National Webinar on Intellectual Property Right

On September 15, 2021, department organized a National Webinar on IPR. The webinar was inaugurated by Principal Dr. C saidalavi. Dr. Sheena from NIT Karnataka delivered a keynote address. He spoke about Copyright and Plagiarism. Dr. Shahina Mol, Head, Department of English presented her ideas on the topic, IPR : Scope and Prospects. Students and teachers from different parts of the state attened the webinar. Coordinator shabeermon welcomed the gathering and Mr. Faizal Tk delivered vote of thanks. Youtube link the event is as follows <https://youtu.be/4CEjQuu81fc>

Programmes for Transfer of Knowledge

The Department of Mathematics organized an audio recording competition in connection with National Mathematics Day celebration. First Semester BSc Mathematics student Fatima Fitha T bagged the first position. That audio was aired in Manjeri FM. https://drive.google.com/drive/folders/1W_gVQVkfF58JastgyzMW_Q5Q8xgeIDTry?usp=share_link

2. Department of Malayalam 2021-22

Workshop on Mathematical Tradition of Malayalam.

Organized a workshop with the Department of Mathematics on Mathematical Tradition of Malayalam. Mrs. Chinchusurendran took the class. 17.03.2022

Inauguration of Malayalavedi

Department of Malayalam formed **Malayalavedi** for the promotion of Malayalam language and literature. **Inaugurated by Santosh Vallikkad** (Asst.Professor, Department of Malayalam, NSS College, Manjeri) 27.01.2022 .

Debate on the Film Perumthachan

Conducted A Debate on the Film named 'Perunthachan by MT Vasudevan Nair on 22.11.2021

Discussion on Contemporary Malayalam Short Stories on 03.12.2021

കഥാ ആഖ്യാനം

03/12/2021 വെള്ളിയാഴ്ച 2.20ന്
മലയാളവേദിയുടെ കീഴിൽ ഒരു കഥാ-
ആഖ്യാനം സംഘടിപ്പിക്കുന്നു. ഈ പരി-
പാടിയ്ക്ക് നിങ്ങളുടെ എല്ലാവരുടെയും
പൂർണ്ണ പിന്തുണയും സാന്നിധ്യവും ഉ-
ണ്ടായിരിക്കണമെന്ന് വിനീതമായി അ-
ഭ്യർത്ഥിക്കുന്നു.

ഉദ്ഘാടനം :- **ഷറഫുദ്ധീൻ സാർ**
നയിക്കുന്നത് :- **എക്സിക്യൂട്ടീവ് അംഗങ്ങൾ**

എല്ലാവർക്കും സ്വാഗതം

Collaborative Lecture series with English Department

Conducted a Lecture on Evolution of Sensibility of Malayalam Literature for M.A English students - 03.12.2021

Conducted a Collaborative Lecture on Malayalam Poetry for BA English students 06 - 12 – 2021

Conducted a Collaborative Lecture on Malayalam Poetry for BA English students 04.01.2021

Inter-College Mappilappattu competition and seminar

Conducted an Inter-College Mappilappattu competition in association with Music Club and Moyinkutty vaidyar mappila kala Academy (under the ministry of culture, Govt.of Kerala) 16. 02 2022

Observation of Mother language Day

International Mother Language Day was observed in association with NSS. 21. 02 2022

February 21
International Mother Language Day

Program will conduct
February 22

PROGRAMS

- Quiz (Pair)
- Tongue Twister
- Madhura Malayalam
- kavitha Maram

Teachers can also participate in all the programs except the Quiz

Collaboration with Malayala vedhi

**NSS UNIT 008&171
KAHM UNITY WOMEN'S
COLLEGE MANJERI**

The poster features a word cloud of the word 'PEACE' in various languages, a group of stylized human figures, and logos for NSS and the college.

