PG Department of Botany conducted a Slogan Writing Competition as part of World Wetlands Day 2024 with the theme 'Wetlands and human wellbeing'. Students of Second Semester M.Sc. Botany participated in the programme and contributed the slogans regarding the conservation of wetlands for future generations. The event was coordinated by Dr. Deepa P., Mrs. Hibamol P.K. and Aswathi M.

Association Inauguration

On February 23, 2024, the Department of Botany, KAHM Unity Women's College, Manjeri, inaugurated its association with Dr. Usman A, HOD of the Botany department, presiding over the event. The chief guest, Dr. Haris P., Chairperson of the Centre for Tropical Biodiversity Conservation, Malappuram, inaugurated the Association and passionately emphasized the importance of biodiversity and the urgent need for biological conservation, accompanied by captivating photos illustrating the beauty of nature and the interconnectedness of living and non-living elements. He also elaborated the importance of research in botany, highlighting various fellowships available for aspiring researchers. The event provided a platform for students and faculty to gain insights into the evolving landscape of botany, fostering a spirit of enthusiasm and commitment to the field. The program was coordinated by Dr. Faseela P., Assistant Professor and Hasna M., 4th Sem B.Sc. Botany.

On 23 February 2024, PG Department of Botany conducted a PTA meeting for B.Sc. Botany second semester (2023-2026) students at 2pm in the first year B.Sc. Botany classroom. The main aim of the program was to create a connection between teachers and parents to jointly work on the overall progress of the students. Dr. Usman A., HoD, PG Department of Botany extended a warm welcome to the gathering and shared a detailed speech about the importance of education, preparation for the upcoming semester examination, attendance, study trip etc.

Dr. Muhammed Basheer Ummatur, The Principal, KAHM Unity Women's College, Manjeri addressed the parents, discussed the importance of focus on the students by teachers as well as parents on their academic improvement, moral and ethical values. On that occasion, Ms. Hibamol P.K., semester tutor shared the overall performance of the entire class by providing detailed information on theory and practical papers, involvement of students in both curricular and extra curricular activities and also discussed paper wise performance of the students after distributing the grade cards of internal examination.

{3}

Department of Botany, KAHM Unity Women's College, Manjeri, released the '{3}' magazine on 29th February 2024 for the academic year 2023-24 in a ceremony held at the college auditorium. Magazine was released by Manager Er. O. Abdul Ali and Principal Prof. (Dr.) Muhammed Basheer Ummathur graced the occasion. Student editors, Adila (4th Sem MSc Botany) and Nishma (6th Sem BSc Botany), showcased their editorial prowess, contributing significantly to the magazine's content.

'{3}' transcends the conventional academic sphere, serving as a canvas for students to express themselves creatively. This initiative not only enhances writing skills but also encourages a broader exploration of creativity. The magazine, with its QR code integration, exemplifies the college's dedication to providing a comprehensive educational experience that goes beyond traditional academic boundaries, fostering a holistic development approach for its students.

Congratulations

KAHM Unity Women's College, Manjeri

Taxonomic study trip to Goa and Maharashtra conducted to Sixth Semester B.Sc. Botany students

Department of Botany, KAHM Unity Women's College, Manjeri, organized a field visit to the Central Coffee Research Institute (CCRI), Chikmangalur on February 5, 2024. The initiative, led by Dr. Usman A., HOD, Department of Botany and Dilna PP (6th Sem B.Sc. Botany), saw the active participation of 45 BSc Final year students. The visit encompassed a comprehensive exploration of various facets within CCRI.

The exploration continued with a visit to the coffee fields, offering students a firsthand look at diverse varieties of coffee plants. This practical encounter in the field allowed them to connect theoretical knowledge with real-world applications. The visit to CCRI not only expanded the student's understanding of plant biology but also underscored the interdisciplinary nature of botanical research.

The students first delved into the intricacies of molecular biology lab, gaining hands-on experience with instruments like PCR. This exposure provided them with a practical understanding of molecular techniques employed in plant research. Subsequently, the group proceeded to the Plant Pathology lab, where they encountered an array of pest trapping devices and studied different pathogens affecting plants. This segment heightened their awareness of plant diseases and strategies for their mitigation.

Dr. Faseela P, Assistant Professor, Department of Botany inaugurated the Botany association of NSS College, Manjeri and delivered a talk on Future Prospects in Botany, on 23 February 2024.

Jumna Mol K. of Sixth Semester B.Sc. Botany participated in Mappilapattu Group, Patriotic song and Indian group song that was conducted in College Fine arts 2024. Fathima Noora C., Fathima Lulu P.V. and Fathima Rifa of Second Semester B.Sc. Botany participated in Oppana. Sana V. of Second Semester B.Sc. Botany participated in Mappilapattu Group, Mappilapattu Single and Recitation Arabic.
