

Reprographic Centre

Library is a centre of academic activities by making its resources available to students, faculty and other staff members for their curricular, research and general information needs. The college facilitates the campus with a reprographic centre in the library with computers, printer, scanner and a photo stat machine which is open during the working hours. The students and faculty are not required to go outside the campus for these facilities and thus it care of large scale operations and ensures their needs as and when required.