INTERNATIONAL WEBINAR SERIES

on

"Exploring the Realm of Chemical Sciences"

We all are aware of the importance of research in our day-to-day life. Research in any area plays a crucial role in developing and broadening the knowledge on that area. As a part of 30th anniversary celebrations, the PG department of Chemistry of KAHM Unity Women's College, Manjeri has conducted an International Webinar on "Exploring the Realm of Chemical Science" on 15th, 22nd January and 05th February 2022 at 2 pm through Google Meet platform. The participants include all the chemistry students, Research Scholars, faculty members of our college and faculty members of various colleges.

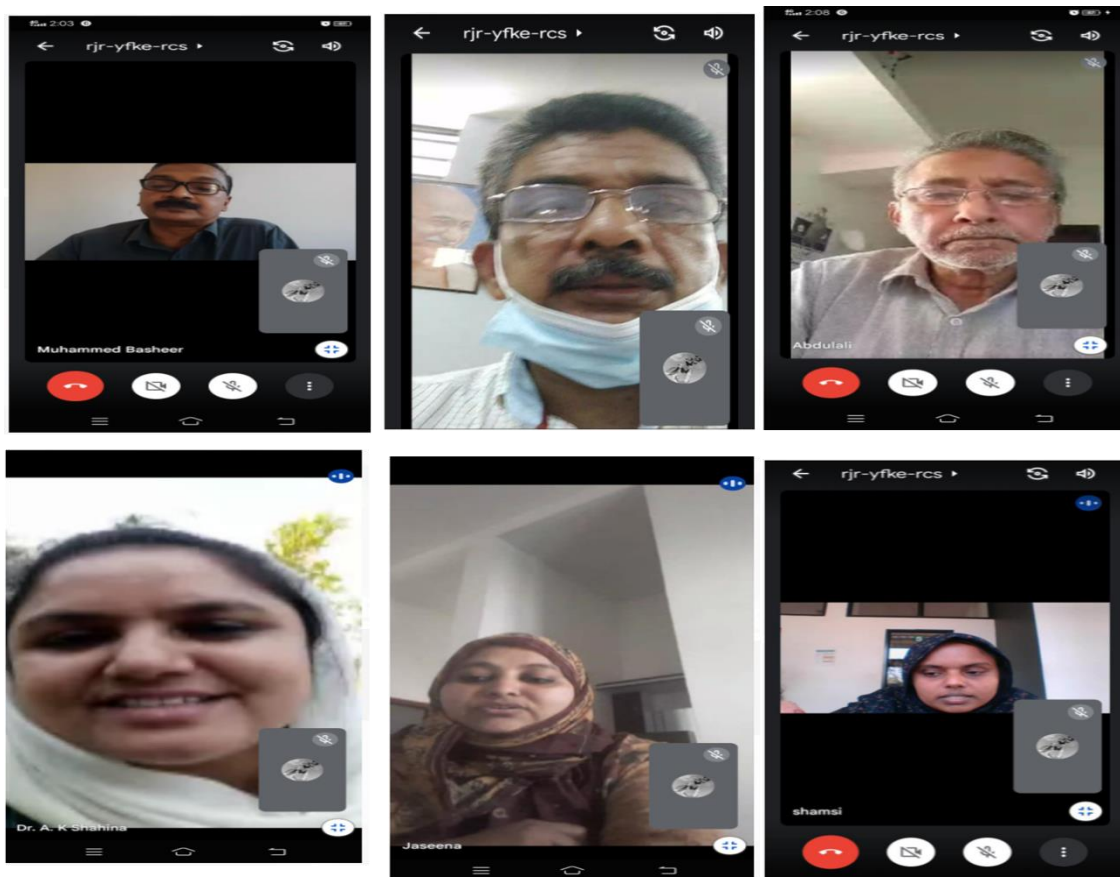

Day 1

Date: 15.01.2022 Time: 2 PM Platform: Google Meet

Dr. Muhammed Basheer Ummathur (Associate Professor and Head of PG department of Chemistry) welcomed the participants. Principal Dr. C Saidalavi inaugurated the function. Jb. O. Abdul Ali (Manager of KAHM Unity Women's College), Dr. Shahina Mol A. K (IQAC Co-ordinator and Assistant Professor of English), and Mrs. Jaseena. C (Staff Secretary and Assistant Professor of History) felicitated the function.

