growing For Market

The vegetable garden in the PG department of Botany has been harvested, yielding a diverse array of fresh produce. The garden likely showcases a variety of vegetables, reflecting the department's expertise in plant cultivation and botanical knowledge. The harvest may include common vegetables like tomatoes, brinjal and chilly. Overall, it demonstrates the practical application of botanical principles and serves as a valuable resource for both education and sustainability within the department.

Eco & Nature Club

The Eco & Nature Club, KAHM Unity Women's College, Manjeri organized a two-day nature education camp and Brahmagiri peak trekking event at Thirunelli forest division in Wayanad on January 13th and 14th, 2024. On the inaugural day, participants immersed themselves in the wonders of nature with a visit to the Kalindhi River and an insightful nature class and a documentary by renowned wildlife expert Mr. Muneer Tholpetty, focusing on the majestic elephants that inhabit the region. The climax of the day was an engaging quiz competition where Mrs. Asna Jahan, 1st sem BSc Botany secured the prize.

Day two kicked off with an early morning bird-watching session led by Mr. Nandu, the Divisional Forest Officer (DFO) of Thirunelli Forest Division. Participants observed a diverse array of bird species. The pinnacle of the event was the Brahmagiri peak trek, a challenging 12-kilometer journey guided by dedicated forest guards. Along the trek, participants encountered various plant species and endemic Shola-grassland forest ecosystem. The trek concluded at the breathtaking peak at 1608 meters above sea level, providing participants with a sense of accomplishment and stunning panoramic views of the border between Kudak and Wayanad.

A total of 42 students from various departments actively participated in the program, exploring the rich biodiversity of Thirunelli forest division. The participants observed various wildlife animals, including leopard also. The camp and trekking was coordinated by Dr. Faseela P, Mrs. Shifa M (Assistant Professors, Department of Botany), Mrs. Niranjana (1st Sem BSc Maths), and Mrs. Zeva Khan (1st Sem BSc Botany). The camp concluded at 4 pm and this event successfully blended education, adventure, and appreciation for nature, leaving a lasting impact on all those fortunate enough to be involved.

On the 22nd of January 2024, starting from 10 AM, the PG Department of Botany in collaboration with the Jeevani Centre for Student well-being, organized a program titled "Rebound: Turning Setbacks into Comebacks." The event was led by Psychologist Muheena Thasneem K.T., with the support of Faculty Coordinator Nahla Zakariya (Assistant Professor Adhoc) and Student Coordinator Vafa Mol (Second Semester M. Sc. Botany).

In the afternoon, Muheena Thasneem KT led a concise yet impactful motivational class for the students of Botany department.

In conclusion, "Rebound: Turning Setbacks into Comebacks" left a lasting impact on the participants, addressing the unique needs of slow learners and instilling renewed resilience and motivation among the students. The event underscored the commitment of Unity Women's College and the Jeevani Centre for Student Well-being in fostering the holistic development of students.
