psychological disorders, the third-year BSc psychology students organized a few insightful educational video lecture presentations focused on somatoform disorders. This experiential learning event enabled them to explore the intricate complexities of somatoform disorders, offering a comprehensive insight into their clinical symptoms and psychological basis. The students meticulously curated a series of case studies and expert interviews, showcasing real-life scenarios to illustrate the diverse range of somatoform disorders.

Department of Chemistry

Trivia Contest

The Chemistry Department organized an engaging trivia contest as a part of its association program on the 6th of July. The event was coordinated by Dr. Jamsheena and Fathima Ajeesha, the faculty and student coordinators, respectively. The quiz was skillfully hosted by Omniyah. There were three teams and Team A emerged as the winner of this competition. The questions posed during the contest were exclusively from chemistry, spanning across various captivating rounds. This event served as an excellent platform for participants to uncover a multitude of intriguing facts and facets within the field of chemistry.

'AL KIMIYA'

The department conducted its 3rd Association programme 'AL KIMIYA' on 20th July. Association secretary, Fathima Ajeesha P. delivered the welcome speech. The college Principal inaugurated the department wall magazine on the theme, 'Women in Science'. After the inaugural session, a game 'Who Am I' was conducted. It was a fun game in which many students took part.

Poster-Making Competition

A poster-making competition on the theme, 'Benefits of paper recycling' was conducted on 21 July. The main objective of this event was to create awareness among the students about the importance of paper recycling. Dr. Deepa K took charge of coordinating the program, while Nasna N assumed the responsibility of being the student coordinator. Ms. Safna Mozhikkal from Vth Sem BSc Chemistry and MS. Shahana from 2nd sem BSc Chemistry won the first and second positions respectively.

Release of the Wall Magazine with QR code 22-23

The Department of Chemistry at KAHM Unity Women's College in Manjeri unveiled the 2022-23 edition of their Wall Magazine on the theme, "Women in Science." The event took place on the 20th of July and it was officially released by the Principal, Dr. Muhammed Basheer Ummathur. Dr. Jyothi P, the Head of the Department of Chemistry, emphasized the significance of the wall magazine. The editors of the wall magazine, Ms. Jesni and Ms. Irfana, who are in their 5th Semester of BSc Chemistry, played a key role in its creation. The core purpose behind the Wall magazine is to nurture and showcase students' talents in creative writing while fostering teamwork. It serves as a medium to enhance students' active involvement in various departmental activities

Malala Day :A Talk on Gender Discrimination and Violence

A discussion on Gender Discrimination and Violence, in association with Malala Day Celebration, was held on 13th July 2023. In the event coordinated by Dr. Jamsheena, Ms. Omniyah, Ms. Raniya and Ms. Shahana shared their insights about Malala.. The students took part in the discussion with great enthusiasm.

Quiz on A P J Abdul Kalam

The Department conducted a quiz programme on the occasion of A P J Abdul Kalam's 8th-year remembrance day on 27/7/2023. Dr Jamsheena was the faculty coordinator. Ms. Omniyah took the roles of both student coordinator and quiz master. After the quiz programme, there was a discussion on Kalam's book Wings of Fire.

Department of Mathematics

National Statistics Day Observation

The Department of Mathematics and the Mathematics and Statistics Club jointly organized a talk on the 'Significance and Applications of Statistics' as a part of the National Statistics Day observation on 3rd July 2023. Dr. Saheeda Riyas, Statistical Investigator, Department of Economics and Statistics, Malappuram presented the topic. She emphasized the importance of statistics in decision-making, policy formulation, and understanding real-world phenomena. Dr. Saheeda Riyas discussed key statistical concepts, tools, and techniques, showcasing their practical application through examples and case studies. Principal Prof.(Dr.) Muhammed Basheer Ummathur, IQAC Coordinator Dr. AK Shahina Mol, faculty members of the Department, Abdul Rof V, Ashitha PA, Farsana M and student coordinator of Mathematics and Statistics Club, Hiba Sharin addressed the gathering.

Career Orientation Session: IIT-JAM, CUET, and Other PG Entrance Examinations

The Department of Mathematics organized a career orientation session on 27th July 2023. The session aimed to provide insights into postgraduate entrance examinations such as IIT-JAM, CUET and many more. Mr. Muhammed Shameem, CEO of MathLab Cochin, was the resource person. The session was highly informative and encouraged students to pursue higher education in Mathematics at premier institutions.