The First Talk of the webinar series was chaired by Dr. Jyothi P (Associate Professor of Chemistry). The Resource person for the first talk was Mr. Muhammed Haris P U, Pre-doctoral researcher, BCMaterial, Leioa, Spain. He delivered his talk on "Perovskite Solar Cells". It was very informative talk. Owing to properties of perovskite solar cells like high efficiency and low cost made it commercially more attractive than dye-sensitized solar cells. Due to its compositional flexibility, scientists can design perovskite crystals to have a wide variety of physical, optical, and electrical characteristics. Moreover, His talk was very useful to our students and research scholars in a special way that they got an idea about the opportunities for higher studies and various fellowships and internships available in various reputed Institutions. He nicely elaborated the specific topic as well as provided valuable information regarding the process of doing research in any particular area of interest. The participants especially the students were very motivated by hearing his journey in the area of research. The webinar came to an end with the vote of thanks by Dr. Shamsheera K. O (Assistant Professor of Chemistry and webinar co-ordinator).

Inaugural session

Technical session

Day 2

Date: 22.01.2022 Time: 2 PM Platform: Google Meet

The second talk of the webinar series was conducted on 22nd January 2022. The session was chaired by Dr. Deepa K (Assistant Professor of Chemistry). The Resource person for the second lecture was Dr. Muhammed Ajmal C, Research Professor, Center for Nanotubes and Nanostructured Composites Sungkyunkwan University, South Korea. The topic of his presentation was “Multidimensional Filler Architecture for Electrically/Thermally Conductive Nanocomposites”. He described the topic very well with simple explanation which really was successful to attract the interests of the participants. The session was very much helpful for being curious about nano chemistry and understanding the current research in the area of nanotechnology. He also gave his valuable suggestions regarding the building of career in research after PG level. participants were well benefitted from his talk. An excellent interaction between resource person, students and teachers was held after the presentation session. Finally,

the webinar was ended with vote of thanks which was delivered by Dr. Thasnim P (Assistant Professor of Chemistry).

Day 3

Date : 05.02.2022 Time : 2 PM Platform: Google MeetThe third talk of the webinar series was conducted on 05th February 2022. The session was chaired by Mrs. Suhada K. M (Assistant Professor of Chemistry). The Resource person for the third lecture was Dr. Pranav K. Gangadharan, Postdoctoral Research Fellow, Tokyo Institute of Technology, Laboratory for Chemistry and Life Science Institute of Innovative Research, Yokohama, JAPAN. The topic of his presentation was “Electrocatalyst Designing-Key to a Sustainable Energy Future”. The topic was so relevant in the modern period where all the energy sources are more or less scarce. The talk was dealing with efficient electrocatalyst like Nitrogen doped Graphene for Hydrogen evolution and rechargeable batteries, which was really fruitful experience for the students. Students get exposed to the new area of chemistry by these sessions. We received good response from the audience and also, they gave very good feedback. The entire programme was anchored by Ms. Rahma Sinu and Laika (1st MSc Chemistry). The webinar concluded at 3.10 PM by the vote of thanks of Dr. Jamsheena V (Assistant Professor of Chemistry).

TALK ON TRENDS IN FOOD FRAUDS AND ADULTERATIONS IN MARKET

Date : 24.02. 2022 Time : 7.30 PM Platform: Google meet

The PG department of Chemistry of KAHM Unity Women's College, Manjeri had conducted a Webinar on "Trends in Food Frauds and Adulterations in the Market" as the second session of the Community Outreach Programme of this academic year on Sunday, 24th February 2022 at 7.30 pm through google meet platform. The participants include all the chemistry students, their parents and family members, staff members of our college and the local people of nearby villages. The Resource person of the session was Dr. Jithin Raj P, Food Safety officer, Vadakara Circle, Kozhikode Dist.

