

Empowering Women Entrepreneurs - From Vision to Venture

The Entrepreneurship Awareness Programme, "**Empowering Women Entrepreneurs - From Vision to Venture**," organized by the ED club on September 20, 2023, proved to be an insightful and motivational event. Mr. CS Jabir Panoli's presence and expertise added immense value to the program, providing students with a real-world perspective on entrepreneurship. By emphasizing the development of essential skills and encouraging students to consider entrepreneurship as a career choice, the event successfully achieved its goal of raising awareness and empowering future entrepreneurs.

The program received positive feedback from participants, who left the event with a renewed sense of enthusiasm and determination to explore the world of entrepreneurship. It is hoped that this initiative will inspire and support more young women to embark on entrepreneurial journeys, thereby contributing to the growth and diversification of the business landscape. The Ed club intends to continue organizing such awareness programs to foster a culture of entrepreneurship among students and promote inclusivity in the entrepreneurial ecosystem.