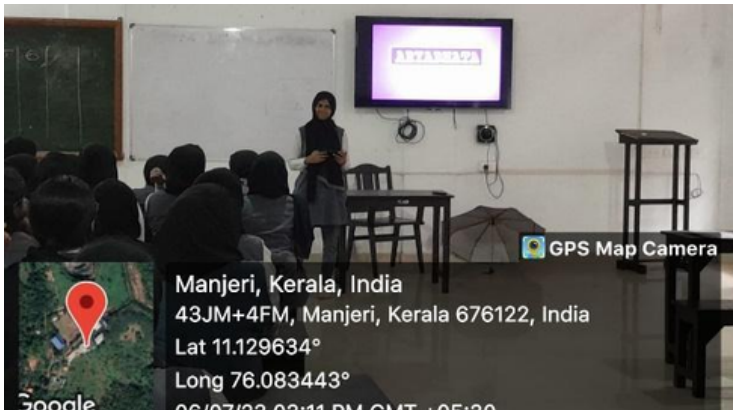

Community Outreach Programme

As a part of the 30th Anniversary of K.A.HM Unity Women's College, the department set up a Mathematics Laboratory in Government Vocational Higher Secondary School in Agali, Attappady. With financial assistance from the college Governing Body, the students of the department actively contributed to the establishment of the laboratory. It was acclaimed as a significant contribution to the school, which has 50% of the student body from different tribal communities. On Saturday, July 22nd, 2023, the laboratory was inaugurated by N. Shamsuddeen, MLA, during a formal event. The Mathematics laboratory, meant for high school students, has a variety of charts, working models, and still models. Teachers said that the laboratory would ignite an interest in the subject

Association Activities

On 6th July 2023, the Mathematics Association organized a quiz competition on the topic, "History of Mathematics and Statistics Day." The event was successfully led by Fathima and Hiba Nasrin M, who ensured its smooth execution and engaging atmosphere. Participants showcased their knowledge and enthusiasm, celebrating the rich legacy of Mathematics and Statistics in shaping our world

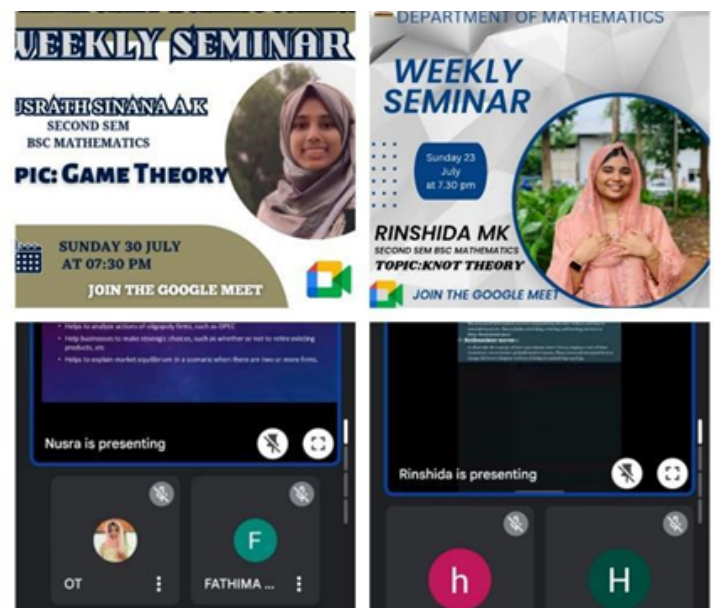

Weekly Puzzle Competition

Second semester BSc Mathematics students conducted a weekly puzzle competition for the entire college students on 7th and 21st July 2023. The winners are Jyothilakshmi (II Semester BSc Botany) and Shifna Kareem (fifth semester BSc Computer Science)

Students Seminar Series

The 23rd session of the student's weekly seminar series was hosted by the second-semester Mathematics students on 23rd July, 2023 through google meet. The session on the topic "Knot Theory" was engaged by Ms. Rinshida M.K. of 2nd-semester BS.c Mathematics. The 24th session of the student's weekly seminar series was hosted by the second-semester Mathematics students on 30th July, 2023 through google meet. The session on the topic "Game Theory" was engaged by Ms. Nusrath Sinana A K of 2nd semester BS.c Mathematics.