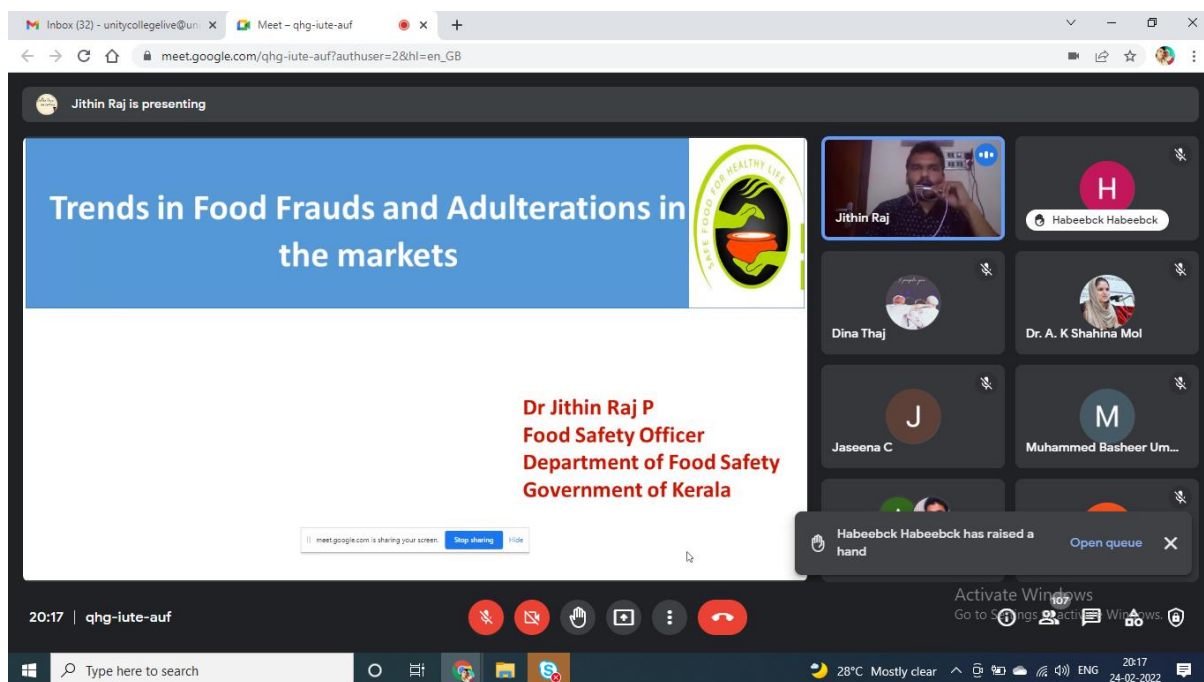

Dr. Muhammed Basheer Ummathur (Associate Professor and Head of PG department of Chemistry) welcomed the participants. Principal Dr. C Soidalavi, Inagurated the function, Dr.Shahina Mol A.K (IQAC Coordinator and Associate Professor of PG Department of English) and staff secretary Smt. Jaseena C felicitated the function.

The presentation was based on the importance of food adulteration, importance of food safety measures, various diseases caused by the contamination of food and awareness about the food frauds in all around us. Dr. Jithin Raj P, presented the webinar excellently and it was very much useful to the participants who attended the webinar since it was a need of the hour. The resource person shared the anxiety regarding the reluctance of the

people in the taking junk food which is the main reason for the major stomach and health problems in these days. The participants realized the need of natural food and consequences of junk foods and food preservatives.

