Department of Botany

8th Alumni Talk

On 1st March 2023, the 8th session of the alumni lecture series for the academic year 22-23 was conducted. The keynote speech was delivered by Jahana of the 2020-22 M.Sc. Batch, who discussed how to crack the CSIR NET exam. The keynote speaker, Jahana, provided an in-depth understanding of the various topics covered in the CSIR NET exam. She discussed the exam pattern, syllabus, and provided valuable tips and tricks on how to prepare for the exam. The lecture was interactive, and the students actively participated by asking questions and clarifying their doubts.

Parents Meeting Conducted

On 1st March 2023, the first parents' meeting for the first year BSc Botany program for the academic year 2022-23 was conducted. The meeting was deemed important for parents to attend as they would get to know the status and attitude of their daughters. The meeting was held in the college auditorium and the Botany lab. The meeting commenced in the afternoon with a general meeting in the college auditorium. The parents of Botany students then assembled in the Botany lab where Dr. Usman A., the Head of the Department of Botany, and Dr. Faseela P. addressed them.

Entertainment Trip to Kochi Wonderla

On 2nd March 2023, the final year PG students went on an entertainment trip to Kochi, where they visited Wonderla Amusement Park during the day and spent the evening at Lulu Mall. The field trip was a great success, providing students with an opportunity to experience some of the best attractions Kochi has to offer. The trip was entertaining, and unforgettable, and the students returned after a small break from the rush of academic atmosphere, with a refreshed and rejuvenated mindset.

SYLVIE - Botany Association Inauguration

On 2nd March 2023, the Inauguration of the Botany Association was held at the college auditorium. The program was aimed at instilling awareness and knowledge on microbiology and food safety among the participants. The keynote address was delivered by Mr. Shahul Hameed P., a renowned Microbiologist and Food Safety Trainer from Highfield, UK. He shared his insights and experiences in the field of microbiology and food safety, providing the participants with a valuable learning opportunity. The seminar was well-organized and received positive feedback from the participants.

Kudumbasree Workers Came To Harvest Mushroom

On March 3rd, 2023, Kudumbasree members from Pulpatta panchayath harvested mushrooms from a packet they had made during a workshop on mushroom cultivation. This workshop was conducted by the PG Department of Botany on February 2nd, 2023. It's commendable to see that these members are taking an active interest in mushroom cultivation and participating in workshops to learn more about the process. Mushroom cultivation can provide a sustainable source of income and nutrition, and it's important to support such initiatives in our communities.

Navakeralam Workshop Special Newsletter Released By Principal

On 14th March 2023, the official monthly newsletter from the PG Department of Botany, Chlorophile, covering the 'Campuses for Navakerala' one-day workshop held on 20th February 2023 at KAHM Unity Women's College was released by Prof. Dr. Muhammed Basheer Ummathur, the Principal of KAHM Unity Women's College, Manjeri. The release of the special newsletter is an effort to spread awareness about the importance of creating sustainable and eco-friendly campuses in Kerala.

Forest Day Celebrated

The Oscar winning documentary 'The elephant whisperers' was screened for the First MSc students on the International Forest day on 21st. After the screening, the students were asked to share their views. The program was coordinated by Mr. Unaisudheen TP and Dr. Gouthami.V, Guest lecturers of the Department.

Find Your Future: Career Chasing Test

On March 31, 2023, the Career Placement & Guidance Cell of the PG Department of Botany organized a 'Find Your Future: Career Chasing Test' at the Botany lab. The objective of the test was to provide career guidance to the participants based on the multiple intelligence theory. The program was led by Mr. Aleem Yoosuf N and Mr. Unaisudheen TP, faculties of the PG Department of Botany. The 'Find Your Future: Career Chasing Test' was designed based on the multiple intelligence theory, which suggests that individuals possess different types of intelligences, including logical-mathematical, linguistic, musical, bodily-kinesthetic, spatial, interpersonal, and intrapersonal. The test aimed to identify the participants' dominant intelligence and provide career guidance based on that.

Department of Malayalam

Teachers from KAHM Unity Women's College Participate in KSHEC Let's Go Digital Institutional Training Programme

KAHM Unity Women's College Mangeri is proud to announce the participation of its teachers in the KSHEC Let's Go Digital Institutional Training Programme on Learning Management System (Moodle). The programme was organized by the Kerala State Higher Education Council in association with the Digital University of Kerala and took place from 13th to 17th March 2023. The programme was designed to provide hands-on training to teachers on the use of the Learning Management System (Moodle) and Digicol LMS. The training covered a wide range of topics, including creating and managing online courses, creating and grading assignments, and monitoring student progress. The programme also provided insights into the effective use of technology in teaching and learning.