Department of Botany

Van Mahotsav 2023: Slogan Writing Competition

As part of Van Mahotsav 2023, the P.G. Department of Botany, K.A.H.M. Unity Women's College, Manjeri, organized a Slogan writing competition on 1st July 2023 for both students and teachers to raise awareness about the importance of trees and forests in our lives and to protect the environment. The slogans of Shirin E.K., Fourth Semester M.Sc. Home Science student and Shuhaila M., Fifth Semester B.Sc. Botany students were selected as the best among the submitted ones. Assistant Professors from six departments – Chemistry, Commerce, English, Family and Community Science, History, and Mathematics – took part in the competition. Shahla Karuthedath, Assistant Professor Adhoc in the Department of FCS, and Dr. Fathimathu Zuhara N.P., Assistant Professor in the Department of FCS, stood out as the top performers among the teachers in the contest. The programme, coordinated by Dr. Deepa P. and Husna Marjan, inspired the students and teachers to save the environment by planting, replanting and conserving the vegetation on earth.

Distribution of *Ensete superbum* (Roxb.) Cheesman Seedlings to Neighboring Communities

Ensete superbum (Roxb.) Cheesman. (Kalluvazha) is a rare medicinal plant coming under the family Musaceae which possesses the seeded fruits with hard seed coat. The fruits, seeds and leaf juices are highly medicinal and commonly used to cure different human diseases. Due to the significance of plants in the Pharmaceutical industry, the plant is conserved in Biodiversity Park of KAHM Unity Women's College, Manjeri, Malappuram, Kerala. Usually, the mycorrhizal association and abiotic environmental factors induce the seed germination and seedling development in the rainy season. As part of a community outreach programme, the department distributed the fully developed *E. superbum* seedlings to neighboring communities on 7th July 2023. The students of Second Semester M.Sc. Botany shared the knowledge regarding medicinal properties of the distributed plants to communities. The programme was coordinated by Dr. Deepa P., Dr. Gouthami V., Mr. Adil Siyad (Assistant Professors, Dept of Botany) and Ms. Fathima Nidha (2nd Sem MSc Botany).

Debate on Gender Equality

SYLVIE Association, Department of Botany, KAHM Unity Women's College, organized a debate on the topic 'Gender Inequality' on 20th July 2023. Students raised their arguments for and against on the topic 'Gender equality' and shared their life experience. The debate proved to be a significant step towards promoting open dialogue, understanding diverse viewpoints, and empowering students to speak up on crucial societal issues. The program was coordinated by Dr. Faseela P, Assistant Professor, Dept of Botany and Shaharban C (Association Secretary) and Ms. Husna Marjan OV (5th Sem BSc Botany).

'One Student One Tree Campaign 2023'

An annual tree-planting initiative is held at the college, as part of Van Mahotsav 2023, aimed at raising awareness about the benefits of trees and encouraging student participation in environmental conservation. Students from the Fifth Semester B.Sc. Botany and Second Semester M.Sc. Botany, and Ms.Haseena Jasmin, Assistant Professor of Commerce, contributed various tree seedlings, including species like *Syzygium aromaticum* (L.) Merr. & Perry, *Mangifera indica* L., *Bambusa bambos* (L.) Voss in Vilmorin, *Saraca asoca* (Roxb.) de Wilde, and *Anacardium occidentale* L. These seedlings were planted in the Biodiversity Park (Botanical Garden) of KAHM Unity Women's College, Manjeri. The environmental conservation program was coordinated by Adil Siyad, Manasa, and Rahana, promoting the concept of campus greening among the students.

Onto Uni-Hibiscus Garden

as part of 'van mahotsav 2023' a uni-Hibiscus garden in the Biodiversity Park on 07th July 2023. It is the germplasm pool of differently coloured Hibiscus varieties. The programme was coordinated by Sithara Nazar, Hana Backer (Assistant Professor, Dept. of Botany) and Ms Fayisa (2nd Sem MSc Botany).

NSS

University Level NSS Arts Festival - GUERNICA

The University Level NSS Arts Festival, GUERNICA, was held on July 21st and 22nd, 2023, at Farook Training College, Kozhikode. Organized for NSS volunteers from colleges under Calicut University, the festival aimed to showcase artistic talents and promote cultural exchange among the participants. Fifty NSS Volunteers from our college actively participated in various events in the GUERNICA Arts Festival. The volunteers exhibited their artistic prowess across different categories, contributing to the overall success of the event.

Department of Malayalam