An elaborate discussion was held on poisoning of food, different food additives, poisonous substances added to fruits for early ripening *etc.* The adverse effect of food additives and the diseases caused by these food adulterations was also a topic of discussion. Webinar stressed on the importance of natural food and removal of junk foods.

An excellent interaction between resource persons, parents, students and teachers was held after the presentation session. They expressed their anxieties about the current situation in food processing and disease caused by intaking these poisonous additives. The participants remarked that the session was an eye opening one and the topic is needed this time. The entire programme was anchored by Ms. Dina Thaj (4rd Semester BSc Chemistry). The webinar concluded at 9 PM by the vote of thanks of Dr. Jasna V.C (Assistant Professor, PG Department of Chemistry and Programme Coordinator).

FELICITATION CEREMONY AND WEBINAR TALK ON THE HIDDEN BEAUTY OF PERIODIC TABLE

DATE:08/09/2021, WEDNESDAY at 2:30 pm

PG DEPARTMENT OF CHEMISTRY of KAHM UNITY WOMEN'S COLLEGE, MANJERI conducted felicitation ceremony for DILRUBA FATHIMA, BSc. CHEMISTRY final year student, who achieved **Asian book of record** and **Indian Book of record** for the fastest teen to recite the periodic table in 32 seconds and 90 millisecond along with that department also organized a webinar on the topic hidden beauty of periodic table.

Program started at 2.30 by a silent speech. The welcome speech of Dr. Muhammed Basheer Ummathur, associate Professor & Head, PG Dept. of Chemistry, inspired the whole student to follow lead of our star Dilruba . Our anchor Shaniba, leader of third year chemistry invited Dr. C Saidalavi, principal for presidential address. Felicitation address is propound by Dr. Mujeeb Rahman P, assistant professor, Dept. of chemistry, govt. arts and science college , Calicut ; Jb O. Abdul Ali, Manager, UWC; Dr. Deepa K, Assistant professor of chemistry, UWC; Dr. Annie Ninan , IOAC Coordinator, UWC; Dr. Shahinamol AK, Assistant professor and head of PG Department of English and by Basila Sharin, chemistry association secretary. All are filled with enchant and proud that all the felicitation was overwhelmed by the applause to Dilrubha, the star of the day.

After that reply speech is delivered by Dilrubha that how she prepared and hard worked for her achievement and she said that she can clear all the doubts regarding it and asked to feel free to contact her. The webinar was started by Dr. Mujeeb Rahman by dedicating it for our opal.

Webinar is started by 3.15 through the history of periodic table. It was quite interesting and informative session. It reinforced that the periodic table is the minimum document enough to retrieve this universe once it is destroyed completely. Then the session move through the story of periodic table, periodic law.

After the session it's time to interact with the resource person and then Dilrubha show off her awards and it was a great inspiration for all others. Programme ended by the vote of thanks of Dr. Jamsheena V, programme coordinator and assistant professor of chemistry, UWC. It's a tremendous account to participate the oddly programme conducted by PG department of chemistry, UWC.

TALK

On

‘Waste Management and Ecosystem Restoration’

Report

The PG Department of Chemistry in association with science club celebrated World Environment Day on 6th June 2021. The programme was on google meet. Dr. Jyothi P., Associate Professor, PG Department of Chemistry, KAHM Unity Women’s College, Manjeri and coordinator of the programme welcomed the participants. Dr. C. Saidalavi, Principal, KAHM Unity Women’s College, Manjeri inaugurated the programme. Dr. Muhammed Basheer Ummatur, Associate Professor and Head, PG Department of Chemistry, KAHM Unity Women’s College, Manjeri presided over the programme. The Resource Person Ms. Premalatha S., Environmental Engineer, Kerala State Pollution Control Board, Thiruvananthapuram delivered a talk on ‘Waste Management and Ecosystem Restoration’. She inaugurated the activities of science club for the year 2021-22. The Resource Person discussed the various types of waste and the sources of waste. The harmful effects of waste on ecosystem was the major concern of the talk. She explained in detail about the landfilling method and about converting organic waste into manures etc. All the programme was controlled by Ms. Shaniba K, 5th Semester B.Sc. Chemistry. Dr. Annie Nainan, Associate Professor, Department of FCS and IQAC Coordinator and Basila Sherin, Association Secretary facilitated the function. Around 150 students were participated in the programme. Based on the feedback, students opinioned that the programme was beneficial for them and it also indicates that all the outcome achieved by this programme. The programme came to an end with the vote of thanks by Mrs. Suhada K.M., Assistant Professor, PG Department of Chemistry, KAHM Unity Women’s College, Manjeri and Science Club Coordinator.

3.	Capability development programme on psychotricks	120	21-02-2022
4.	Talk on gender studies	112	23-09-2021

VERMI COMPOSTING

The Department of Botany initiated 'Vermicomposting unit' in the campus of KAHM Unity Women's College on 29th November 2021 and the final product recovered on 09th February 2021. It took around 60-70 days for the completion. This project can be a better option for the Campus Sustainability Plan to achieve Zero Waste Campus Policy and preserve the campus land. In addition, it can also be employed for educational purposes and other outreach programmes.

Any type of container including cement, wood or even plastic trough can be used for vermicomposting. Here, cement ring is used as vermicasting container and kept in a cool, moist and shady site. Composting has to be done under a roof to avoid direct sunlight and rain. Crop residues, straw, vegetable waste, leaf litter and cow dung were used as biodegradable wastes. The earth worm species, *Lumbricus rubellus*, is selected for vermicast production. Compost worms need five basic things including bedding, a food source, adequate moisture and protection from temperature extremes.

MUSHROOM CULTIVATION

Mushrooms are one of the most loved food not only for its exotic taste but also for the benefits with which it comes. P.G. Department of Botany conducted a one day workshop on hands on training in mushroom cultivation for plus one students of C.H.M.K.M. H.S.S Kavanur, Irivetty on 22nd march, 2022. It was very successful and students built a capability to cultivate mushrooms themselves. They were participated very enthusiastically in the programme.

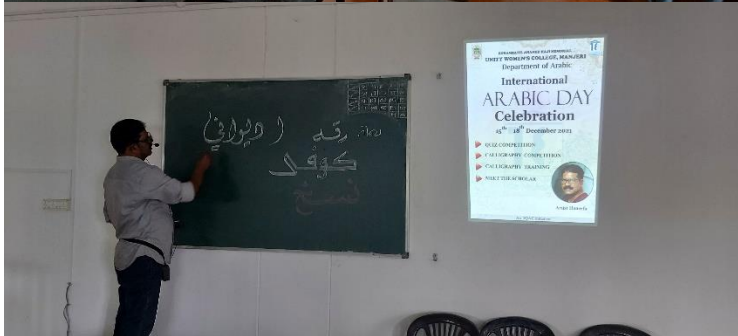

It can be consumed in various forms like fresh, pickled, dried, powdered, canned etc. Its farming has picked up a fast pace among contemporary entrepreneurs owing to its nutritional and medicinal benefits and low cost input with high output. Mushrooms are a fleshy fungi (Basidiomycota) Botany regularly conducts work shopes and hands on training programmes of mushroom cultivation. The Botany Association conducted a workshop on Mushroom cultivation in collaboration with Manjeri Municipality at PG Department of Botany on 20th March 2021. The workshop was well-attended by the students, teachers in the field of botany and Kudumbashree unit of Ward 47, Manjeri Municipality. About 72 participants were present. The workshop started at 10 a.m. and the welcome speech was delivered by Dr Usman A (HOD PG Department of Botany). Dr. C. Saidalavi (Principal, KAHM Unity Women's College) gave the presidential address. The presentation and demonstration was done by chief guest Mr. Biju, Mullampara, Manjeri
